MINUTES OF THE 148TH ANNUAL PA STATE GRANGE SESSION
FRIDAY, OCTOBER 16, 2020

1. The 148th Pennsylvania State Grange Annual Session officially opened in the Sixth Degree on Friday October 16, 2020 at 9:00 am in the Ballroom, Headquarters for the session were at the Ambassador Banquet & Conference Center/Courtyard by Marriott, Erie, PA with Master Wayne Campbell presiding. Because of the COVID-19 Pandemic there was no opening drill.
2. Roll call found all officers present with the exception Sister Janet Fishovitz filling in for Sister Judy Pressler, Chaplain. Brother Dr. James Diamond, Executive Committee Member was found absent.
3. Master Campbell lowered to the Fourth Degree.
4. A greetings video was presented by National Master Betsy Huber. Master Huber congratulated us for having a State Session. As Grangers we must persevere through these challenging times and continue to do what we do best, and help our communities in any way we can. Youth and Juniors held their Public Speaking and Sign a Song contests virtually and the National contest will be done virtual as well. Bigger and better Regionals are being planned for next year and hope many of us will attend. We will all be eager to see each other then.

We are also planning for another big event. Grange Revival which will be held in Sturgis, South Dakota, July 20th – 24th. Registration is available on the National Grange Website.

National finances have been much better this year with the end of the California law suits and the settlement payout. Working on making upgrades to the National Grange Headquarters. Many more upgrades are necessary. Donations to the National Grange Building Fund is always welcome.

5. Sister Kelly VanOrd, Chairperson of the 2020 Host Committee, welcomed everyone to Erie, Erie County, Pennsylvania. Pennsylvania State Grange Session was hosted by the Northwest Region — Crawford, Clarion, Erie, Elk, Forrest, Jefferson, Lawrence, McKean, Mercer, Venango and Warren Counties. Invited everyone to take a tour around Erie, there is a lot to see.
 6. Appointment of Session Committee—Credentials—Kelly VanOrd, Warren County.
 - a. Sister Kelly gave a partial report of the Credential's Committee as follows:

81 Delegates and 47 Subordinate Granges and
29 Delegates and 17 Pomona Granges represented at this time.
- With a total of 110 Delegates present at this time. Master Campbell confirmed that we do have a quorum and can proceed with our work.
7. Master Campbell announced the meeting will be recorded for Minutes taking purposes only.
 8. Master Campbell appointed Michael Martin as Session Parliamentarian for this session.
 9. Master Campbell announced that you need to turn your phones to vibrate. If Steward Andrew Kieffer hears your phone, it will cost you \$10.00.

10. Each person addressing an item of business on the floor will have up to two minutes to speak and may only address the issue once unless a question is directed to them. Master Campbell stated that when a Brother or Sister has the floor please extend to them the courtesy of your attention.
11. **A motion was made and seconded to make the runoff ballot, if it is necessary, on Saturday morning after the Devotions by the Chaplain; motion carried.**

A motion was made and seconded to accept the official schedule of the 148th PA State Grange Session with changes to the election of officers; motion carried.

12. Sister Janet Fishovitz gave us a message on "God's Promises" which was provided by State Chaplain Judy Pressler. I'm sure you have heard it and even may have said it, "God won't give you more than you can handle." But that exact quote is not in the Bible. Rather there is a similar message in I Corinthians 10:13, that says God is faithful, he will not let you be tempted beyond what you can bear, ***BUT when you are tempted, he will also provide a way out so that you can stand up under it.***

Here are a couple of scriptures to emphasize God's promises: God didn't promise days without pain BUT he did promise strength for the day (Isaiah 41:10); God didn't promise laughter with sorrow, BUT he did promise comfort for the tears (II Corinthians 1:3-4) and God didn't promise sunshine without rain BUT he did promise light for the way (Psalm 119:105).

Here are a few encouraging quotes that may lift your spirits:

When it rains, look for rainbows. When it's dark, look for the stars. When you feel alone, look for God..... They are there....just as God has promised.

Every day may not be good, but there is something good in every day.....we must look for it....it is good that we can be here together today.

Sister Fishovitz finished the devotions with a prayer.

13. Master Campbell presented the highlights from his Annual Master's Address. It was accepted and the full report will appear in the *Journal of Proceedings*.
14. Brother Seidel then presented the budget for information only; the budget will be voted on at Saturday's session. The Budget can be voted on after 10:15 am., this will have allowed it to lay over the required 24 hours.
15. Master Campbell read all the resolutions that require bylaw changes and must lay over 24 hours before voting.

Resolution 20—to extend the 2023 State Grange session is not a change to the bylaws. The Bylaws state it will be on the 3rd weekend. This resolution is just requesting it start it on Thursday instead of the normal Friday. It is still being held the 3rd weekend; therefore, it is not a bylaw change.

Resolution 21— **RESOLVED:** that the current section 1.10.7 be deleted as currently worded and replaced by the following: "No new Lifetime Memberships are available as of 1/1/2020. The Lifetime memberships as of 12/31/2019 will continue to be honored by the Pennsylvania State Grange. The Secretary of the C/S Grange shall take a credit of \$11.00 per Lifetime member on each quarterly report to the State Grange. This resolution will be presented for adoption after 10:21 am, Saturday.

16. Family Activity raffle winners were announced. Please pick up anything that goes back to your county. All items MUST be signed for. The quilt was won by a ticket that was sold at the Farm Show.
17. Brother Robert Beamon of the Good of the Order Committee presented their resolutions.

SATURDAY, OCTOBER 17, 2020

37. The second day of the 148th Annual Session of the Pennsylvania State Grange opened in the Fourth Degree at 9:00 am in Ballroom at the Ambassador Banquet & Conference Center, Courtyard by Marriott, Erie, Pennsylvania.
38. Sister Janet Fishovitz shared a special message which was provided by State Chaplain Judy Pressler called "It Took a Miracle". The message reminded of some of the miracles mentioned in the Bible:

Jesus turning the water into wine, Jesus feeding the thousands with a few loaves of bread and a couple of fish, Jesus walking on water and even God creating the whole world!

There is a lesson for us in this unusual time: Remember that the caterpillar grows its wings during its season of isolation. And often in life what appears to be an ending is really a glorious new beginning (R. H. Heinlein). May it be so with you today and in the days ahead. Always believe that something wonderful is about to happen. Think about this hymn: It Took a Miracle.

It took a miracle to put the stars in place
 It took a miracle to hang the world in space,
 But when He saved my soul, Cleansed and made me whole
 It took a miracle of love and grace

39. The minutes of Friday's Session were read and approved.

A motion was made and seconded to allow the Executive Committee to approve Saturday's session minutes, motion passed.

MASTER/PRESIDENT’S ADDRESS

President’s Address to the Delegate Body 2020

Delegates and Officers of the Pennsylvania State Grange. This past year has been the most unusual year I believe any of us have ever experienced. We started out with the usual activities after a State Session. Debbie was hurrying before we even returned home to get the resolutions to National Grange that needed

to be forwarded from Pennsylvania. You'll remember there were only 8 days from when our session ended on October 27th to when National Grange session convened on November 5th. Debbie and I traveled to Minnesota to represent Pennsylvania State Grange as our Delegates.

December was filled with visits to Granges as they celebrated the coming Christmas and New Year holiday seasons.

January brought with it the Pennsylvania Farm Show. We had another great year selling our Grange cookbooks, selling raffle tickets for the Family Activities' beautiful quilt, and promoting the Grange. Vince Phillips organized a very informative meeting on achievements in broadband over the last year, including Henry McCreary from Huntingdon County where they formed their own Internet Service Provider Co-Op. The Juniors and Youth Royalty participated in the Pa Preferred Dinner and then worked in the Grange stand Saturday and Sunday.

With the Farm Show behind us, we focused on the Cornucopia event in the State Capitol in February. This event is held by the Pennsylvania State Council of Farm Organizations. It gives Legislators the opportunity to visit with many of Pennsylvania's Agricultural groups and a taste of Pennsylvania foods.

As March rolled around, we began to focus on Legislative activities. I had the opportunity to take Bryce Danko, the Pennsylvania State Grange Junior Prince and the National Grange Junior Ambassador, to Washington D.C. for the first National Grange Youth Legislative Event. We were joined there by Elisabeth Reich and her mother Tina. Elisabeth is the Pennsylvania State Junior Grange Princess. Youth from all across the country participated in this event. It gave them a chance to meet with their Congressmen and voice their opinions. They toured the Capitol and were the first to use the newly remodeled conference room at the National Grange Headquarters.

Then the COVID-19 Pandemic hit the USA. Life changed in an instant. Brittany and I left the office the afternoon of March 19, 2020 and said we'd see each other tomorrow. Tomorrow was 3 months later. Granges had to stop meeting as everyone was urged to stay home and only go out for life-sustaining supplies.

Grangers did what Grangers do; they sprang into action. They made masks, went to the grocery store for neighbors with health concerns, and turned Grange Halls into food distribution centers. All across America, Grangers were busy helping others. Even as I prepare this address, we are still under strict guidelines to help prevent the spread of the virus. Granges have been able to begin meeting and doing fundraisers provided they follow CDC guidelines.

The pandemic has put many of our Brothers and Sisters under severe pressure when it comes to being able to pay their bills and maintain their properties. They were forced to cancel many of their annual fundraising events, putting them in a financial bind. Many are falling behind on property taxes and utility bills. I am already receiving requests to sell Grange properties because of this. We must continue to try and get statewide legislation to exempt our halls from the undue burden of property taxes.

We must continue to promote the Grange in all of our communities. We are still one of the best kept secrets. I continue to get comments from people when I ask them if they know about the Grange, and they tell me it's that building along route so and so. We cannot expect to grow if we are not willing to let others know what we do and what we have to offer them.

Even in these times of COVID 19 Pandemic, we will help you with promotions on Facebook, or in advertising your fundraisers, or any other way you would like us to. You just need to ask.

We have seen strides in the legislature over the past year. Here is a listing of actions that have been taken:

Senate Resolution 47 was adopted by the Senate. It directed the PA Joint State Government Committee to do a study on Broadband options. Pennsylvania State Grange was the only rural advocacy membership group appointed to the advisory committee that put it together. Status: Report completed September 2020.

Senate Resolution 48 was adopted by the Senate to have a review done by the Legislative Budget & Finance Committee on whether telecommunications companies were complying with state law regarding minimum band width. Status: Report completed June 2020.

Fiscal Code bill, Senate Bill 712 contained two \$300,000 expenditures for Broadband pilot projects in north central PA and parts of PA included in the Appalachian region of the State. Status: Enacted as part of the FY 2019-2020 State Budget.

Capital Budget bill, Senate Bill 905 provides \$10 million to the Northumberland County Industrial Development Authority for a regional Broadband expansion project. NOTE: Although in FY 2020-21, the Capital Budget listing does not necessarily mean that the money will be spent. There is more legislative activity on bills before you get to enactment.

SB 835 sets up an independent Broadband Authority with grant-making powers. Status: it passed the Senate and is in the House Consumer Affairs Committee.

SB 1118 makes it easier for rural electric cooperatives to extend Broadband using existing lines. Status: It is on the Senate voting calendar. Companion bill, HB 2438, was on the Senate calendar but was tabled although it passed the House.

HB 3848 converts a telecommunications tax credit fund to a Broadband expansion matching funds grant program. Status: It passed the House and is on the Senate calendar.

HB 305 requires that a state-owned property inventory be conducted to determine which could be leased to telecommunications companies for cell phone and Internet expansion. Status: It passed the House and was on the Senate calendar but was tabled.

HR 64 would establish a bipartisan Bicameral Broadband Commission. Status: It passed the House committee and is currently on the House calendar.

There are at least eight additional bills or resolutions that were introduced but are in their original committee.

SB 725 and HB 1585 would create Restore PA. A \$4.5-billion-dollar loan which would fund multiple projects including an unspecified amount for Broadband expansion. Status: They are still in their respective Senate and House Environmental Resources Committees.

House Consumer Affairs Committee:

- HB 2786 million from CARES Act Federal COVID-19 money dedicated to Broadband expansion
- HB 1400 would make it easier for telecommunication companies to install small-cell facilities on utility poles
- HB 2055 would make it easier for municipalities to become their own Internet Service Provider
- HB 2722 mandates Broadband accessibility for residents of public housing

- HB 2637 mandates "Broadband emergency lifeline" for low-income residents
- HR 63 would direct the PA Joint State Government Commission to audit telecommunications companies to make sure they are compliant with PA law

As you can see it has been a very busy year in Harrisburg, even with the COVID-19 Pandemic. Please continue to communicate with your Senators and Representatives voicing your concerns about the need for adequate Broadband. We need to keep in mind it not only has to be adequate, it has to be affordable!

I would ask that you invite myself or any of the Pennsylvania State Grange officers to attend your meeting and talk about what the Grange is doing for you and your community. Go to our website and view the slide presentation the History Committee has under their tab. This is a wonderful presentation to introduce new people to what the Grange is and what we have accomplished over the last 150 plus years.

REPORT OF OVERSEER

What a year we have had!

The best news is that God has been with us.

This is a year where we as Pennsylvania State Grange have made many positive moves. We have been heard in the halls of our State Capitol. Many Grange properties that were liabilities to us have been sold. Members of our smaller Granges have been consolidated.

I cannot take any credit for all these positive actions.

We are so fortunate of this time in our history to have a State Master/President and his wife, our State Secretary, who live and breathe the Grange. They have worked tirelessly through the COVID-19 Pandemic to keep our organization a group to be recognized. No, not as a "look at me, I am President", but as "What more can I do to promote the Grange!"

We have achieved increased membership benefits that, when used save us way more than our yearly dues.

Our membership numbers are stable. Yet, we need to keep working for new members. We are not a dying organization unless we coil up and let it happen. We need to show our message to the community, invite them to come in and share all the good things we have to offer.

