

Paint Your Own Wooden Quilt Block Workshop

at Scrubgrass Grange

5104 Emlenton Clintonville Rd., Emlenton, PA 16373

April 14, 9:00 am to 4:00 pm.

Have you wanted to paint a Wooden Quilt Block but just weren't sure where to start? Well, come and we will teach you!

All materials - 2' x 2' board, paints, brushes, etc. will be provided. All you have to do is show up, select a design from hundreds of patterns and go to work. If perhaps you have a favorite pattern you may want to paint, bring pictures with you.

Step by step directions with lots of one on one help will be provided. You will go home with your block graphed out on the board and probably some of the painting completed. You will take the paints, brushes, etc. home with you to finish. And NO you do not have to be artistically gifted - we have worked with people 8 to 93 and all have been successful.

Cost will be an all-inclusive \$40. Pre-registration is required so we have sufficient materials on hand. It's lots of fun and you end up with a one of a kind block that you can mount on your home, garage, barn, in the community or give as a present!!!

We do suggest you wear comfortable older clothing just in case you end up wearing some of the paint. You can either bring your lunch with you or we will make a run to Subway.

We use pre-primed 1/2" outdoor sign board and latex exterior house paint so the blocks can withstand the outdoor elements. There is no offensive odor to any materials we use.

If someone is interested in painting a 4' x 4' at a cost of \$150 or an 8' x 8' block at a cost of \$300 please call so we can discuss it further and make arrangements.

Register for class on or before April 7 by replying to 724-290-3783 or berglen@verizon.net. Payment will be collected at the door. Please have available the name and phone number of each registrant. We do ask that you be present for the entire day so you can learn the whole process. If you have any questions, please call or e-mail.

Looking forward to a great class.

Barbara & Glenn Gross
