All Junior Grange activities help our young Junior Grangers to build character and self-confidence. The Junior Grange provides leadership training at all levels. Junior Grangers are encouraged to explore their creativity, initiative and talents through our many contests. While our contests are varied to appeal to many, the goal is the same – to develop respect, responsibility and cooperation by competing with their fellow Junior Grangers.

LECTURER'S GUIDE

Denise Clare
132 North 3rd Street
Hamburg PA 19526
dlc416@yahoo.com

As we begin a new Grange year, strive to try at least two new things with your Grange. Encourage your members to enter the contests. Have a program focusing on one of the contests. Invite a local photographer to talk about taking good pictures. Have an "Artist in Residence" program and invite a local artist to demonstrate their craft and bring some of their works for display and/or sale. A local librarian could make suggestions of books to read for the "Pen In Hand" contest. Wow! That's three potential Literary Programs for the year (and maybe three new things!). I challenge you to put on your thinking caps and get creative. Your members will thank you! And for all of you non-Lecturers, remember to compliment your Lecturer from time to time. Let them know when you liked a program, maybe even offer to do a program for them or suggest an idea for a program. They'll thank you!

DUTIES AND RESPONSIBILITIES

The success of your program depends on the planning you put into programs. Whether you plan three, six, or twelve months in advance depends on what works best for you. But whatever you do, plan in advance.

Organized and well-planned programs make your literary program time run smoothly and your members will be more attentive and look forward to what will be presented next.

Always watch for the special talents of your members and keep them involved. This will give them a reason to continue attending meetings.

An important aspect of being Lecturer is having a Lecturer's Committee. Allow them to assist in the planning and presentation of programs. They will be better prepared to carry on if you are unable to attend every meeting. Don't hesitate to ask others for assistance in planning and presenting your programs.

LITERARY PROGRAM

1. Select a theme or topic.
2. Include education, inspiration, and entertainment that compliment your topic.
3. Distribute skits, readings, etc. the meeting before their intended use.
4. Utilize your members and family members in programs.
5. Review your program to make sure all props are ready before your program begins.
6. Write down your program from beginning to end.
7. Publicize your topic at the meeting and also in your local newspaper.

8. Be enthusiastic!!

SUBORDINATE VISITATIONS

Sharing with other Granges in your county can promote fellowship and provide educational opportunities.

The Pomona Lecturer should organize the planning meeting and help in determining the details. The Pomona Lecturer should plan the Schedule of Visitations in conjunction with the Subordinate Lecturers. After the schedule has been determined, members and non-members should be notified as well as publicizing the meetings in local papers.

During your planning meeting, determine the length of each portion of the program. The opening and closing of the meeting should also be included. Make sure that all of the Granges participating know exactly what part of the program is their responsibility. Start promptly at the appointed time and end at the designated time.

The Subordinate Lecturer should inform the Pomona Lecturer what program topic, (using the current themes) will be utilized in order to avoid duplication of programs. It is important that members and non-members are greeted and made to feel welcome. Several members should be assigned to be greeters when your Grange serves as "host".

2017-2018 VISITATION THEMES

To add diversity to our programs across Pennsylvania this year, we are providing you with three suggested themes to select from (including your choice) as you plan your visitation programs:

1. Current Health Care (in your area).
2. Have you talked to your kid(s) lately? Sex, drugs, money, and alcohol.
3. Investment, retirement, management, digital footprint.
4. Lecturer's Choice.

PUBLICITY

During the planning meeting, determine who is responsible to handle the before and after publicity which is a very important part in telling the Grange story and should not be overlooked. Whoever is responsible for publicity in your Grange (it is not totally the Pomona Lecturers' job) should make sure that the Visitation is well publicized both before and after the program.

Participating Lecturers are responsible for setting time limits with the speaker. A good program, including education and entertainment, should not last more than 1 to 1 1/2 hours from start to finish.

The more members you have participate, the larger your attendance. The Visitations will provide an excellent opportunity to seek out potential talent for the Talent Contest or other Lecturer's programs and contests. Be encouraging and motivate your members!