When we do that, we will continue to prosper and be a benefit to our families, communities, and the State.

REPORT OF THE PA STATE GRANGE EXECUTIVE COMMITTEE

Worthy Master, State Officers, Delegates and members of the Pennsylvania State Grange, I am pleased to present the final report of the 2019 – 2020 Executive Committee.

These were your members serving on the 2019 – 2020 Executive Committee.

Wayne Campbell – President

JV Lamb – Vice President

Dr. James Diamond – Exec. Comm. Vice Chairman

Janet Pratt

Barbara Schroeder

Richard Mangel – Chairman 2019 – 2020 committee

I would like to express my thank you to the Host Committee of the 148th Annual Session of the Pennsylvania State Grange being held in Erie, Pa. This has been a trying time to host the State Grange Session during this pandemic. Thank you goes out to Kelly Van Ord for chairing the 148th Session Committee and all of the other members who worked with Kelly to make the session a success. This year's session took on many turns and changes and Kelly and her committee have worked with the hotel and the State Grange to make this session happen.

At our 2019 State Grange Annual Session the Delegate Body passed several resolutions charging our President, Wayne Campbell, and the Executive Committee with the responsibility to find a way to have the PGN printed at a much-reduced cost in order to save the State Grange money. Wayne, along with the Executive committee, and several members held numerus Zoom meetings discussing ideas and have decided to return the publishing to the Pennsylvania State Grange Office starting with the Jan/Feb. 2021 issue of the PGN. I think our members will be happy with what they see.

We were also charged to look into and recommend how many locations there will be for future State Grange Annual Session and possible ways to finance the future session. A committee was appointed and there were Zoom meetings held to discuss and come up with recommendations. These recommendations will be presented to the 2020 Delegate body to act upon.

This year had started out like many other years with many challenges. First, we attended the 2020 Pennsylvania Farm Show, where we had a great looking booth and many helpers to man the booth, we also had another good year of cookbook sales. Many thanks go out to Barb Gross and Lizzie Bailey for working with the State Farm Show association and the Pennsylvania Department of Agriculture and getting the many Quilt Blocks displayed throughout the Farm Show complex. Also, for putting together the quilt block trivia game where anyone could enter and learn more about the quilt blocks and the Grange. It was a success.

It wasn't long after that we started to see things change as the COVID-19 virus took hold and many people started getting sick. The Governor made a decision to shut everything down to try and stop the spread of this virus. This shut down included Grange meeting and activities. Making it hard to do Grange business as usual. We had to comply. During this time our President, Wayne Campbell, had to close down the State Grange office for doing business but yet Wayne found ways to communicate with our Grange members/family. The pandemic caused many Granges on the border of closing, to close because of not being able to hold fundraisers. Wayne and the Executive Committee held many Zoom meeting to address these Grange consolations/closings and other issues as they came up. This was not something that we wanted to do but had to be done. I also want to thank Debbie Campbell for sitting in on all Executive Committee meetings and taking minutes and typing them up for the committee. What a stressful year.

I would also like to say thank you to all of our Department Chairs – Lurae Benzio – Juniors, Ellen Wadsworth – Youth, Melanie Melius – Family Activities, Gail Switzer – Deaf & Community Service, Jenn Nauss – Lecturer and all of their committees for coming up with ideas and ways our members could stay involved during the time of the pandemic. When you talk to them be sure and thank them for their hard work and dedication.

I would also like to thank Lizzie Bailey our membership/PR director, Vince Phillips our Legislative Director, and Brittney Covey our part time office staff, for all of their dedication and hard work during this time of the pandemic.

Needless to say, I can't thank those enough who have worked with me this past year to make my job as Chairman easy. A thank you to Wayne Campbell - President, Debbie Campbell – State Grange Secretary, Lizzie Bailey - PR/Membership, Vince Phillips – Legislative Director, Brittney Covey – office staff, and a special thanks to the Executive Committee members, Dr. James Diamond, Janet Pratt, Barb Schroeder, and JV Lamb.

As this is my final year of my 4-year term on the State Grange Executive Committee I want to say it has been a rewarding experience, one I will always remember. I want to thank my wife Virginia and the rest of my family who have always been there to help when I needed them.

May God Bless each and every one of you in the future and may you all prosper.

Respectfully submitted,
Richard Mangel
Executive Committee Chair

REPORT OF THE LECTURER

Worthy Master, Distinguished Guests, Delegates, and Fellow Grangers,

It has been my honor and privilege to serve the Pennsylvania State Grange as Lecturer this past year. I have enjoyed meeting new Grangers, leading workshops, and continuing to support Lecturers throughout the state. My committee and I have striven to diligently carry out the work of the Lecturer's Department, even in the midst of the COVID-19 Pandemic. Many plans have changed several times throughout the year, but we have aimed to keep the Lecturer's Department and many contests and programs active.

It has been a year of many unexpected changes and interruptions. It seems like it has been much more than a year since we were gathered at last year's State Session in State College. Who would have guessed a year ago what would transpire in 2020?

REGIONAL LEADERSHIP CONFERENCES

The Lecturer's Department, in conjunction with the other departments of the Pennsylvania State Grange, planned a series of Regional Leadership Conferences from March through May. Workshops were planned on the following topics: Ritual 101, Parliamentary Procedure (with a presentation by the Bald Eagle FFA), Juniors, Community Service, Hospitality, and Membership. Breakout sessions with state officers and department chairs occurred over lunch. Much gratitude is extended to Logan Grange #109 in Centre County, Big Knob Grange #2008 in Beaver County, and Kutztown Grange #1836 in Berks County for their willingness to host these conferences. We were able to hold the conference in the central region, which was a success! Over 50 people attended the conference on March 7th and evaluations received were positive and indicated that there is a need for meaningful leadership training. We also had nearly 50 registrations in the western region and were well on the way to a well-attended conference in the east.

Sadly, because of the COVID-19 Pandemic, the last two conferences in the western and eastern regions had to be cancelled.

We look forward to hosting Regional Leadership Conferences in 2021 pending it is safe to do so with the virus!

CHANGES TO CONTESTS

The theme for this year was flexibility! Throughout the spring and summer, rules, recommendations, and resulting plans were changing constantly. With the cancellation of Family Festival and the changes to the State Session, the Lecturer's Committee redesigned several of the department's contests.

The Talent Contest was moved to a virtual format with the cancellation of Family Festival. While we wish that we had received more virtual submissions, we were pleased to name Philip Vonada of Penns Valley Grange #158 in Centre County as this year's Best of Show winner. Philip sang Josh Groban's "You Raise Me Up" and will represent Pennsylvania at this year's National Grange Virtual Evening of Excellence in November. Congratulations to Philip!

I know that our Grangers have many talents and I hope to see more participation in next year's Talent Contest. Start planning your acts now!

With the changes to State Session, there will not be exhibit rooms at session this year. Because of that, the Lecturer's Committee decided to cancel the Art and My Favorite Anything contests for 2020. We hope that we will be able to resume these contests in 2021. The committee spent much time planning how to redesign the remainder of the department's contests to continue them in a somewhat modified way.

The Photography Contest has gone virtual for 2020 with a new class – Beauty in the Midst of Crisis. The Pen in Hand contest also features a new class for 2020 – "One thing I learned during social distancing..." One of the most disappointing things about 2020 was the need to cancel so many events and activities that were planned, including many Grange's Open Houses. In recognition that Granges may have not been able to have their Open Houses this year, the Open House Contest was changed to a new contest called "Creative Connections". For Granges that were able to hold their Open Houses, they were able to fill out the forms similarly to in the past. For Granges that had planned Open Houses but were not able to hold them, a new class was added for them. A final new class was added for Granges that could not plan or hold an Open House, but were able to share their Grange stories with their communities in other ways. We are hopeful that we will receive entries in this new contest to honor the work of Granges and their Lecturers/Program Directors during these unprecedented times!

This is the first year for the "Design a Program" Contest and Lecturer's Grant. We hope that there will be a positive response to these new contests and that the State Lecturer's Department can continue to support and recognize local Lecturers/Program Directors for their important work!

Words cannot adequately convey my appreciation for all of the support and welcome I have received this past year, as well as the understanding and flexibility as plans have changed due to the pandemic. I appreciate your support of the Regional Leadership Conferences and am excited to see you at the conferences in 2021. I am honored to be serving the Grange in this role and I hope to continue to be a support to Subordinate and Pomona Lecturers throughout Pennsylvania.

Thank you to Brittany Covey in the State Grange office for all of her help and to our Worthy State Master Wayne Campbell and State Secretary Debbie Campbell for all of their help and support.

I continue to be appreciative for all of my Grange mentors for lending a listening ear and offering words of advice and help.

“Thank you” does not seem sufficient to share my appreciation for the Lecturer’s Committee for all of their hard work throughout the past year! I could not do it without you and am thankful for a wonderful team to work with!

REPORT OF CHAPLAIN

This indeed has been a different and challenging year not only for me as a Chaplain of the Pennsylvania State Grange, but for everyone worldwide.

It will be billed as the year of the COVID-19 Pandemic: the year with a pause in our local, county and state Grange meetings as we know them, the year that we used our modern technologies more than we ever expected, the year when we were separated from loved ones, the year when a hug was never missed as much. It has been a year when we were confronted with opportunities to "make do" and "make new" ways of communicating and carrying on.

Following State Grange in the Fall of 2019, I settled in to writing my bimonthly articles for the Pennsylvania Grange News. That has been the most rewarding and satisfying experience during these past months. I always testify that they are God-inspired and have been humbly pleased to receive notes/thoughts from Grangers when they have touched someone. It is truly a mission of love and service on my part.

I did attend the Grange Leadership Conference in March and it was very interesting, informative and helpful as well as comforting to meet and be with fellow Brothers and Sisters just before the pandemic shut everything down.

I am not very technologically savvy so I have not participated in a lot of ZOOM conferences and activities. I do enjoy reading about all the fun and different opportunities they provided for all ages of Grangers.

I missed the Family Festival. I hesitated to enlist a speaker for the Worship Service and had at one point decided that I might give the morning sermonette myself. Perhaps this was a God Wink that it was postponed!

All in all, I am looking forward to the State Session in 2020, although it too will be different. If I am elected to serve another term, I will do so willingly, and with God's help, do the best I can to bring the Message to all.

Fraternally.

REPORT OF TREASURER

Worthy State Master, National and State Officers, Delegates and Members of the Pennsylvania State Grange, it is a pleasure to bring you greetings from the office of Treasurer at this 148th Annual Session of the Pennsylvania State Grange.

Today, we are reviewing financial information for the fiscal year ending June 30, 2020. My records, as well as the records of the Department Heads and State Office were forwarded to the accounting firm of Hamilton & Musser, P.C. in Mechanicsburg. The audit was performed under the direction of Sharon Miller.

As your Treasurer, I am responsible for keeping the financial records of the following accounts: the Scholarship Funds including the Leonard Rhone Grant, Ellis M. Santee Loans, Subordinate Grange Trust Funds (for both Active and Closed Granges), Subordinate Grange Improvement Loans, Lifetime Membership, Property Account, Emergency Fund and a portion of the general assets of the Pennsylvania State Grange. I also manage the assets of the Pennsylvania State Grange Foundation.

SCHOLARSHIP FUNDS:

During the fiscal year ending June 30, 2020, one grant was awarded from the Leonard Rhone Scholarship Fund. This \$300 grant is available to Grange members in good standing. The student must attend Penn State and preference is given to those who pursue the study of agriculture or home economics (known today as Human Development and Family Services).

There were five (5) loans of \$2,000.00 made during the past fiscal year from the Ellis M. Santee Trust. The late Ellis M. Santee, a country doctor from Shickshinny and an active Grange member, established the Santee Student Loan program. This student loan is available to members of the Grange or children of Grange members. The Santee Loan program operates on the interest earned on the investments and is administered by Wells Fargo. These loans are to be repaid within three (3) years of graduating from or leaving school and are interest free. The program depends on the student's repayment of the loans to ensure continuation of the program.

During the fiscal year ending June 30, 2020, there were thirty (30) students involved in the program. Two (2) students were new to the program and one (1) student completed the repayment of their loan during the year.

Applications are available from the State Office and can be downloaded from the Pennsylvania State Grange website, www.pagrang.org. This is one of our benefits that continues to be promoted to help add and retain younger members.

SUBORDINATE GRANGE/POMONA GRANGE TRUSTS:

These are funds received by Subordinate and Pomona Granges from the sale of Grange real estate. The National Grange Digest requires that these funds are to be held in trust and invested by the State Grange with no less than 90% of the interest being returned to the Subordinate or Pomona Grange every six (6) months, as long as the Subordinate or Pomona Grange remains active. The Pennsylvania State Grange returns 97%. During the fiscal year ending June 30, 2020, there were ninety-seven (97) Granges with invested funds. Thirty-Four (34) of those Granges are closed. Four (4) had their assets transferred to the State Grange after having been closed for seven (7) years. One (1) Closed Grange and two (2) Active Granges added funds to the trust for the first time.

SUBORDINATE GRANGE IMPROVEMENT LOANS:

During the past year, the State Grange Master and Executive Committee continued the program of loaning funds to Subordinate Granges desiring to make improvements to their Grange properties. These funds are from the Subordinate Grange Trust funds from the sale of Granges who have surrendered their charters. These funds must be held in trust for seven (7) years in the event the Subordinate Grange would reorganize. This program invests Grange dollars back into Grange improvements. One (1) new loan was approved during the fiscal year ending June 30, 2020 and one (1) Grange completed the repayment of its loan. There were five (5) Granges with loans in the program. Granges interested in utilizing this program must submit an application to the State Office for approval by the State Grange Master and State Grange Executive Committee.

