Debra Campbell, State Grange Secretary

MASTER/PRESIDENT'S ADDRESS

Welcome to the 145th Pennsylvania State Grange Session. Stephanie Tiller, National Grange Convention/Operations Director, Past State Master Elizabeth Downey, State Grange Officers, Delegates, members of the Pennsylvania State Grange, Youth and Junior members gathered here for the convention.

I am going to be very brief in this part of my address to you. My entire report can be found in your packet and will be in the Journal of Proceedings.

I did not expect to be standing before you in this capacity when I agreed to run for Vice President/Overseer last October. God works in mysterious ways and with that here we are today. I hope and pray our Past President/Master Beth Downey has been able to find God's healing love in the issues that caused her to make the very difficult decision to resign.

I came into this office very much unaware of the daily operations of the Pennsylvania State Grange. It has been a fast ride from February 17, 2017 to now. We are addressing many issues at the State level. The most concerning to me is the amount of Granges that have closed or ceased existence without properly completing the process. Since I have been in office I have revoked the Charter of 4 Granges and we have completed the consolidation of 6 Granges into 3. We are aggressively trying to complete this process, so we can get back to the work of trying to grow the Grange. We have also completed the sale of 3 Grange halls.

I would briefly like to speak about Youth and Junior Camps. Debbie, our Grandson Bryce, and I, along with Lurae Benzio were invited to be Guest Judges for Master Chef Youth Camp Edition. This was truly an amazing experience. David and Ellen Wadsworth along with their committee did a fantastic job at putting this camp together. We watched as groups were given a variety of food items and then given the task of preparing a meal. They all turned out amazing and the food combinations were very interesting. Workshops on various things associated with food and food preparation were done. Debbie and I presented a workshop on cheese. We learned things that sometimes I wonder if we really wanted to know!!

Debbie and I then stayed over into the following week to help Dina Zug and Beth Parrish in the kitchen at Junior Camp. What another fun filled event. It was actually nice to not be in charge of the kitchen and just do what we were asked to do. I was never able to attend Junior Camp when Debbie was Director so this was my first time spending the whole week at camp. The kids were just so energetic and excited the whole time. Lurae and her committee always had something going on for them. Debbie and I were even Honored guests at the Junior meeting one day. The theme was Wild Wild West and on one evening Lurae and crew had put together a Scavenger hunt type event complete with wanted people. The kids had a wonderful time taking the clues from each stop, figuring out where they had to go next to get another clue and eventually ending up at the Sherriff's Office with the wanted person to reap their reward. The reward for bringing in the wanted individual was a gold bar, better known as a Twinkie. Camp was hit with a stomach bug toward the end of the week. The dedication and devotion of the committee and counselors really showed through during this time. A few of the counselors even got sick due to their caring for the Juniors. Unfortunately, 2 campers had to go home early due to the illness. We all spent hours one

night cleaning and sanitizing everything the kids came in contact with right down to the doorknobs. The crowning of the Junior Prince and Princess were the highlights for Friday night. Watching the kids hug and say their goodbyes on Saturday tells you friendships had been made that will last a lifetime. We as the seasoned Grangers must not only encourage our young people to participate in these programs, but welcome them with open arms into our Subordinate Granges and our lives!

During the last seven months, Debbie and I have been blessed with many wonderful experiences. We have traveled all across this great Commonwealth and met many devoted Grangers along the way. When ending a Grange meeting we say, "Worthy Steward, inform the Gatekeeper that the labors of the day are closed".

We never adjourn a Grange meeting because our work is never completed. It is simply closed until another day. Today I leave you with this, wake up every day looking forward to the future. Let's try new ideas, accept change, and above all, always be looking for new ways to grow the Grange.

Thank you and God bless each and every one of you.

Master/President's Monthly Reports

Debbie and I attended the National Grange Masters/Presidents Conference in Connecticut from February 17, 2017-February 19, 2017. This was a very interesting event. We got to meet and talk with other Presidents from all across the Nation. The workshops were very informative.

My first day in the office, Beth and I traveled out to Berlin, PA to attend the viewing of Past Master, William Ringler. Past Master Ringler was a man I very much admired and respected both as a Granger and a person.

The end of February I accompanied Matt Espenshade, as he testified before the milk marketing board. Matt's testimony helped to convince the board to set over order premium pricing at \$1.60 per hundred weight. This will aid farmers in offsetting increasing operating cost. Matt did an excellent job presenting facts and figures to the board showing the plight of the farmer today.

I believe that is about it for my first two weeks in the office. It certainly has been a learning experience and will continue to be. I am looking forward to an exciting eight months.