MID-ATLANTIC LECTURERS' CONFERENCE

Pennsylvania is hosting April 28-30, 2017, at Scotch Valley Grange, Hollidaysburg, with hotel accommodations in Altoona. Tennessee will host in 2018 with the dates and location to be announced at a later date. This conference will provide a leadership training opportunity for all Lecturers in the Mid-Atlantic area. Those attending will have the opportunity to fellowship with Grange members from the states of Delaware, Maryland, New Jersey, New York, Pennsylvania, Tennessee, Virginia, and West Virginia. We have extended the invitations to include: Ohio, North and South Carolina, Georgia and Florida. Anyone is welcome!

Detailed information will be sent to Lecturers in mailings and published in the Advocate.

We strongly urge that Subordinate and Pomona Granges assist financially in sending your Lecturer to this Conference. Perhaps you can hold a couple of fund-raising events and have them earmarked for these expenses.

REPORTS AND AWARDS

Due to the State Lecturer by September 15th, it will be judged prior to the State Session.

There will be a State Lecturer's report form and a scrapbook in addition to the Community Night/Day Report form to be completed in order for the Lecturer's Department to evaluate programs and make changes on an ongoing basis.

1. State Lecturer's Report - report forms, one for Subordinate and one for Pomona, will be mailed by the State Lecturer or downloaded from the PA State Grange Web Site.
2. Subordinate Lecturer's Scrapbook
 - a. All programs may be included.
 - b. Additional judging criteria:
 - Notebook marked 1" thick or less
 - Include a title page and Table of Contents
 - Captions should be included for pictures
 - Neatness and creativity.
3. Pomona Lecturer's Scrapbook
 - a. All programs may be included. Follow the judging criteria for the Subordinate Lecturer's Scrapbook (Program material from Scrapbooks may be copied for use in future Lecturers' Resource Books.)

Reports are due to the State Lecturer by September 15th as it will be judged prior to the State Session.

Ribbons will be given to the top four Subordinate and top four Pomona Lecturers during the Awards Night at State Grange in the following categories:

1. Up to 75 members.
2. 76-149 members.
3. 150 or more members.

COMMUNITY NIGHT/DAY (OPEN HOUSE)

A Community Night/Day (Open House) program should be one of the highlights of the year in the Subordinate Grange activities.

It's an opportunity for a special program that generates educational, fun, and fellowship features. Invite non-Grange neighbors and friends to attend your festivities. Ask one or more of them to assist with features in your program. Publicize your Community Night/Day programs well in advance and let the community know that your organization is doing exciting things.

Your program should have features to tell the Grange story to the public and encourage membership. Your program should present a positive side of the Grange that might encourage non-members to become members.

If you are a Grange without a hall and find it difficult to hold a Community Night/Day Program,

consider holding it during the summer as a picnic or outing. If the recipient of the Community Citizen Award is a member of another organization, perhaps you can coordinate activities with that organization for your program.

The Pennsylvania State Grange recognizes the most outstanding reports submitted on the Subordinate Community Night/Day Programs.

A plaque will be awarded to the first place winners, and ribbons to second through fourth place at the State Session in the following Subordinate categories:

1. Up to 75 members
2. 76-149 members
3. 150 or more members

A report form will be sent out by the State Lecturer (or downloaded report form from the State Grange website. A narrative and pictorial report with significant information should be included in this report. (A simple notebook binder, no larger than 1 inch, may be used to include program outline, photos, news clippings, programs, invitations, etc. telling the complete story of your program.)

Reports will be judged on content, neatness, and participation of members and non-members. Reports are due to the State Lecturer by September 15th, prior to the State Session it will be judged.

YOUTH/YOUNG ADULTS

Ellen Wadsworth

Lincoln University, PA 19352
youth@pagrange.org

The Pennsylvania State Grange Youth Department offers a wide variety of programs and contests, designed for Grange members of all ages. The Public Speaking and Sign-A-Song contests are open to all ages. We have revised the contests and programs again this year. We have added some new contests and we have kept some of the old. If you have any questions please check out the Youth Website at www.pagrang.org/youth.