LIFETIME MEMBERS:

As of June 30, 2020, there have been a total of 1,604 members who have become lifetime members since the program's inception in 1984. We gained four (4) new lifetime members during the Grange fiscal year. At last year's State Session, the delegate body decided to discontinue offering new lifetime memberships after December 31, 2019.

In closing, I thank you for your trust and confidence. The Executive Committee and I continue to look for ways to improve the return on investment for all assets of the Pennsylvania State Grange, the Active & Closed Grange Trust Funds and the Grant and Scholarship Funds. I will continue to work to keep the best interest of the Grange and its membership in mind when considering future investment options.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors of
Pennsylvania State Grange
Lemoyne, Pennsylvania

Report on the Financial Statements

We have reviewed the accompanying consolidating financial statements of Pennsylvania State Grange (a nonprofit organization) and Pennsylvania State Grange Foundation (a nonprofit organization), which comprise the consolidating statement of assets, liabilities, and net assets – modified cash basis as of June 30, 2020, and the related consolidating statement of support, revenue, and expenses – modified cash basis for the year then ended, and the related notes to the consolidating financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the consolidating financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidating financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidating financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the consolidating financial statements for them to be in accordance with the modified cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidating financial statements in order for them to be in accordance with the modified cash basis of accounting.

Basis of Accounting

We draw attention to Note 1 of the consolidating financial statements, which describes the basis of accounting. The consolidating financial statements are prepared in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Supplementary Information

The accompanying supplementary information included in pages 16-22 is presented for purposes of additional analysis and is not a required part of the basic consolidating financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidating financial statements. The supplementary information has been subjected to the review procedures applied in our review of the basic consolidating financial statements. We are not aware of any material modifications that should be made to the supplementary information. We have not audited the supplementary information and do not express an opinion on such information.

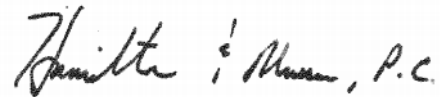

The accompanying supplementary information included in pages 23-28 is presented for purposes of additional analysis and is not a required part of the basic consolidating financial statements. Such information is the responsibility of management. We have not audited or reviewed such information, and we do not express an opinion, a conclusion, nor provide any assurance on it.

Emphasis of a Matter

As further explained in Note 11, Pennsylvania State Grange and Pennsylvania State Grange Foundation are operating in an environment economically impacted by the COVID-19 pandemic. Our conclusion is not modified with respect to this matter.

REPORT OF SECRETARY

Worthy State Master, Officers and Delegates of the Pennsylvania State Grange, I bring you greetings and wishes for a very successful 148th Annual Session of the Pennsylvania State Grange here in Erie, PA. Unfortunately, it will be a Session like no other, however, we still have a job to do.

As your State Secretary, I am responsible for processing Membership Awards and special recognitions. The State Grange recognizes Grange members that have 5, 10, 15, 20, 30, 35 and 45-years of membership in the Grange with a letter of appreciation for their service. The State and National Grange recognizes members that have 25 years with a Silver Star Certificate, 40 years with a seal, 50 years with a Golden Sheaf booklet, 55, 60, 65 and 70 years with a seal to add to the booklet, 75 years with a certificate, and 80 and 85 years with a letter. The number of certificates, seals and letters sent this fiscal year are as follows:

5-years	41	50-years	45
10-years	19	55-years	27
15-years	10	60-years	26
20-years	3	65-years	21
25-years	44	70-years	20
30-years	27	75-years	4
35-years	10	80-years	1
40-years	17	85-years	1
45-years	11		

With what we have endured since March, I am thrilled to report that the total number of certificates recognized this year were 327, it is a decrease of 140 from last year; however, with Granges not meeting for months I feel it is still pretty good. I really appreciate the Secretaries who recognize your members, and would encourage you to continue. I would like to ask those Secretaries who do not recognize their members to please consider starting. They really appreciate the acknowledgment for the years of service they have given to the Grange.

I would like to give a special recognition to the 75, 80 and 85-year members recognized this year. They are:

75 years	—Hilda Pflug, Big Knob #2008, Beaver County
	—Donald Shaffer, Big Knob #2008, Beaver County
	—E. Saunders Dixon, Goshen #121, Chester County
	—Iva Books, Milford #773, Juniata County.
80 years	—Lois Miller, Big Knob #2008, Beaver County
85-years	— Helena Latshaw, Ontelaunee #1617, Berks County

CONGRATULATIONS to all 75, 80, and 85-year recipients for being members of this organization for so many years!

In November, the Worthy State Master and I traveled to Minnesota as your National Grange Delegates. It is such a beautiful State. While there, our Grandson, Bryce Danko was named the National Grange Junior Ambassador. In January, we headed to the Farm Show and worked in the booth to talk to non-Grangers about the Grange! We sold lots of cookbooks, and were asked many times if we were going to bring out another cookbook. We were thrilled to be able to tell them we were working on a 150th Anniversary Cookbook!

In February, Bryce and I attended the National Grange Fly-in which was held in New Hampshire. New Hampshire has held the first Primary in the nation since 1920. We toured the New Hampshire State Capitol as well as Campaign Headquarters. We also visited the Millyard Museum which was a very interesting tour. Bryce especially enjoyed the antique fire trucks and rifles. Everything was so interesting and informative! We learned so much and had a great time! If you have never gone to the National Grange Fly-In, I definitely recommend that you consider going next year.

Family Festival—Centre County —Unfortunately this was cancelled due to the COVID-19 Pandemic.

There were no fairs this year. It was hard on everyone as people kept saying to me, you must be relieved. Wayne and I didn't have the 1,200 Whoopie Pies to make or the 45 lb. barbeque and all the meat to be cooked off for Soups along with all the shopping to get all the supplies, etc., which is a lot of work; however, it is more enjoyable doing what we do for the community and the interaction we have with the community at the Food Stand.

On a brighter note, Grangers were able to do "Drive by" dinners and made out really well in some cases selling more than they would have with an inside dinner. There were also a lot of Community Service projects done by Grangers across the country. I have seen so many people willing to support their local non-profits as well as local businesses. I feel our communities have come to realize with the situation this year, how important having local businesses in your area.

I would like to thank Brittany Covey, Pennsylvania State Grange Office Secretary, for all her assistance this past year. She is a great asset to the Pennsylvania State Grange.

I would like to thank the 2020 Host Committee for inviting the Pennsylvania State Grange to hold the Annual Session in Erie, Erie County.

It is indeed an honor to serve as your Pennsylvania State Grange Secretary.

Fraternally Submitted,
Debra Campbell
Secretary

REPORT OF GATEKEEPER

Worthy Master, fellow officers and delegates of the 148th annual Pennsylvania State Grange Convention,

My year began with the annual session in State College in October 2019 which was the first State Grange convention for Aurora. In November Denae, Aurora, and I travelled to Minnesota for the annual National Grange Convention as official representatives of the 2020 National Convention in Valley Forge, Pennsylvania. We officially invited members to Valley Forge at the Celebration Banquet. This was also Aurora's first National Convention.

In December I attended three holiday events with three different Granges including, Keystone, Plumsteadville, and Elizabethtown.

January 2020 began with the Pennsylvania Farm Show and talking to the attendees at the Grange booth. We had our monthly 2020 National Session planning meeting on Zoom as well as a monthly Pennsylvania State Grange planning meeting via Zoom.

In mid-January we attended a Reading Royals hockey game with Berks County Youth and celebrated Aurora's first birthday. February was a great month for my home Grange, Keystone, where we held a Hail and Farewell event for one of our long-time members and former mayor of Trappe. This event drew in many community leaders and it was a positive to have so many dignitaries in our Grange hall. March began with a regional State Grange conference at Logan Grange which was well put together by the Lecturer's committee. This was a very informative and inspirational day spent with fellow Grange members. March is when it all began to fall apart. On March 13, Montgomery County went into lock down due to Corona virus concerns. Our Pomona and subordinate meetings were cancelled until further notice. The Mid Atlantic Regional Conference was cancelled and the remainder for the year became uncertain. The National Grange moved to online events with the weekly talent shows on Saturday evenings and the Pennsylvania Grange began weekly bingo nights. During the uncertain times the Grange persevered and moved online to fill the needs of its members. In April I held a National Grange Facebook Live event to provide updates for the upcoming National Session in Valley Forge. There was a lot of uncertainty with the pandemic and our future events. Then the annual Family Festival, Youth, and Junior camps were cancelled. Yet, the Grange persevered with a virtual Youth camp and a virtual Junior Camp where I was a "counselor" for virtual cabin 9. In August we attended the Virginville Grange 100th anniversary drive through event where we learned about the many wondrous things that Grange has done over the years. We soon found out that State and National Grange would be officer and delegates only. The 2 years of work on Valley Forge was lost but not forgotten.

REPORT OF CERES

This past year has definitely been one to remember. As I am a college student, I was sent home from school early and had to finish the semester online and was unable to have a graduation. After attending State Session in October, I was able to continue to participate and attend Elizabethtown Grange's monthly meetings. I was able to help Pioneer Grange #1777, complete their Thanksgiving Potato Filling Sale making over 600 pounds of filling. I attended Elizabethtown Grange's annual Christmas party where we celebrated the Granger of the Year Mathew Espenshade, but also celebrated another year of family, friendship and community service. Due to COVID- 19 open houses were cancelled. I was unable to attend virtual Youth and Jr camp due to completing clinicals, however I heard it was a great way to connect with each other considering the circumstances. I look forward to a great State Session in October and look forward to seeing everyone in the upcoming year, fingers crossed we can all be together soon!

REPORT OF POMONA

In my second year as State Pomona, I was unfortunately unable to attend many events due to the COVID-19 Pandemic. Despite the pandemic, I was able to attend several Grange meetings in my county before everything was shut down. I was able to attend PA State Youth Camp and PA State Junior Camp virtually, which was quite a different experience but still very enjoyable for the campers. My daughter Savannah was also a "first-time camper" at State Junior Camp. After not seeing many Grangers since January, my husband

Robert and I were very happy to attend Young Adults weekend in August near Harrisburg, PA. It was a great weekend full of fellowship with those who we missed. I look forward to this upcoming State Session in Erie, PA.

REPORT OF FLORA

2019- 2020 has been a wild year for all of us Grangers. It has been Local, County, State, and National wide. But the big picture is worldwide.

September 2019 started out really well. I was in high gear getting ready for state session. While in that mode there were many functions here in the county and our Subordinate Grange. We took care of doing the judging of Family Activities projects to birthday dinner, All Granger Banquet, selling apple dumplings, leaf clean up, and getting ready for old man winter to set it. Somewhere in the midst of all of that, came state session in Centre County. Our session went very well. Resolutions went through without a hitch. The Sixth degree, which I am responsible for went very well. I wish to thank the Flora Court ladies for volunteering to assist with me. I had a great bunch of guys and gals to help set up the 6th degree court on stage and then tear it all down that same evening. With such shortness of time and the scheduling it seems we never have proper time to do some of the things that need done respectfully. However, we did take in 29 new Sixth degree candidates. This is the most since I have been State Flora. What a fulfilling feeling to see them get their rose and become one of us. Well done volunteers!!!

As the months after state session started to fly by, November, December, January, and February were all times to regroup and do your projects for Family Activities over the winter. However, to my dismay, I found myself going into the northwest corner of the state to help direct the correct way to close a Grange. Of course there were a lot of stumbling blocks to this one. I went from Warren Co. and to Crawford Co. a few times hoping each trip would be my last. But, by mid-March and the virus pandemic hit we were now doing much of this work from home. We were self-quarantined.

April came and we were on the move a little bit and back to Crawford Co. I went. Rundell's Grange had finally sold their building. Wow, that is one off of the list. Now we are on the road to Warren Co. again to see what happened to Brokenstraw Grange. Oh my, to my surprise they shut the building and left and it was a mess. I was with my husband who was in the lead on this one, we started taking stuff out of the building to sell because the neighbor was going to buy it. Wow, again that was great. From then we turned it over to our State President Wayne, who took over and got that deal closed. I hope I do not ever see that happen to another Grange Hall. It was depressing to see what was left after so many young people were excited to get it going in the community, but to many other things got in their way and Grange energy was no longer there.

Now COVID-19 hits us full force. We are basically on lock down in the state. I made it through the rest of winter keeping busy making things of the Grange to give for community service. I helped Dick on three much needed done projects amid my sewing articles for community service. I crocheted afghans, made two quilts, and a whole lot of wheelchair bags for nursing homes. Spring came and I got outside to do clean up after winter and it really felt good. Now we are moving into summer and our Grange is still not meeting because of the state mandates. Not much has changed this summer and August is here and still no Grange meetings. However, we have been doing things over the phone and keeping the people aware of what is happening. Now it is time to plan for state session. Well, it won't be like we are used to. A short version is being planned, I am looking forward to seeing some of you and doing some real business. Till then I will

pray that you all have been healthy and strong. We will get back to reality someday. I have learned a lot over this time and as my doctor quoted to me recently, “wear the masks” “it will not hurt you and it just may save your life.” Stay well.

Fraternally yours,
Virginia Mangel

REPORT OF THE DEAF & COMMUNITY SERVICES COMMITTEE

Worthy State Master, State Officers and Delegates: What a year this has been! I would like to thank all the officers and staff at the State Grange Office for their continued support during these unprecedented times. I would also like to thank my committee of Samantha Gourley Charms, Jimmy Knoerdel, Judy Shupp, Ruth Vonada, and Grace Wadsworth Stauffer for their work, ideas, and support.

Last year at State Grange Session we collected items for Centre Safe: Empowering Survivors, Eliminating Violence, formerly known as the Centre County Women’s Resource Center (CCWRC) and the State College Food Bank. We had a heaping table full of donations, so thank you to all of the Granges or individuals who supported these collections. We also sent a check for \$250.00 to the State College Food Bank from the Sunday morning church service offering.

