

Dear Grangers,

For those that know me personally, you know that I am extremely passionate about my job. I work at a residential special education school that serves children and adults with developmental and intellectual disorders, primarily autism spectrum disorder. While working in this field, I discovered the Global Autism Project Skillcorps. This organization provides services to countries around the world. There are 70 million people living with autism, 85% of them live in developing countries. The Global Autism Project trains staff at autism centers around the world so that they can then provide sustainable services in their own country. In the beginning of November, I will begin my two week journey to Nigeria to train staff in Abuja at the Autism Care and Support Initiative. If you or your Grange is interested in supporting my trip please contact me at any of the following: 610-750-4290, [g\\_switzer09@hotmail.com](mailto:g_switzer09@hotmail.com) or 56 Mary Fran Drive, West Chester, PA 19382.

Thank you so much for your support,

Gail Switzer
