Message from President Wayne Campbell

Hello Grange Members,

I attached a letter from the Pennsylvania State Grange attorney concerning the rental of a Grange Hall during this Coronavirus. Obviously the first thing is **NO rentals can be done if you are in a "Red" zone.** Further guidelines pertaining to the number of people allowed in a group setting will be released by the Government as areas move from a "Yellow" zone into the "Green" zone. As you can see during the **"Yellow" phase only 25 or less are allowed to assemble in one area**. **Social distancing is to be maintained.**

They have attached **wording on the second page, item #5 that must be included in your rental agreement from now on.** This can be an additional page to your agreement. The attachment includes CDC guidelines for cleaning. Now all of these suggestions may not or will not apply to your application. There are two signs that should be printed out and posted appropriately.

If anyone has questions you can call my cell at 717.275.5045 anytime.

Thank you and stay safe.

The **#2020Census** will be unlike any other in our nation's history. Simple on its face, the census requires years of careful planning. We're implementing new technology to make it easier than ever for the population to exercise its civic obligation to be counted in 2020. NEW MESSAGE FROM JENN NAUSS

The Lecturer's Department is announcing a few changes to the 2020 contests and programs because of the COVID-19 Crisis.

These include changing the Community Night/Open House Report to a new report called "Creative Connections" to give Lecturers an opportunity to showcase what they are doing to tell the Grange Story with their communities, even if they have not been able to hold an Open House.

Because of the cancellation of Family Festival, this year's Talent Show will be held virtually! Please look for more information about how you can join to watch our Grangers share their amazing talents!

Two new classes have been added to the Creative Writing and Photography contests to give members an opportunity to share things they've seen or learned during Social Distancing.