We also had the book, CD and DVD sale at State Grange session. We raised \$61.75. Money from this will be donated to Dogs for Better Lives. In addition, money from the offering (\$206.00) was added to this amount and the committee added in another \$32.25 to have a total monetary donation of \$300.00 going to Dogs for Better Lives this year.

In preparation for the Regional meetings this spring, the Community Service Committee decided to create a project to make appreciation bags for police officers or other community heroes. The initial goal was to do 200 bags at each conference. Due to the inconveniences of COVID-19 pandemic, as you know, we only were able to complete one regional meeting in early March. Ellen Wadsworth and Betsy Huber helped in completing bags and delivered them to Jennersville Hospital. Later in the summer, some youth and young adults assembled over 400 bags. These bags were dispersed across the southern and eastern side of Pennsylvania to community heroes.

In May the National Grange announced the Operation Graduation project. Following in their footsteps, we collected names of graduates from across Pennsylvania. We had 36 names that were gathered from juniors graduating Pre-K to adults graduating from certification programs and college degrees. Each graduate received a note and gift card to celebrate in a socially distanced manner.

This year was definitely not what we expected and it was disappointing not being able to complete all that we had planned. However, I know many wonderful things happened in your communities. Between members making face masks to Granges providing meals for essential staff, it was clear that you all were able to continue to make a difference in your communities.

As always, thank you to the Granges that have submitted their report form. In order to receive money from National Grange, 25% of our Granges must complete and submit a report. So please be sure that your Grange is submitting these much-needed reports each year. Although the books some create are absolutely wonderful, all I really need is the report. I encourage you to complete a book, but strongly ask that these reports are submitted. Thank you to all of those that have done so!

Please be reminded that I would like you to e-mail pagrange.dacs@gmail.com when your Grange completes community projects. We will post your projects on Facebook. This allows others around the state (and nation) to see the work you have done and get ideas for more community service projects.

If you have any suggestions for state-wide projects that we can do, please reach out to a member of the committee. Again, I would like to thank everyone for their support. I would especially like to thank my committee and the state office for their help. Without all of them, I would not be able to do this.

Lastly, I have gone back to school to further my education and want to ensure that I am able to focus on my studies. With this change, I will be moving out of the role as Director of the Community Service and Deaf Activities Department. It has been a pleasure serving the Pennsylvania State Grange in this capacity. I look forward to assisting when able and continuing to take part in future community service projects.

Fraternally yours,
Gail Switzer, Director

REPORT OF THE FAMILY ACTIVITIES COMMITTEE

Worthy State Master, Worthy State Officers and Brothers and Sisters of the Grange. I would like to report that my committee and I had a great year. This is my fourth year as Director, I hope you found that things were better organized. Committee members are available to answer your questions, see contact information in the State Grange Directory.

On September 12, 2019 the Family Activities Department sent a letter to the State Master and Executive Committee asking if we could hold another quilt raffle. Family Activities was given permission to again have another quilt raffle. The committee and I will discuss new food contest for 2020 and new contests for 2021.

We will get the new small games of chance number for the tickets from the State Master, so tickets will be back before the Farm show in January. This year we sold 637 tickets at the Farm Show which was a very good start on ticket sales.

The theme for Family Fest was, "Survival on Grange Island". We were organizing the Family Activities dinner with youth on Friday night, getting the tour setup, and all of the good workshops we are going to have.

Then our Days went dark, we were told to stay at home everything was shut down, you work from home, kids did their school from home online. Everything was getting cancelled, all the events, fairs, dinners, vacations, camping trips, proms, graduations, baseball and football.

No Ag Progress Days this year, dates were August 11, 12, 13, it was online if anyone watched, but it was just not the same. Some things are coming back slowly just to stay safe and healthy. Let's think good thoughts for everything to be back next year.

Tickets had to be returned to me by October 3rd so we can draw tickets before State session, "WHY" you are asking? The State Master called me with a letter he received in the mail, stating the small games of chance number that the county it was from, ALL tickets must be drawn in that county. That is why tickets need to be back by the time we need them, we will be going to the State office to draw tickets so I hope everyone bought their tickets before the State session, as we will have no tickets to sell.

Merle and I were delegates for Centre County, Subordinate Grange Baileyville #1991. We set up two Quilts in the back of the room on one of the tables we were given to sit at. On one corner was the 2020 quilt for this year the other corner was next year's Quilt 2021 "Remember Me" and in the middle we laid the new quilt block pattern for 2021 "Purple Envelope" shades of purple and also the new 2021 Contest papers.

Family Activities had gotten a total of 19 prizes this year. Thank You for All the Sisters, Brothers and Granges that donated the prizes for this year's raffle.

2020 FAMILY ACTIVITIES WINNERS WERE—

1. Quilt – Kelli Briggs, Avella, PA
2. Christmas Door Hanger – Bobbi Jo Solley, Edinburg, PA
3. Fall Door Hanger – Central Grange #1216

REPORT OF THE JUNIOR GRANGE COMMITTEE

Dear Worthy President, State Officers, Delegates and Guests,

Greetings and Welcome to the 2020 Pennsylvania Grange State Session! I am going to echo many others when I comment on this past year and what did, or did not happen! There are lessons we have learned this year and perhaps the biggest one is to know that things can come to a screeching halt and turn things upside down for a while, but a good attitude, perseverance and faith will get us through! Although things were very different this year for the Junior Department, we were still able to do a few events and keep a few traditions alive, even if they were altered a bit. I could type paragraphs of the disappointment we've all had. I could share the sadness that we all felt when activities were cancelled. But that is not the way the Juniors operate. It's not the way Grangers operate, period. We look for the good. We find the positive. We make a few changes. We implore the help from others. We think outside the box and we keep marching forward. That is how I saw the year 2020 and how the Grange and the Junior members took on the roadblocks. My report will be shorter than in years past, but it is still full of passion for our Juniors, Faith in our future and love for all who support our youngest members.

Here are the details of our altered Junior Grange activities for 2020....

PA FARM SHOW: In early January, the Pennsylvania Farm Show comes to life in Harrisburg and all things Agriculture shines bright for a week. The Junior Grange Royalty always participates by attending the Opening Ceremony and helping in the Grange Booth. PA State Junior Grange Princess, Elisabeth Reich and PA State JG Prince, Bryce Danko represented the PA Juniors proudly during the Farm Show. They enjoyed the PA Preferred Reception on Friday evening. It was a chance to meet other commodities and PA dignitaries. It is also a great photo opportunity. On Saturday morning, Elisabeth and Bryce were part of the opening ceremony with the Youth Grange Ambassadors. They both enjoyed their time in the spotlight before heading "to work" in the various booths. Elisabeth is a Junior Member of Valley Grange #1360 who run the famous milkshake booths. She was on duty throughout the week working alongside her family and other Grange friends. Bryce was in and out of the Pennsylvania State Grange Booth throughout the week helping his grandparents, Wayne & Deb Campbell, as well as representing the Grange as a young member.

Royalty Trip – Did not take place.

PA County & State Camps -Berks and Beaver County did not hold their camps this year.

The 2020 PA Junior Grange State Camp DID happen - - - VIRTUALLY! Thank goodness for technology and young people who embrace it all. When the decision was made to not hold camp in the normal way, I quickly turned my energy to how we can still have a camp for the Juniors. After consulting on a few ideas with my Junior Grange Committee, I set up an online registration to see how many would be interested. I was overwhelmed with the response. It wasn't long before I had over 35 Juniors signed up to attend a Virtual Camp. That number grew until it reached 79!! That is the most campers we have had in a very long time. I was very happy. There were also 18 Counselors who signed up to assist in the Virtual JG Camp. In the end, only 70 Juniors were able to participate in camp.

Camp began with a Facebook LIVE video from Log Cabin Grange located in Crawford County. One of my Committee members, Suann Johnson and her daughter Sadie along with my husband and I drove up on Sunday and were greeted by Ginny Straub, Joel & Christie Straub and their son Sawyer. They had a small campfire ready for us to cook some S'mores. Several of the Perseghetti children (who are members of Log Cabin Grange) arrived and helped to kick off the week of camp. Ginny Straub shared a Vesper Service and used her famous cookies as props and subject for her words of faith. The rest of the camp week consisted of Morning Emails with Daily Activities consisting of Crafts, Science Experiments, Cooking class and Community Service ideas. There were morning videos of a few Grange families providing the Flag Presentation and Pledge of Allegiance. Thank you to the Zug/Long Families, Reyburn family, Kehs Family, Patton Family for providing those videos. Each evening were events that the Campers could tune into to watch and participate in. On Monday, there was a camp song sing-a-long with Jen Beamon and Gail Switzer leading the way. Tuesday, we had a Fun Trivia Night with Committee member Tina Reich helping. Wednesday was Bingo Night and committee member Suann Johnson did the calling. On Thursday we had a Talent Night and 12 Juniors shared their musical, vocal or other talent with all of us who tuned in to watch. Friday Night we had a special video, a special Vesper service and we ended the night with Philip Vonada singing "Pass It On", a camp tradition on the last night. Saturday, we shared another Camp video created by Lindsay Schroeder.

It was decided to NOT have the PA Junior Grange Prince or Princess Contest this year. We felt that they would miss out on so many of the fun and education events that the Royalty would normally participate in throughout their reign. The new Royalty would miss out on Family Festival, the many Fairs that they can visit, State Session (including Junior Jam), and the Farm Show 2021; just to name a few. We look forward and we are hopeful that we can have the contest in 2021. The current Royalty of Elisabeth and Bryce will continue until then.

FAMILY FESTIVAL – Did not take place.

Other Junior Grange news since the last Journal of Proceedings would be a new Jr Grange Committee member. I am happy to have Mrs. Tina Reich from Valley Grange #1360 as part of the crew. She has been a Grange member for several years and has 3 children who are enjoying the life as a Junior member. Her oldest daughter is the current PA Junior Grange Princess, Elisabeth Reich. I am happy to have the energy, ideas and passion that Tina shares with the group and with the Juniors.

On a sad note – I have a committee member who will be leaving the Group as of State Session but plans on still "helping out" whenever possible. Mr. Derek Schroeder has been on the Jr Grange Committee since I began this journey. He has been a wealth of knowledge to me and has given me so many insights on how to better myself and the position as JG Director. Derek has always offered to look at "the other side" of the situations and has been able to help the program move forward in many ways. I am going to miss his sense of humor (even though I don't always get it) and his willingness to do ANYTHING for the Juniors. He is a

Grange member who embodies all things Grange and is a wealth of knowledge, talent and gifts (even if he doesn't think he has them). Thank you, Derek, for your service on the Junior Grange Committee!

In closing... There is one group of people I have not mentioned directly or thanked and that would be the JUNIORS themselves! Pennsylvania is blessed to have a great group of Junior Grange members who are excited to learn more about our organization and build strong life-long friendships while doing it.

I love each and every one of you and can't wait to see what the year 2021 brings to the Junior Program! Let's hope it is not virtual and we can hold all of our events in person!! Fingers crossed!!

REPORT OF THE YOUTH & YOUNG ADULTS COMMITTEE

Worthy Master, National Officers, State Officers, Delegates and Guests: I don't even know how to begin to describe this past year. Never in my wildest dreams did I think I would live in a time where the whole country willingly shut down, travel stopped, people stayed home, and all because of an invisible virus. It still makes me wonder even now if people learned what is really important, how to talk with each other, and how important family is.

First, thank you to all of the Granges who sent in appeal money to the Youth and Young Adults Department. Even though our programming was severely reduced this year, your donations made it possible to do some different things over the year. We truly appreciate your kindness and generosity in a year where you may not have been able to fundraise or do activities yourself but yet you still donated to support the youth. We thank you from the bottom of our hearts!

2019 NATIONAL GRANGE SESSION

The youth of Pennsylvania started the year on a great note, beginning with the 2019 National Grange Session in Minneapolis, Minnesota. The following Pennsylvania youth participated in the National Youth Ambassador and the Outstanding Young Patron contests – Jodi Keith Kensinger. Lindsay Schroeder and Jodi Kensinger represented the Mid-Atlantic Region and Pennsylvania in the Youth Contest of Grange Baseball. Jodi Kensinger competed in the Code Reading contest this session. She placed 2nd in the Novice category. In addition, Lindsay Schroeder served the National Grange Session as photographer and Philip Vonada as one of the Communications Fellows during National Session. Jennifer Beamon represented Pennsylvania in the Evening of Excellence with her vocal talent. Youth and Young Adult attendance was lower this year than in the past, primarily because Pennsylvania was to host the National Grange Session in November 2020 and our Youth and Young Adults are/were heavily involved in the planning and planned execution of the event. Even though our numbers were few, Pennsylvania was well represented and we all can take pride in the accomplishments of these great youth and young adults!

FARM SHOW 2020

In January the Youth Ambassadors, Isabella Boone and Josh Mengel, and Outstanding Young Patrons, Derek Snyder and Braden Gourley attended the PA Preferred Reception on Friday evening and participated in the Opening Ceremonies with Braden Gourley giving the Time for Remembrance. For the rest of the afternoon the youth helped with the Grange booth and enjoyed the Farm Show activities.

YOUTH COMMITTEE PLANNING MEETING

The Youth and Young Adults Committee met at the end of January for an intense planning session. The committee brainstormed lots of great new ideas that would set 2020 apart in the record books. Unfortunately, due to the events of the COVID-19 Pandemic, the majority of those great plans are being pushed a year and will be introduced in 2021. Stay tuned!

PA REGIONAL LEADERSHIP MEETINGS

The PA State Lecturer organized three regional leadership meetings across the state throughout the Spring of 2020. Fortunately, one of those Leadership Conferences was able to take place on March 7th. The Youth Director and Lecturer co-hosted a workshop during this leadership conference on ways that we make our Granges unhospitable (sometimes unintentionally) and ways to make our Granges hospitable. Unfortunately, the other two conferences to be held later in the spring were cancelled.