The Youth program helps to build leaders by offering the Youth Ambassador Program for single males and females, and the Young Patrons Program. The State Grange Youth Department is very proud of its past. Please join in the action by participating in these programs. Everyone is encouraged to get involved.

The National Grange Youth Department also has contests and activities. Please check out the Youth Department page at the National Grange website for additional opportunities.

YOUTH MONTH

April is the month for special recognition in the Youth Department. Choose a meeting night in April so that your Youth Department can conduct the meeting or present a portion of the program. This program could involve some type of “community action” project. If you cannot do a program at this time of the year, another time is just as appropriate. You should consider giving a financial contribution to the State Youth Department Fund and the National Youth Leadership Fund during this month. These funds help support the Youth Department activities, leadership conferences, etc.

YOUNG PATRON PROGRAM

The PA State Grange Young Patron helps promote and generate enthusiasm for the Grange, specifically the Youth programs and contests. The Young Patron also serves on the State Grange Youth Committee for one year.

Program Guidelines:

1. Grangers competing for the Young Patron Program must be between the ages of 22 - 35, have observed their 22nd birthday, but not their 36th birthday by December 31 of the year they attend National session. Young Patron candidates may be married or single.

These events include State Grange Convention, Farm Show, Planning Meeting, Royalty Trip, Youth Camp, Family Festival, and Ag Progress Days. Other events, local and statewide, may occur during their reign and Young Patrons may be asked to participate in them.
5. Contestants must be present at Family Festival where the judging will be held. Judging will be based on an interview, ambassadorship qualities and a written test of Grange knowledge.
6. The Young Patron must be able to attend the Youth Activities Days at the National Grange Convention to represent Pennsylvania. This convention would be in November following the end of their reign. Requirements for participation at National Grange Convention may change. Please review the National Grange Youth website for any changes.

STATE GRANGE CONVENTION YOUTH ACTIVITIES

“State Grange Youth Days” were developed to encourage the Youth and Young Adults from across the state to attend, participate, and learn about the workings of the State Grange Convention. A team of youth officers will be selected to open or close a session at the State Grange Convention. An application will be printed in the PA Grange News and available on the website. Each Youth Officer will exhibit the duties of their State Office. They may be invited to serve on a state committee, should attend the meetings, and attend Drill Practice. This is a very rewarding experience.

Activities are planned where the Youth/Young Adults can participate. Fun, fellowship and activities are the elements of the State Grange Youth Days, plus making new friends and getting reacquainted with old ones.

The Deaf Community Service Committee's will continue to have a main goal for Granges to focus on their communities. Take a look around your community and develop plans for your projects now. Look at the needs that your schools, food banks, parks, playgrounds etc. have and develop a project that would benefit them. Make a plan early and then follow through. Just remember to report all you do on the Community Service report form. If you need any help with planning an activity, just ask one of our committee members. The Deaf and Community Service Committee now have a Facebook Page. Please like and share our page to gain access to ideas about community service. The committee also has an e-mail that you can send community service and deaf activities projects to us and we can share: pagrange.dacs@gmail.com

COMMUNITY SERVICE CONTESTS & PROJECTS

There are endless possibilities for the Granges to do good work in our communities. Again, our goal is to keep as many projects within the "community" of your grange. What a wonderful way to get the Grange name out and to let community members see what Grange is all about.

All granges are asked to keep track of their projects and report it to State Grange. The Community Service program reporting period is from September 1 to August 31. Community Service is anything that benefits the community, a group of people, or an individual.

Keep record of how many people worked and about how many hours you worked. Take pictures and submit them to your local newspaper and to the State Grange Newsletter. Then clip these and send them in with your report. Reports and/or scrapbooks are due to Gail Switzer by September 15th. We need to have 25% participation from all the Granges in order to receive funding from the National Grange. While a scrapbook is nice, a report will also serve this purpose. Report all projects, no matter how small or how big.

