

**Good afternoon,**

**This week, Pennsylvania's House and Senate selected their leadership teams for the next session of the General Assembly.**

**Senate leadership remained the same with all being re-elected except for the Senate Majority Caucus Administrator which is unfilled for now. The House did have several significant changes which shifted much of the leadership to southeastern PA and away from Allegheny County. Following are leaders for both House and Senate.**

**Best wishes,**

**Vince**

\*\*\*\*\*