MID-ATLANTIC LEADERS CONFERENCE

The Mid-Atlantic Leaders Conference (MALC) was to be held in New Jersey, March 2020. For the Youth Department, it was the first casualty of COVID-19 Pandemic. Potomac #1 in Washington DC will be hosting

the MALC in 2021 and I hope to see many more youth, young adults, young couples, and Grangers of all ages at this great leadership weekend. Remember, you don't have to be competing in a contest to attend.

YOUNG ADULTS WEEKEND

2020 saw our 5th Annual Young Adults weekend. This event was planned for the older youth from ages 21-35. The committee planned a weekend full of fun and fellowship, however the weekend was postponed until late August and was much smaller and lower key than usual. We are looking for prospective locations for the 6th Annual Young Adults weekend in 2021. Look for more information on this event and many more across the state in the coming year.

ROYALTY TRIP

How sad it was to cancel the Royalty Trip and annual excursion to Hershey Park this year because of the COVID-19 Pandemic. Happily, though, we do plan to go to the "Happiest Place on Earth" in 2021 with this same group of royalty.

PENNSYLVANIA STATE GRANGE YOUTH CAMP

Pennsylvania State Grange Youth Camp could have been another casualty of COVID-19 Pandemic, however we planned two nights of virtual youth camp activities instead. Over 20 youth and young adults connected through Zoom each night. The youth and young adults participated in games, such as Trivia and Scavenger Hunts, learned some of the program updates and basically had a chance to visit with other youth online. As the decision to cancel in-person Youth Camp was made, we also decided to ask the current Youth Ambassadors and Young Patrons to continue in their honored position for another year. With the COVID-19 Pandemic closing many locations and cancelling many events, the Youth Ambassadors and Young Patrons would have missed out on half of their year of events. The Olympics 2020 theme for Youth Camp is now pushed to be the theme for Youth Camp 2021 and so are the real Olympics.

FAMILY FESTIVAL

Wait until you see what is in store for Family Festival 2021 from the Youth Department!!

PAINT NIGHT WITH THE YOUTH AND LECTURERS COMMITTEE

One of the virtual events held this year was a Paint Night on Zoom. The Lecturers Committee and Youth Committee co-hosted and conducted a virtual Paint Night. Over 30 individuals from across the country connected via Zoom and followed along as our Paint instructor led us to paint a sunflower on a canvas. Everyone enjoyed the event and the chance to do something different with friends. We will be planning another Paint Night in the fall.

YOUTH FAMILY PICNIC

Our annual picnic was cancelled due to the COVID-19 Pandemic restrictions. We will return to holding our annual Youth and Young Adults Free Family Picnic in 2021.

STATE GRANGE SESSION

Sadly, there will be no Youth Officer Team this year at State Grange Session in Erie, PA. There will also be no in person contests. Instead, we have moved our popular Public Speaking contest online. The deadline to register is October 1st and the competition will be held virtually on 10 October. The contests that will be held virtually this year include: Public Speaking (all categories), Folding Display (now Grange Display) contest, Create a Button contest, and Grange Commercial Contest. The contests that will not be held in 2020 include: Start with a Cake Mix, Cupcake Decorating, Scrapbook Page, Recycled Craft, and Building Block Creation.

APPRECIATION

Thank you to my family and the awesome Youth Committee as our great plans for the year needed to be swiftly halted and changed to virtual events. You all were troopers and remained extremely flexible through all of the adjustments! The Youth Committee includes—

Lindsay Schroeder
Matt Irons
Robert and Jennifer Beamon
Youth Ambassadors – Isabella Boone and Joshua Mengel (July 2019 – present)
Young Patrons – Derek Snyder and Braden Gourley (July 2019 – present)

In closing, a sincere thank you to each of you for your generous support of the Youth and Young Adults program over this past year. Our youth and young adult members are very special, they are the future of the Grange and are motivated and excited to be involved and working toward a common goal. You don't have to look far to see this excitement in action. Take a look around at the individuals involved at all levels of the Grange in Pennsylvania. Are there ways that you could involve the youth in your area? I would encourage you to involve the youth of your Subordinate and Pomona Granges – allow them to serve as officers, on committees, presenting programs, or assisting with community service and fundraising projects. They might just be waiting for you to ask.

Fraternally,
Ellen M. Wadsworth
Pennsylvania State Grange Youth and Young Adults Director

REPORT OF THE PA STATE GRANGE FOUNDATION

In 1994, at the State Session in Warren, Pennsylvania, the Pennsylvania State Grange Foundation was formed by delegate action. The main purpose of the Foundation then was to administer the two Grange scholarship funds established by delegate action. The Foundation has been amended twice since then to broaden its scope.

The Deaf & Community Service Department and the Pennsylvania State Grange Executive Committee oversee the Sign Language Training Program Scholarship Fund, from which a grant of \$250 is available each year. The balance of this fund as of June 30, 2020 is \$1,281.94. In 2020, we had no applications for this scholarship. We encourage anyone interested in furthering their education in this area to apply for a grant.

Also included within the funds of the Foundation is the Jonathan Sattazahn Camp Fund. The purpose of this fund is to enable more children and youth to attend the Pennsylvania State Grange Junior and Youth Camps. The balance of this fund as of June 30, 2020 is \$9,900.13.

The Pennsylvania Grange Scholarship Fund provides for grants to be given to Grange members in their Junior or Senior years at any institution of higher learning, for any course of study. The State Grange Executive committee administers the funds and the State Grange Treasurer invests the funds. A scholarship committee comprised of the State Overseer, one Executive Committee member, and three additional Grange members, at least one of whom is an educator, select the grantees. The balance in this fund as of June 30, 2020 is \$86,039.55 which includes the \$1,281.94 of the Sign Language Training Programs Scholarship Fund. The winners of this year's scholarships were –

Hannah Leibensperger, Pioneer Grange #1777, Berks County – \$500.00
Dori Kralj, Scrubgrass Grange #1705, Venango County – \$500.00
Maria Schall, Banner Grange #1115, Cambria County – \$500.00
Grace Wadsworth, Goshen Grange #121, Chester County -- \$500.00

Congratulations to our fellow Grangers.

A unique aspect of the Grange Scholarship Fund is that only interest earned may be used for scholarships each year. Therefore, the greater the principal, the more grants we are able to award.

A contribution can be made by sending a check to the Pennsylvania State Grange Office, made out to "Pennsylvania Grange Foundation Donation." Any amount is welcome!

During last fiscal year, it was decided to set up the opportunity to donate to the Friends of Eagle Grange, Quilt Blocks at the Farm Show and the RULE program.

We encourage all Granges and members to consider donating to the fund now, or leaving a bequest in your will to the Pennsylvania Grange Foundation. Thank you for your support of this extremely important and worthwhile endeavor that enhances the educational opportunities for our members.

JV Lamb, Chairperson
Pennsylvania State Grange Foundation

REPORT OF THE HISTORY COMMITTEE

Executive Summary

During the past year the History Committee completed microfilming (for permanent preservation) and digitizing (for easy access on the internet) important historical documents of the Pennsylvania State Grange. One of the unexpected results of the COVID-19 Pandemic was the extra time it afforded to the several committee members responsible for posting – one by one - all the digitized records on the State Grange website. Going forward, only newly generated documents will need to be filmed.

Two other areas of committee work continued to receive enthusiastic attention during the year. Many patrons supported the work, both financially and with volunteer labor, to renew the Eagle Grange Hall near Montgomery, PA as our Grange #1 approaches its 150th birthday in 2021. That anniversary milestone will be the kick-off for the State Grange's sesquicentennial celebration extending from 2021 through 2023. COVID did restrict travel plans to continue video interviews with Grange leaders, but resuming this recording of oral histories will be done again just as soon as circumstances permit.

Records Preservation

Major accomplishments in records preservation include:

- Completed the final phase of work to microfilm/digitize State Grange documents with IMR Digital - Executive Committee minutes, officer registers/directories and historical publications written for the State Grange's 50th, 75th, 100th and 125th anniversaries
- Completed posting of Phase 3 documents to State Grange website in PDF format; visit <http://www.pagrange.org/history-committee.html>
- Updated on a regular basis the Charter Ledgers of all 2,111 Subordinate and 73 Pomona Granges organized in the state from 1871-present; available on the website in multiple formats (by Grange number, by county, by active Granges and by inactive Granges)

Renewal of Pennsylvania's First Grange

Substantial progress was made during the year with the renewal of Eagle Grange #1 in Lycoming County. Generous financial contributions from both individuals and other Granges plus the proceeds from the sale of some Grange owned real estate enabled the nearly \$40,000 renovation of the first floor so, for the first time since its opening in 1888, the Eagle Grange Hall is now handicapped accessible. Work completed with a combination of volunteer and contracted labor included: painting, new flooring, two larger restrooms, interior and external emergency lights, LED conversion of ceiling lights, new kitchen equipment, an ADA-

compliant entrance ramp, exterior landscaping and designated handicap parking space. Pictures of the work in progress and the finished result can be found at: <http://www.pagrang.org/pennsylvanias-first-grange---eagle-1.html>. Future goals include the replacement of more kitchen equipment, renovation of the second floor and possible installation of new HVAC systems.

Simultaneous with the property improvements, Eagle Grange has embarked on an ambitious schedule of educational programs, community service and fund-raising projects to raise its recognition in the local community. Growing the Grange is our ultimate goal!

Sesquicentennial Observance

As reported last year, the History Committee was appointed by our president to provide leadership for the observance of the State Grange's 150th anniversary. Many hours of meetings, some in-person and later by Zoom, were held to brainstorm possibilities for celebrating this significant milestone. Preliminary plans now include:

- **Kick-Off – Saturday, April 17, 2021**
 - **Open House/Brunch at Eagle Grange #1, Montgomery** – 10 am-1 pm
 - **Luncheon at Country Cupboard Restaurant & Shoppes, Lewisburg** – 1:30 pm with motivational speaker, "Passing the Grange Light" ceremony, recognition of Pennsylvania inductees into the National Grange Hall of Fame
- **Light the Cake** – fund raiser seeking 150 persons or Granges to purchase one of the candles on the State Grange's birthday cake
- **150 Acts of Service** – extraordinary service projects in every corner of Pennsylvania
- **Degree Exemplifications in full form** – first and second degrees in 2021; third and fourth degrees in 2022, fifth and sixth degrees in 2023 (first four degrees' dependent on volunteers coming forth)
- **Sponsorships by Granges, individuals and companies** – A very special thank you to Perry Valley Grange #1804, Perry County, for becoming our very first Diamond (\$5,000) Sponsor!
- **Extended state session in Reading** – October 2023 including an anniversary banquet, historical pageant and conferrals of the Fifth & Sixth Degrees in full form

At last year's state session, the delegates adopted a resolution that removed the 2023 session from the usual hosting rotation by regions of the state and made this anniversary session the responsibility of all Granges. A major concern is raising the \$20,000+ estimated costs to fund the preliminary plans above. Our "Light the Cake" fund raiser was planned to be completed by the time of the 2020 session in Erie, but COVID-19 has delayed progress on selling all 150 candles. We ask that every Grange to support our fund-raising goals.

Pomona Grange presidents are being contacted with a request to appoint a Pomona coordinator for the anniversary. Communications from the State Grange will be directed to these coordinators with specific goals to get local Grangers involved. An important link in the chain of communications between the State and Pomona Granges will be the following regional anniversary coordinators:

- **Northwest Region** (*Granges in Crawford, Erie, Forest, Jefferson, Lawrence, Mercer, Venango, and Warren Counties*) – Kelly VanOrd; kvanord@verizon.net; 814-484-7295
- **Northcentral Region** (*Granges in Centre, Clearfield, Lycoming, Montour, Potter and Tioga Counties*) – Cheryl Miller; miller.cheryl39@yahoo.com; 814-355-1139
- **Northeast Region** (*Granges in Bradford, Carbon, Lehigh, Luzerne, Northampton, Susquehanna, Wayne and Wyoming Counties*) – Penny Carpenetti; bpcarpy@icloud.com; 570-878-4244
- **Southwest Region** (*Granges in Allegheny, Armstrong, Beaver, Butler, Fayette, Greene, Washington and Westmoreland Counties*) – Janet Fishovitz; jfishovitz@gmail.com; 724-494-5472

- **Southcentral Region** (*Granges in Bedford, Blair, Cambria, Cumberland, Huntingdon, Juniata, Perry, Somerset and York Counties*) – Krista Pontius; kpontius@greenwoodsd.org; 717-385-6015
- **Southeast Region** (*Granges in Berks, Bucks, Chester, Dauphin, Lancaster, Lebanon, and Montgomery Counties*) – Gene & Denae Zvarick; gazvarick@yahoo.com; 484-663-3219

Miscellaneous On-Going Work

- Continue work to sort records, regalia, implements, etc. received at state office from closed Granges
- Expand the number of recorded oral history interviews with Grange leaders
- Continue work on details of 150th anniversary activities and the 2023 State Grange Session
- Encourage active Pomona and Subordinate Granges to consider having their records microfilmed
- Encourage more Granges to make use of the Grange History PowerPoint program available at no charge; speakers from the History Committee are also available

Thank you for supporting the History Committee's work so the Grange story is not lost nor forgotten.

REPORT OF THE LEGISLATIVE CONSULTANT

Following are some of the highlights of Pennsylvania State Grange lobbying and advocacy for the 2019–2020 legislative session. It includes November 2019 through August 2020 following the State Session in October 2019. This report does not contain new issues added after August 24, 2020, testimony or comments to various committees such as House Agriculture & Rural Affairs Committee, House Consumer Affairs Committee, House Commerce Committee, Senate Communications & Technology Committee, etc.

LEGISLATION ON WHICH THE PENNSYLVANIA STATE GRANGE LOBBIED

AGRICULTURAL EDUCATION

- Submitted testimony to the House and Senate Education Committees on the need to expand Broadband since students will be forced to learn remotely due to COVID-19.
- Supports HB 393 and HB 394 to establish online job resources for those seeking agricultural jobs as long as PDA has a formal seat at the table.