There will be a 1st (\$100.00), 2nd (\$75.00) and a 3rd (50.00) as well as an Honorable Mention, if warranted, for the Subordinate Granges in the following Categories:

1. Membership of 25 or less

PROJECTS FOR STATE SESSION

Each year, a local organization will be selected by the Deaf and Community Service Committee as a beneficiary of donations collected at state session. This collection will be determined by the needs of the community where state session is being held. More information will be included in the D&CS packet that is sent to each Grange as well as in the Pennsylvania Grange News and online. The D&CS will be collecting items for the Scranton School of Deaf and St. Francis Commons. Items to collect for St. Francis Commons: shower curtains, pillows, pillow cases, twin bed sheets, travel sized toiletries. Please stay tuned for updates as we approach state session.

The Community Service Committee will be doing a used book and DVD sale. Start saving those books and DVDs and bring them to the Deaf & Community Service Table. They will be resold there and the money will be donated to Dogs for the Deaf.

PROJECTS AT FAMILY FESTIVAL

Each year, a project will be selected by the Deaf and Community Service Committee. The project will be determined by the theme and other activities scheduled during the festival. The committee again will be organizing a Bike and Hike for Saturday morning. This year there will be a \$10 entry minimum. The money raised this year will help sponsor an Autism dog. We will also be raising money during our two cake walks; one Friday night and one Saturday night. More information will be included in the D&CS packet that is sent to each Grange as well as in the Pennsylvania Grange News and online.

Other projects for your grange to consider:

Do not bring these to state grange, but be sure to report them.

- **Labels for Education**

We are asking that all Labels for Education be donated to your local schools (if they collect them). Visit www.labelsforeducation.com to download a current list of products that can be used. There are many, many items that have the Labels for Education label, so check the list, copy it, and post in your grange hall. If any labels are brought to state grange, they will be accepted, however prefer they be given to your local schools. Please keep a count and report it on your D&CS report.

- **Eye Glasses**

Collect used Eye Glasses and donate them to the Lions Club in your area.

- **Aluminum Tabs from cans**

Please continue to collect these and donate to the Ronald McDonald House that is nearest to you.

- **Caps, mittens, gloves, scarves**

These items can be given to places that service children or to homeless shelters. Also check with your local schools, many children go to school without these.

- **Cancer hats**
Check with the local hospital or cancer treatment center. Dealing with the loss of hair can be very traumatic, hats can ease the pain.
- **ABC Quilts**
These are always needed at hospitals, foster homes, and pregnancy crisis centers. Help make a child's life a little warmer.
- **Dino's Operation Shoe Box**
Collect items for these care boxes that are distributed to our soldiers. A monetary donation can also be made to help in shipping of the boxes.
- **Little Dresses for Africa**
These are dresses given to poverty stricken areas. Not all dresses go to Africa, some stay in the United States. Check out their website www.littledressesforafrica.com.

These are only suggestions, there are many more. If you need help, please contact one of the state committee members. We will be more than glad to help you.

LOCAL COMMUNITY SERVICE AWARDS

Granges should honor a Community Citizen each year. Choose a person that has been very active in your community making it a better place for all. Once you have selected this person, order the plaque from the National Grange and invite this person to your meeting. Have an open meeting with a special program and present the plaque to him or her. Advertise and let the community know what is happening at your Grange.

REQUEST FOR COMMUNITY SERVICE FUNDS

The PA State Grange has some funds that can be donated to local community service projects or could be used for "seed" money for a project. If you would like to request these funds, please send a request to the State Deaf & Community Services Director. Granges can request these funds on behalf of a local agency or school. The request should include: the specific need, approximate cost (catalog page with a picture, price and ordering information if applicable), the approximate number of people that will benefit and a contact name and phone number. Examples of acceptable requests: to support a project your Grange is working on; awarded directly to an agency or program; or as seed money for a new or underfunded community project. Give it some thought, where do you think the money should go?

THE NATIONAL GRANGE FOUNDATION

The National Grange Historical Foundation continues to collect money for the Oliver Hudson Kelley Farm. If your Grange wishes to donate to the Farm, please forward donations to the State Director, made payable to PA State Grange D&CS Dept., with "Kelley Farm" in the memo line. The Community Service Committee has several DVDs about the Kelly Farm. If you would like to use one of them for a program, contact Gail Switzer.