AGRITOURISM (see RIGHT TO FARM)

- Supports HB 1348 that provides limited liability to farms engaging in agritourism or agri-entertainment. Pennsylvania State Grange was able to attract other agricultural groups to join in support of this bill.
- Supports HB 1037 and SB 453 allowing for wedding barns to be exempted from the Uniform Construction Code.

BROADBAND

- Supported SR 47 directing the PA Joint State Legislative Commission to report to the General Assembly on policy options to bring about universal access to Broadband. ***NOTE: Pennsylvania State Grange was the only member-based farm organization to sit on the Advisory Committee preparing the Broadband Report released summer 2020. (adopted by the Senate)***

- Supports HB 2055 which gives municipalities the ability to become their own Internet Service Provider (ISP) if telecom companies are too slow in expanding high-speed Broadband to them.
- Supports SB 1118 and HB 2438 which make it easier for rural electric cooperatives to upgrade existing electrical lines to provide Broadband services, submitted testimony.
- Supports HB 2348 which converts an existing telecommunications tax credit to a matching fund program for Broadband expansion.
- Advocates minimal cell phone fee on cell phones similar to the 911 Fee on land line telephones as a way to provide funds for Broadband expansion. Legislation not yet introduced.
- Supports HB 1400 which eases obstacles for installation of small cell facilities on utility poles; submitted testimony to the House Consumer Affairs Committee.
- Supports HB 305 Inventory of state properties to see where there can be a cellular add-on in rural areas (such as fire towers).
- Broadband access was the top legislative priority for Pennsylvania State Grange. In January 2020, we held our third annual Broadband program at the Farm Show which attracted a crowd and considerable media attention.
- Working to get legislators to join the PA House Broadband Caucus.

NOTE on Broadband:

Although a good track record, this is just the continuation toward our efforts to make sure there is universal access to Broadband in Pennsylvania. The Broadband issue is to this century as Rural Electrification was to the 20th Century. Not succeeding means that rural Pennsylvanians will be second-class citizens without the advantages going to others in today's ever more technology-oriented world.

CAMPGROUNDS

- Supported SB 863 that gives campgrounds equal rights as hotels do when it comes to dealing with abusive customers. **NOTE: Pennsylvania State Grange worked with the Campground Owners Association of PA.** (now state law)

COVID-19 CRISIS

- Supported SB 841 that gave auto dealers the ability to use remote notarization during the COVID-19 state of emergency. (now state law)
- Supports SB 1097 and HB 1822 to make the remote notarization legal permanently. **NOTE: Auto dealers were put at a disadvantage with other states, losing sales because other states could remotely notarize auto purchase documents while PA auto dealers could not.**
- Supported numbers of bills that would have allowed early reopening of certain industries like garden centers, realtors, auto dealers, etc. Some of these were vetoed. Grange did work for an unsuccessful veto override on HB 2388 (allow auto dealers waived from business shut-down).

DAIRY

- Pennsylvania State Grange was represented on the PA Dairy Future Commission by member Dina Zug. She chaired the Markets subcommittee in this far-reaching report issued summer 2020.
- Supports HB 1223 that would create Keystone Dairy Opportunity Zones to attract regional investment in dairy processing facilities.
- Supports HB 1224 which seeks to expand PA's ability to charge premium to milk coming into PA.
- Supported HB 915 on milk hauling during emergency (and SB 588). (HB 915 was vetoed by the Governor.)
- Testified for continuance of PA Milk Marketing Board (PMMB) over-order premium

DELAWARE RIVER BASIN COMMISSION

- Opposes the Delaware River Basin Commission's overstepping their authority by proposing a regulation banning fracking in northeast PA, ignoring established PA state law. **NOTE: Act 13 which already regulates natural gas development. The Delaware River Basin Commission seeks to ban any fracking in northeast PA. This should NOT be construed as a position on fracking. Rather, it is whether PA law can simply be ignored.**
- Supports HB 829 which prohibits Delaware River Basin Commission from regulating on-lot septic systems since those are already regulated by the Dept. of Environmental Protection.

ENVIRONMENT (see STATE BORROWING)

- Opposes cap and trade legislation and specifically Governor Wolf's executive decision to include PA in the Regional Greenhouse Gas Initiative (RGGI) which would have the power to punish PA energy generators.

FAIRS

- Supports SB 1182 that would mandate continued disbursements to County Fairs despite their forced closure due to COVID-19.

FEDERAL

- Urged USDA to allow whole milk as part of the Nutrition Guidelines and contacted PA congress people re the same.
- Contacted PA Senators regarding agriculture research funding in legislation before the U.S. Senate.
- Contacted PA congressional delegation to urge ratification of the US-Mexico-Canada Trade Agreement.
- Met with U.S. Senator Casey staff re Broadband funding
- Met with USDA Rural Development Director re Broadband funding.
- Researched Federal aid to farmers for milk dumping due to COVID-19.

GUN CONTROL

- Opposes HB 2344 regarding ammunition purchase restrictions

HEALTH

- Opposes HB 2352 that would establish the False Claims Act in PA. **NOTE: Because the bill still punishes anyone who makes an unintentional mistake in a contract with the state and corrects, it, the Pennsylvania State Grange holds that rural hospitals and managed care companies having Medicaid contracts would be unfairly fined.**
- Supports SB 857 and HB 2454 that would regulate Telemedicine as an importance resource to rural PA – providing that attention is paid to expanding access to high-speed Broadband.
- Informed sponsor of support of HB 2105 to mandate insurance coverage for hearing aids.
- Supported amendment to HB 2543 dealing with adequate personal protective devices for nursing home staff.
- Supports HB 1862 and SB 822 which prohibit surprise billing.

HUNGER

- Advocated doubling the PASS line item in the State Budget. This program provides fresh farm products to food banks in PA.
- At PDA request, contacted PA congressional delegation to support continuance of USDA waiver on some documentation for people to receive COVID-19 emergency food aid (TEFAP).
- Supports HR 872 which encourages food donations to food banks.

HUNTING

- Opposed SB 147 and was the only farm group which consistently opposed Sunday hunting. (Enacted into law despite Grange opposition)
- Supported HB 102 requiring school space for after-hours hunting training (now law)
- Unsuccessfully advanced the case that the Legislative Budget & Finance Committee should study the reasons for the decline in hunting licenses. Pennsylvania State Grange drafted legislation but it was not introduced.

JUDICIAL (TORT) REFORM (see Agritourism)

- Supports SB 1239 liability protection for businesses reopening after the COVID-19 shutdown; signed onto coalition letter to legislators

MARCELLUS SHALE ROYALTIES

- Advocated adoption of amendments to HB 247 that would require natural gas companies to give property owners the royalties specified in state law.

MEDIA LEGISLATION

- Opposes HB 355 which would give municipalities the option of posting legal notices on line instead of placing ads in newspaper. **NOTE: The Grange worked with PA newspapers association on this bill.**

PROPERTY TAXES

- Supports legislation to exempt “historic agricultural buildings” from local property taxes. **NOTE: Drafted alternate property tax exemption bill for Grange halls – drafted but not introduced.**

RETIREMENT

- Opposes HB 2021 and SB 862 that would establish a state retirement plan for small businesses. **NOTE: It would mandatory for small businesses to participate. Employees would be automatically enrolled with premiums coming out of their paychecks although they could opt-out but the onus is on them to do so.**

RIGHT TO FARM

- Supports HB 2093 which curtails unreasonable municipal restrictions on agritourism.

SEPTIC SYSTEMS

- Supported SB 1030 allowing property owners to have access to new (called) alternate septic systems **NOTE: DEP estimates that 26% of PA homes have septic systems.** (now state law)

STATE BUDGET

- Supports increased PDA budget. (now state law.)
- Worked to restore PDA line items such as hardwoods, ag research, ag exports & marketing, etc. that were cut in the Governor’s 2020 State Budget proposal. (now state law.)
- Supported increased funding for Penn State College of Agricultural Sciences and Penn State Extension. **NOTE: enacted state law continues funding at current level.**
- Support continued funding for University of PA School of Veterinary Medicine. (now state law.)

STATE BUDGET BORROWING

- Opposes Governor Wolf’s plan to deplete \$204 million in assets of the PA Racehorse Development Fund to create a scholarship program.

- Opposes Governor Wolf's Restore PA plan (HB 1585 and SB 725) which would borrow \$4.5 billion and repay the loan by a severance tax on natural gas extraction. **NOTE: Grange opposed because that assumes an adequate revenue stream to pay back the loan and the fact that Restore PA was misrepresented as solving the Broadband issue when it would be divided to fund a dozen different types of projects.**
- Registered opposition to the November 2019 taking of \$43 million from five Special (dedicated) Funds to fund general government operations of DEP. **NOTE: It was done since the General Assembly authorized it in the FY 2019-20 State Budget.**
- Opposed House Republican attempt to raid Special Funds (HB 2004)

TAXES

- Re MS4 (Rain Tax) supports SB 1026 re reduced farm Rain Tax for farmers and SR 339 and HR 874 asking Congress to repeal MS4.

TRANSPORTATION

- Supported HB 37 to ban use of hand-held electronic devices by driver while car is in motion
- Supports SB 1041 regarding Sales Tax exemption on multi-purpose farm vehicles.

URBAN AGRICULTURE

- USDA Farm Service Agency announcement of Philadelphia having a county ag committee: Info forwarded to Reps. Kinsey (D-Philadelphia), Sappey (D-Chester) DeLissio (D-Montgomery/Philadelphia), Burgos (D-Philadelphia)

PENNSYLVANIA STATE GRANGE RESOLUTIONS adopted by the GENERAL ASSEMBLY

- None in 2020

OTHER COMMUNICATIONS TO GENERAL ASSEMBLY

 - Senator Mastriano (R-Franklin/Fulton)
 - Senator J. Ward (R-Blair)
 - Senator Yaw (R-Lycoming/Union/Sullivan)
 - Senator DiSanto (R-Dauphin/Perry)
 - Rep. Ecker (R-Adams)

- Rep. Grove (R-York)
- Rep. Otten (D-Chester)
- PA Budget & Finance Policy Center event showcasing Democratic legislative candidates in Lebanon, Dauphin, York, Cumberland Counties
- PDA Secretary Redding events
- U.S. Senator Toomey meeting in Delaware County

ISSUES ON WHICH THE PENNSYLVANIA STATE GRANGE HAS WORKED but not since 2019 State Session

- (Consumer protection) What is 'Meat'? - no activity because of inability to engage the PA Cattlemen Association on this issue.
- Drones limits and public safety – no activity. Although Grange wrote draft legislation, prime sponsor has not taken action.
- (federal) Crop Insurance – no “call to arms” issue at Federal level
- Supports prescription drug price transparency – no real legislative/advancement shown on this issue.
- (rural telephone access) Supports continued support of land line services by the Universal Service Fund. Legislation not yet introduced since drafting is not finished by another association which is taking the lead on this issue
- (fertilizer) SB 915 waiting for advice from PA Landscape & Nursery Association which is taking lead on this issue.
- (Broadband) PA Farm Bureau led-coalition – no activity at time of preparing this report.

REGULATORY WORK

- (Agricultural Permits) Exempting certain Department of Environmental Protection public hearing requirements for agricultural permits such as biosolid application – support.
- Grange is a Pollinator issue committee member.
- Grange is DEP Agriculture Advisory Committee member.
- Grange is Underground Storage Tank Indemnification Fund Board member.
- Grange is PA Dog Law Committee member.
- Grange is PA Dairy Future Commission member (in state law).
- Active with Governor's Rural Development Council (observer participant)
- Active with PA Long-Term Care Council (observer participant)
- Submitted written comments on the PA Dept. of Aging Four-Year Plan on helping seniors receive long-term care services – stressed need for Broadband for Telemedicine.

COMMUNICATIONS AND OUTREACH

Media work for the Pennsylvania State Grange is done by the Public Relations staff but when content is legislative, regulatory, public policy, it is handled by the Legislative Director. A partial list of public policy media follows:

- Articles for Pennsylvania State Grange Magazine
- Monthly Lancaster Farming Grange Page (partial)
- Media release on Broadband (several) such as on legislative results on Broadband bills
- Media release on need to fund Office of Broadband Initiatives
- Media release on COVID-19 and self-reliance
- Media release on ending COVID-19 business shutdowns
- Follow up media on Grange Farm Show Broadband program
- Media release on distracted driving
- Media release on Ag Chair Mark Keller
- Media release on campground legislation

- Various opinion editorials on numerous topics such as Broadband, ratification of the US-Mexico-Canada Trade Accord
- Media release on State Budget funding for Agriculture programs
- Letters to the editor or comments on articles in numbers of publications such as AARP Bulletin and Rough Notes (insurance) about Telemedicine and Broadband; Pittsburgh Post-Gazette, Central Penn Business Journal, Penn Live, Morning Call, The Center Square, Spotlight PA, various agricultural publications and more.

GRANT OPPORTUNITIES

Part of what the Legislative Director did was to identify grant resources and forward them to legislators whose constituent groups might have an interest. A partial list follows:

- Cultural funding grants to Senator Haywood, Reps. Kinsey, D. Williams (Philadelphia)
- Human trafficking grants to Senators Phillips-Hill (York) and Muth (Chester/Montgomery)
- Western PA Local COVID-19 grants to all Pittsburgh area Senators, Senators Brooks (Erie/Crawford/Mercer/Warren), DiSanto (Dauphin/Perry), Laughlin (Erie) and Reps. Roae (Crawford), Longietti (Mercer), Kim (Dauphin)
- Montgomery County/Phila. COVID-19 grants to Reps. DeLissio (Montgomery/Phila.) Boyle (Montgomery/Phila.), White (Phila.), Bradford (Montgomery), Ciresi (Montgomery)
- Athletic facility grants to Reps. Day (Lehigh/Berks), Samuelson (Northampton), Murt (Montgomery)
- Health Equity grants to Secretary of Health Dr. Rachel Levine and Rep. Pashinski (Luzerne) and Frankel (Allegheny)

In addition, the Legislative Director discovered several grant programs including one for newspapers – forwarded to ag media list.

The Pennsylvania State Grange also provided information on grant workshops to National Grange, Reps. Snyder (D-Fayette/Greene/Washington), Cook (Fayette/Washington), and Sen. Stefano (Fayette/Somerset/Westmoreland).

ASSOCIATION WORK

The Legislative Director:

- Prepared numerous reports for Grange President and leadership on issues and legislation

REPORT OF THE PR/MEMBERSHIP CONSULTANT

When I addressed the delegate body in 2019 in State College, I mentioned the challenges that we faced in growing Grange membership. But never did I think our challenges would include a world pandemic! COVID-19 virus arrived, and we had strange, new challenges like staying at home; working from home, schooling at home, social distancing, wearing masks, and using lots of hand sanitizer.

Where do we start to discuss the beginning of “Stay at Home Orders” and the codes of Red, Yellow, and Green. The Pennsylvania State Grange immediately jumped into action for all news that was pertinent to COVID-19 and we shared it through social media, email blasts, Grange website, and newsletters to Grangers.

Fred Rogers of Mr. Roger’s Neighborhood once shared with his viewers that when he was a young boy and he saw scary things happening, his mom would say, “look for the helpers, you will always find people helping.” So, we looked, and we saw Grangers “in the thick of it” taking on challenges and developing creative ideas to serve! We are so proud of the many Grangers who embraced technology and continued to serve their communities during these challenging times. We saw donations, phone chains to check in on family, neighbors, and friends. Food distribution centers were set up, free meals to those who needed, and fundraisers turned into “drive through” events to raise money for those on the front lines.

The definitions of common words like Zoom, (to go fast), now means “electronic format for meetings at the touch of a button.” Tweeting is not just for birds, but it is what we do when we send short messages on Twitter. Our “new normal” includes Instagram, Facebook, Twitter, Snapchat in our everyday life as we continue to practice social distancing, working from home and interacting with our members. Members called asked about zoom conferencing, how to get the email blasts to their phones, we at the Grange office learned more about the technology on how to serve you the members so virtually. Meetings, events, programs, and social activities can be done virtually.

We need to continue to talk about Grange, ask others to attend our events, do fun things whether it is in person or virtual. The one thing that COVID-19 has done; it brings us back to the importance of family values. We are spending more time with each other; we are working on projects, cooking, crafting, playing games all came to the forefront. Don’t be bashful to share about your Grange. Consider how your Grange can play a role in these types of activities.

This year has become more challenging, but we can still gather in small numbers inside or have more at outside functions. Think about ways to provide safe, fun, activities that your Grange can do and continue to share Grange with everyone whether in person or virtually!

I have put together a list of some of the things that I have been doing, if there is anything I can do for you please contact me.

January 2020

January 3 – 11

We started 2020 with participating in the PA Farm Show. It is a busy week with the PA preferred Reception, opening ceremonies, Legislative Luncheon Day, etc. The Farm Show brings a huge opportunity for engaging with the general public and sharing what the Grange does for us all. The Pennsylvania State Grange Heritage Quilt Trail unveiled a permanent display of 100 wooden quilt blocks which are located in the Crossroads corridor beside the Main Exhibit Hall. The quilt trail provided additional opportunities as press coverage with interviews and news articles written about it. The Pennsylvania State Grange held 2 quilt trail programs on the Family Activities Stage to provide more information. Thursday the Pennsylvania State Grange held their Legislative meeting on Broadband. The week provided member leads, networking, cookbook sales and the introduction of Pennsylvania State Grange Apple Butter.

January 13 – Silver Spring Township Meeting (Re: reopening the Hogestown Grange)

January 16 – Meeting at Sheridan Press Hanover

January 20 – Roaring Creek Grange

January 23 – Dept. of Ag Quilt Block Unveiling

January 27 – CV School FFA Meeting (Hogestown Grange)

January 28 – Capital Grange Meeting

February 2020

The opportunity to attend the Legislative Fly-In in New Hampshire was a great learning experience in the way they handle politics and their election. We visited campaign headquarters, tours, and speakers at the New Hampshire State Capitol. Refer to the May/June 2020 PGN for an article on the Legislative Fly-In.

February 3 – Williams Grove Steam Engine Meeting (re: Quilt Block)

February 4 – Cornucopia at State Capitol

February 11 – Shermanata Grange Meeting

February 20 – 9 am Friends of the Farm Show Board Meeting

5:30 pm Hogestown Area Preservation Review Board Meeting

February 24 – 25 – Cleaned out Oden Grange

March 2020

March 7 – Regional Conference Workshop at Logan Grange in Centre County.

March 10 – Farm Show Committee Meeting

March 11 – CV FFA Board Meeting signed up 2 FFA members.

March 19 – Friends of Farm Show Board Meeting

April 2020

April 7 – Centre for Dairy Excellence Conference Call

April 9 – 150th Cookbook Meeting

April 15 – 1 pm Pennsylvania State Grange Facebook Live Event w/ Jody Bongiovi on how she runs her non-profit, Heartstrings and the great work they are doing in their local communities.

April 15 – 6 pm Pennsylvania State Grange 1st Virtual Bingo

April 16 – Friends of the Farm Show Board Meeting

April 20 – Pennsylvania State Grange Virtual Facebook Live Event/ Wayne Campbell and Brent Hales PSU Extension

April 22 – Pennsylvania State Grange Virtual Bingo

May 2020

May 3, 10, 17, 24 – Pennsylvania State Grange Virtual Bingo

May 11 – USDA PA Community Prosperity Workshop

May 14 – 150th Cookbook Meeting

May 21 – Friends of Farm Show Board Meeting Virtual

June 2020

June 3, 10, 17, 24 – Pennsylvania State Grange Virtual Bingo

June 11 – 150th Cookbook Meeting

July 1, 8, 15, 22, 29 – Pennsylvania State Grange Virtual Bingo

August 2020

August 9 – 12 – Virtual Ag Progress Days

August 13 – 150th Cookbook Committee Meeting

August 18 – PGN Committee Zoom Meeting

August 5, 12, 19, 26 – Pennsylvania State Grange Virtual Bingo

We worked on providing the Heritage Quilt Trail virtually for Ag Progress Days and designed our Virtual Ag Progress Days Booth. I attended some of the virtual workshops on food preservation, listened to some keynote speakers, and toured the website for ag information.

Work has begun on the Virtual 2021 Farm Show. The Pennsylvania State Grange is working on being interactive with the attendees so we can share Grange information, sell cookbooks, and obtain leads for membership. We still have 2 more phases to the Pennsylvania State Grange Heritage Quilt Trail at the Farm Show Complex but the COVID-19 Pandemic and adhering CDC Guidelines has halted some of these projects for this season. Glenn and Barb Gross delivered to the Friends of the Farm Show Board 12 additional quilt blocks that will be hung in the McClay Street lobby.

September 2020

September 1 – Virtual Program “Bees & Butterflies” presented by Kayla Fusselman 2018 American Honey Queen at American Beekeeping Federation and 4-H Program Assistant; Lucy Winn, 2020 PA Honey Queen, Sydnie Paulsrud, 2020 American Honey Princess. This program was recorded and can be found on the Pennsylvania State Grange Facebook page.

Ongoing Functions:

PGN: Research and discussions have been taking place throughout the year and how to produce the PGN at the Pennsylvania State Grange office.

Subordinate/Pomona IRS 990's – submitting 990's with different quarterly due dates throughout the year with most in the months of July, September and December.

Weebly Website, Constant Contact, Facebook are continually being updated. Email Blasts are done weekly. **PGN** membership articles, press releases, design/setup flyers, member calls/follow-up, and workshops. Membership workshops can be held virtually via Zoom, conference calls, etc.

REPORT FOR THE PA GRANGE HERITAGE QUILT TRAIL COMMITTEE

As we entered the 11th year of the Pennsylvania State Grange Heritage Quilt Trail exciting things were happening. Interest continued to be strong with Grangers and friends of the Grange as well as the PA Farm Show Complex. Many people wanted to paint their own quilt block for their homes and businesses. “Paint Your Own Quilt Block” workshops were scheduled across the state as well as at our annual Family Festival but unfortunately only two classes were held prior to the pandemic – one in Erie and another in Hickory Grange in the Dubois area.

The Pennsylvania State Grange surpassed their commitment of 100 Quilt Blocks for the PA Farm Show by presenting 108 Quilt Blocks (2’ x 2’) which have been permanently mounted in the Crossroads Hall next to the Main Exhibit Hall in the Farm Show Complex. Blocks were painted by Grange members and friends of the Grange from all across the state. We strived to have a variety of patterns and colors and the resulting display is “Awesome” with no two blocks the same! During the pandemic when we were quarantined in our homes, Glenn Gross painted another 12 Quilt Blocks (2’ x 2’) and donated them to PA Friends of the Farm Show to be placed in the Maclay Lobby which is open year-round. These blocks join the two 8’ x 8’ blocks that honor the 4-H and FFA programs and the 30’ Quilting Display Case that highlights quilting from 1850 – 1950. If you are in the Harrisburg area feel free to enter the Maclay Lobby and view these displays. It is an impressive display created by the Pennsylvania State Grange.

Hopefully we will be able to hold the Paint Your Own Quilt Block workshops in the coming year. Classes are presented by Barbara and Glenn Gross as requested throughout the year. Granges as well as other groups may request a program presentation with a daylong workshop where they paint their own block.

The Pennsylvania State Grange Heritage Quilt Trail Committee welcomes new members Kris and Denny McCloskey and Ben and Mary Ann Haagen joining Nettie and Irvin Kauffman and Glenn and Barbara Gross.

Work is ongoing on our Pennsylvania State Grange Heritage Quilt Trail website to keep it up to date with current photos and locations of Quilt Blocks. Remember that the Pennsylvania State Grange will provide every Grange sponsored Quilt Block with a Pennsylvania State Grange Heritage Quilt Trail sign at no cost. If you have a Grange sponsored Quilt Block or know of one without signage, please contact us to receive either a 2’ or 4’ sign. To register your Quilt Block with the Pennsylvania State Grange Heritage Quilt Trail and have it listed on the website, fill out the form on line and send a photo of your mounted Quilt Block to the State Grange Office.

If you need assistance, directions or help in creating your one-of-a-kind wooden Quilt Block, help is only a phone call away. Call Barbara and Glenn Gross at 724-290-3783 and they will assist with your needs. Hopefully classes will soon be able to resume in various locations throughout the year for Grangers, Quilt Guilds, Arts Councils, community organizations and individuals. If you want a workshop or presentation in your area, give us a call and we will work with you!

Respectfully submitted,
Barbara Gross, Chair

AGRICULTURE & ENVIRONMENTAL ISSUES APPROVED RESOLUTIONS

Resolution #1 — Food Donation Improvement Act

Beaver County Pomona Grange #66

RESOLVED: that the Pennsylvania State and National Grange support the goals of the “Food Donation Improvement Act” and similar legislation to furnish additional liability protection to food donors who would meet the requirements of regulations established and monitored by the U.S. Department of Agriculture to ensure quality and labeling standards.

Resolution #2 — Livestock Slaughter/Processing

Venango County Pomona Grange #57

RESOLVED: that the Pennsylvania State Grange urge the United States Department of Agriculture- USDA to review existing policy and provide opportunities allowing custom butchers to slaughter, package and sell animals from local farms to the local community for individual use without an Inspector on site.

Resolution #3 — Reinstate Country of Origin (Cool) Labeling

Berks County Pomona Grange #43

Ontelaunee Grange #1617

RESOLVED: our Congressmen/Congresswomen should work with the Department of Agriculture (USDA) to require the Country of Origin as well as the Country of Processing on the labels of all meat products.

Resolution #4 — Showing Projects at Fairs

Lawrence County Pomona Grange #65

RESOLVED: that the Pennsylvania State Grange approach the Pennsylvania Department of Agriculture and request that they consider allowing young people to show their animals, home arts and general exhibits under the National Grange Fair Program Handbook in case the occasion arises where they are unable to show under 4-H or FFA. This would in no means replace either the 4-H or FFA programs, but instead would give the young people the option of finishing their projects by another means. Participation would be consistent within Public Health Policies.

REPORT OF THE AGRICULTURAL AND ENVIRONMENTAL ISSUES COMMITTEE POLICY STATEMENT

Worthy President, State Officers, Delegates, Brothers and Sisters:

The members of the Agricultural and Environmental Issues committee are again honored to serve the members of the Pennsylvania State Grange. We have reviewed the resolutions presented to our committee with an open discussion and have presented them in a way that we feel best represents the interests of our members.

The Pennsylvania State Grange is challenged each year with issues relating to food quality, straightforward advertising and fair marketing practices. The year 2020 has brought additional items to the attention of the AG Committee.

1. The COVID Pandemic has limited many Americans of a consistent source of quality foods due to processing, transportation and marketing logistics. The Pennsylvania State Grange fully supports the **Food Donation Improvement Act** limiting the liability of the donor of processed and Labeled foods and will encourage similar legislation to facilitate the donation of surplus foods either fresh or processed to those in need.

The Pennsylvania State Grange has policy dating back to 2003 asking that surplus commodities purchased by the federal government be donated to nonprofit organizations for distribution rather than to be sold and manipulate market prices.

2. The Pennsylvania State Grange supports and will encourage Legislation to enable custom butcher shops to purchase live animals and process for resale without the presence of an inspector. This effort would make possible the purchase of select cuts for families with limited budgets. The local independent meat producers have developed limited customer bases for whole, halves and quarters of beef. The capacities of large scale processors have fallen short of current demands for fresh and frozen meats and is expected to remain for the future. The Nebraska State Legislature has introduced a bill initiating this effort.
3. The Pennsylvania State Grange will continue to encourage additional regulations for **Country of Origin Labeling** to list production and processing origins for produce and meats both organic and non-organic.
4. The Pennsylvania State Grange will work with the Pennsylvania Department of Agriculture to provide "Fair" opportunities for young people, FFA and 4-H in Counties that are no longer active or have been disrupted by the lack of supervision using the National Grange Fair Program Handbook. This initiative is intended to work within the public health policies of the local county.
5. The Pennsylvania State Grange will support the actions of the Dairy Future Commission established by the Pennsylvania Legislature in regular session 2019-2020 as part of ACT 66. This Commission has a five-year implementation plan to help resolve issues at the farm, state, market and consumer levels.
6. The recent announcement of EPA and the Pennsylvania Department of Agriculture cooperating on the Chesapeake Bay Clean Up is a major step forward. This five-year plan to work as a team is an effort to help meet the goals mandated. The Pennsylvania State Grange encourages this action.
7. Local food systems are desired by many consumers, provide enhanced markets for producers, and aid food security. The Pennsylvania State Grange supports establishing and growing Local Food Systems.

GOVERNMENTAL ISSUES

Resolution #5 — Game Commission Land

Berks County Pomona Grange #43

Berks County Agriculture – Legislative Committee

RESOLVED: that any land owned by the Game Commission that is taken out of cultivation be properly planted with non-invasive plant species, grasses or young trees to produce a proper habitat for wildlife and that the Game Commission be required to inhibit the growth of noxious weeds.

Resolution #8 — Protection of Nursing Home Residents and Staff for COVID-19

Chester-Delaware Pomona Grange #3

RESOLVED: that the Pennsylvania State Grange support appropriate legislation to ensure that long term care facilities have sufficient access to personal protective equipment (PPE) and infectious disease testing for all staff and patients; and be it further

RESOLVED: that daily, clear reports for long term care facilities on any infectious disease cases be made available to the public.

Resolution #9 — Repeal of Fireworks Act of 2017

Chester-Delaware Pomona Grange #3

RESOLVED: that the Pennsylvania State Grange support any legislation to repeal or further restrict the consumer purchase and use of fireworks in order to protect vulnerable populations.

Resolution #10 — School Bus Safety

Chester-Delaware Pomona Grange #3

RESOLVED: that Pennsylvania State Grange support a bill that advocates for using available exterior technology and reliable vision systems installed on the outside of school buses.

Resolution #12 — Removal of Dead Trees along Roadways

RESOLVED: that the PA State Grange support legislation and/or regulations requiring the responsible authorities to proactively remove dead trees located along State and Municipal roadways; and be it further

RESOLVED: that said entities be enabled to remove all branches and/or entire trees obstructing wires regardless of which utility or authority first responds to the initial report.

Resolution #15 — Service Animal Certifications

Hamburg Grange #2103, Berks County

RESOLVED: any animal that is used as a service animal must go through proper training and certification and owners must carry documentation to that effect when they bring the animal to a public place.

Resolution #18 — Recreational Easements

Government Issues Committee

RESOLVED: that the Pennsylvania State Grange reaffirms property owners' rights to use their property as they choose in accordance with the law and this position be communicated to legislators and other policy makers should specific situations arise where these rights are compromised.

GOVERNMENT ISSUES COMMITTEE POLICY STATEMENT

Worthy President Wayne Campbell, Officers, and most importantly the Delegates of the Pennsylvania State Grange who are given the important work of creating the policy of the Pennsylvania State Grange: The Government Issues Committee wishes to thank President Campbell for his efforts in tirelessly promoting the policies of the Pennsylvania State Grange on local, commonwealth and national issues. The

committee wishes to recognize and thank Vince Phillips for his help in providing information to the committee, making suggestions to the delegate body, and also making our policies known to our government decision makers. We would also like to thank Subordinate and Pomona Grangers who wrote resolutions to be considered to become policy of the Pennsylvania State Grange. The Committee reviewed 15 proposed resolutions, which were recommended for adoption as is or as amended, rejection, or found to be present policy. There are four resolutions the committee wishes to emphasize to the delegate body: #7, #8, #9, and #17.

1. The Pennsylvania State Grange very strongly supports the (Protection of Nursing Home Residents and Staff) (#7). It is a highly critical contemporary issue, which demands immediate legislative and executive corrective action, including accountability, for the extreme loss of life.
2. The Pennsylvania State Grange strongly supports the (Repeal of Fireworks Act of 2017) (#8). Legislative actions need to be implemented to repeal the Fireworks Act of 2017 and to correct the unintended issues and safety hazards it has created.
3. The Pennsylvania State Grange strongly supports (School Bus Safety) (#9). The installation of effective and reliable camera systems on school buses would greatly improve our children's safety by identifying lawbreakers.
4. Legislative and Executive action must be enacted to address what has become the most important issue affecting our country today, and within our collective memories (#17). Our farmers and rural communities have acutely and disproportionately felt the negative consequences of the COVID-19 crisis.

We would like to thank you for the opportunity and the privilege to serve on the committee.

Respectfully submitted,
C. Arthur Zug, Juniata County
Lynn A. Dietrich, Cumberland County
Carol Ann Gregg, Mercer County
George Gregg, Mercer County
Carole Huber, Lancaster County
Lizzie Bailey, Cumberland County

GOOD OF THE ORDER

Resolution #19 — Pomona Grange Password

Potter County Pomona Grange #54

RESOLVED: that the National Grange establish a permanent password for Pomona.

Resolution #20 — 2023 State Grange Session

Pennsylvania State Grange History Committee

RESOLVED: that in order to accommodate special events contemplated for the 2023 Pennsylvania State Grange 150th anniversary, the 2023 Pennsylvania State Grange annual meeting begin one day earlier than as in past years to begin on Thursday, October 19, 2023; and be it further

RESOLVED: that if possible, business sessions be conducted and completed on Thursday, October 19, 2023 and Friday, October 20, 2023, thereby freeing the schedule on Saturday, October 21, 2023 for the anniversary celebration activities.

Resolution #21— By-Law Change – Lifetime Membership

2020 Good of the Order Committee

RESOLVED: that the current section 1.10.7 be deleted as currently worded and replaced by the following:

“No new Lifetime Memberships are available as of 1/1/2020. The Lifetime memberships as of 12/31/2019 will continue to be honored by the Pennsylvania State Grange. The Secretary of the C/S Grange shall take a credit of one-fourth of the annual dues per Lifetime member on each quarterly report to the State Grange.

Resolution #23 — National Grange Virtual Hall of Fame

Pennsylvania State Grange History Committee

RESOLVED: that the National Grange remove the term “virtual” from the “National Grange Hall of Fame”; and be it further

RESOLVED: that the National Grange more actively promote and publicize the Hall of Fame program by posting of recipient’s brief biography and picture on the National Grange website; and be it further

RESOLVED: in addition to putting the names on the website that a plaque be established with the names of recipient, state and year be hung in the National Grange headquarters to honor those individuals.

Resolution #24 — Hosting & Funding of Future Pennsylvania State Grange Sessions

Future State Session Committee

RESOLVED: that a statewide committee be appointed to serve in an advisory role to assist with the planning of the annual session.

Committee is recommending to try this for a few years before doing any mandatory funding. If this improves the ability of each of the three areas to host and obtain adequate funding an assessment would not be needed.

GOOD OF THE ORDER POLICY STATEMENT

Worthy President, State Officers, and Delegates. Thank you for allowing us to serve on the Good of the Order committee again this year.

We welcomed Robert Beamon and Matthew Irons as new members of the Committee and acknowledge Gerald Pratt and Barbara Schroeder for their service to the Committee in past years.

As we anticipate kicking off activities celebrating the 150th anniversary of the PA State Grange over the coming years, it is important to both commemorate our past achievements as well as look forward to the work yet before us to keep our legendary Order relevant going into the future. As such, we need to embrace change and “think outside the box” vs. “doing it the way we’ve always done it.”

We realize that the COVID-19 Pandemic has affected us all in numerous ways, including cancellation of events which have included traditional fund-raisers for our local Granges. We admire the Granges that have taken steps to transform their traditional dinners, etc. into safe “drive thru” events, and encourage our local Granges to explore new or modified fundraising activities and share their successes with our fellow Granges through submissions to the PGN magazine and the periodical e-mails from the PA State Grange. For those Granges that have been unable to maintain upkeep of their halls during this time due to financial constraints, loans are available from the PA State Grange at favorable terms for this purpose during this time of crisis which shall eventually pass.

As we all know, we as an organization are struggling with membership and involvement. In order to survive, we need to adapt to attract new members. As such, we must focus less on what we have done in the past, and instead highlight what we are doing now (such as promoting Universal Broadband Access) and what we plan to do in the future, including involving other community members or organizations to join in mutual goals.

We would like to thank those who put forward well-written and thoughtful resolutions to all the Grange committees. Please remember when you are thinking about proposing resolutions - ask yourselves: "Is this something our organization should be involved in and why?" and "Is this present Grange policy?" Please take time to carefully consider these questions before bringing a resolution to any meeting.

Thank you again for everyone who attended State session this year and we look forward to seeing you next year at a full session in Valley Forge, PA.

FAMILY ISSUES

Resolution #25 — Pennsylvania No Fault Divorce

Hamburg Grange #2103, Berks County

RESOLVED: that when a couple divorces and one spouse has been arrested or convicted of a crime, the other spouse should be exempt from any costs related to the alleged crime and incurred by the arrested or convicted spouse.

Resolution #26 — Chronic Pain Management

Family Issues Committee

RESOLVED: The Pennsylvania State Grange urges the National Grange to support

- Research into identifying the causes of chronic pain especially in rural life
- National and state initiatives that encourage research and development of new pain relief therapies that avoid opioids and other addictive drugs
- Research into possible mitigation strategies through education, technology and other mechanisms
- Robust policy discussions and education about pain management among Grange members and their rural communities

FAMILY ISSUES POLICY STATEMENT

Worthy Master, State Officers, and Delegates:

The members of the Family Issues Committee would like to extend our thanks to the Northwest Convention District (Crawford, Clarion, Erie, Elk, Forrest, Jefferson, Lawrence, McKean, Mercer, Venango, and Warren) for hosting this year's 148th Annual Pennsylvania State Grange Session. We would also like to thank Master Wayne Campbell and the Officers and Executive Committee of the Pennsylvania State Grange for their dedicated service to our organization.

When completing our assigned task of reviewing resolutions that affect our quality of life, the Family Issues Committee focuses on problems and concerns in education, health, consumer issues, and laws and regulations governing our standards of life and death. This year, the focus in our policy statement is on the COVID-19 Pandemic and its effect on the education of school-age children.

Schools provide so much more than academics to their students. In addition to teaching the core subjects of reading, writing, math, science, and social studies, the school setting is where children and adolescents learn social and emotional skills, get exercise, have access to mental health support, receive healthy meals, have access to the internet, and learn how to address social and racial injustices and inequalities. School is where disabled, or more properly named "other abled" students can receive an education that enhances their strengths and teaches them how to compensate for their areas of need. School is also the place where working parents can safely leave their children while they go about the business of earning a living to support their families.

The COVID-19 Pandemic of 2020 has upended all of our lives. It has particularly affected families with school-aged children. Parents have had to become teachers as their children participate in online learning platforms provided by school districts desperate to provide meaningful educational opportunities to the students they serve. The challenges these parents and school districts face are monumental. Access to reliable broadband service, unreliable or non-existent equipment, unfamiliarity with online learning platforms, and the frustration of trying to encourage active children to willingly engage in virtual activities are but a few of these trials. Low-income, minority, and rural children and adolescents are the most affected by the lack of reliable broadband service and access to the necessary equipment required for remote learning. According to the American Academy of Pediatrics, one in five teens cannot complete schoolwork at home because they do not have a computer or internet connection.

Because being physically present in a school setting is so important to children and adolescents, the American Academy of Pediatrics, American Federation of Teachers, National Education Association, and the School Superintendents Association have jointly issued a statement supporting the SAFE return of children to in-person learning this school year. They recommend that "local school leaders, public health experts, educators, and parents must be at the center of decisions about how and when to reopen schools, taking into account the spread of COVID-19 in their communities and the capacities of school districts to adapt safety protocols to make in-person learning safe and feasible." They further state that "A one-size-fits-all approach is not appropriate for return to school decisions."

School districts in Pennsylvania have used a variety of creative approaches to reopening their schools. Some have reopened with complete in-person learning, placing numerous health and safety precautions in place. Others have instituted “hybrid” learning—a combination of in-person and virtual experiences so that the school has reduced attendance on any given day and the opportunity to deep clean the physical plant during the week. Some districts are offering only virtual learning for the first quarter or semester of the academic year, with the intent to physically open when the COVID outbreak in their area reaches lower numbers.

As schools do physically reopen and students return to classrooms, the Academy of Pediatrics recommends layers of protective actions to reduce the risk of spreading the COVID virus. Washing hands, social distancing, mask wearing, and frequent cleaning and disinfecting of high-touch surfaces are the foundation of this safety plan. The cooperation of students, parents, school personnel, and the backing of the general public is essential in making the reopening of our schools successful.

The Family Issues Committee urges the members of the Pennsylvania State Grange, as taxpayers, to inform themselves of the ways in which their local school districts are responding to the COVID-19 Pandemic, to support parents and students as they navigate this difficult transition, to offer their expertise if asked to serve on committees or help, and to always respond with charity and kindness when decisions are being made, regardless of whether you agree or disagree with those decisions. We, as Grangers, can have a significant impact on the success or failure of our school districts, as they strive to return to in-person learning.