In March, Barbara Schroeder was installed as Overseer/Vice-President of the Pennsylvania State Grange. Barbara brought an innovative and bright perspective to her new position.

Vince and I also attended the hearing held by the House of Representatives on the Agricultural part of the Pennsylvania Budget. Secretary Redding was testifying to the Legislators regarding the Governor's budget. There were many concerns, but the major item was cutting 30 million dollars from the budget that helps fund the Pennsylvania Veterinary School in Philadelphia. This is Pennsylvania's only large animal veterinary school. After the hearing, Vince gave me a tour of the capitol visiting many of the Senators' and Representatives' offices introducing me to them. It was

very impressive to watch and see the reactions of the legislators as it was obvious he is very well known and respected on the hill.

I contacted all the State Officers and committee chairs since taking office, and asked them to please contact me for anything if the need arises. I advised them Debbie and I would be very willing to come to any events or meetings if we are invited.

I contacted the Farm Bureau and met with their leadership so that we might continue working together on various issues.

We have been working on the Guide to Contest Booklet, Family Festival, and Ag Progress Days. We are also looking forward to hosting the Juniors and Youth on their Royalty Day. I have been in touch with Ellen and Lurae about possibly hosting a "Spend A Day with the President" contest for a deserving Youth and Junior.

April started out with a full slate. I helped with organizing a food safety class in Perry County. The person giving the class was very pleased. He had never done a class with so many organizations represented. We had 25 different organizations in attendance.

Debbie and I also attended the Perry County Chamber of Commerce Dinner. Russell Redding, Secretary of Agriculture, was the guest speaker for the evening.

I met with an insurance representative to discuss the possibility of getting Dental insurance for our members.

Debbie and I attended the Cumberland Valley Grange #2104 Community Night program. Derek and Barbara Schroeder presented a very good program on the implements of the first Four Degrees.

I met with a representative from Key Advisor to go over a presentation on Social Security to be presented at Family Festival.

Lizzie, Vince and I attended the Pennsylvania State Council of Farm organizations meeting followed by the Cornucopia event. This event is geared toward legislators and their staff learning more about the many rural organizations and where our food comes from. We held a drawing for 4 (four) Pennsylvania State Grange cookbooks at this event. Representative David Millard and Representative Sue Helm were winners of 2 (two) of the cookbooks.

I, along with Debbie when possible, attended open house meetings at Kutztown Grange, Pioneer Grange, Scrubgrass Grange, and Fleetwood Grange. I was very excited to hear that after the open house presentation at Scrubgrass Grange, 2 (two) non-members that were present signed up for membership.

I also attended the Mid-Atlantic Lecturer's Conference on Saturday, April 29th. Cassidy Cheddar and I presented a workshop on Parliamentary Procedure. Following that workshop I did a workshop on leadership. The conference was very well attended with over 30 Grangers representing states from New York to Tennessee.

May started off cool and wet, but May 3rd was a hot time at the Sock Hop. Debbie and I traveled to Virginville Grange for their annual Open House. Over 260 people were in attendance. Debbie and I also traveled to Huntington County where we attended their Seventh Degree Luncheon, and then later in the day helped judge the Huntingdon County Dairy Princess Contest.

Vince Phillips and I met with Ivana Wolfe of the Bravo Group. Bravo represents a very diverse group of clients. She brought with her a Representative from PHRMA. They represent the drug manufacturers. She also had an individual from the Nature Conservancy group. We discussed what was a priority to each group and what role the Grange may play in their goals.

Debbie and I only attended two different Grange meetings during the month of May as well as California Grange's semi-annual chicken BBQ fund raiser. They sold 748 halves of chicken. Debbie and I arrived early, enjoyed a wonderful chicken Dinner, and then went to work helping with the event. Thank you to Master Bob Fry for inviting us and allowing us to be a part of this event.

I volunteered to help at the Perry County Electronics Recycling event held at the Perry County Fair Grounds. The event was so well participated in that they had to turn people away because the trucks got full so quickly!

Debbie and I, on a personal note, also assisted with providing the reception meal for Amanda Brozana, the National Public Relations Director's wedding. We were right at home setting up our portable kitchen and grilling away. A special thank you to Len and Joanne Heim for their help in preparing the food, serving it, and clean up afterwards. Len and I got soaked reloading the trailer in the rain. Virginville Grange also provided their French Fryer to make the fries. Henry Seidel, Casey Kershner, and Mikayla Davis were busy making the fries. Although it was a lot of work, we had a wonderful time with Grange fellowship.

On June 7th, Debbie and I joined with the Juniors and the Youth for their annual Royalty trip. Their day started out with a great breakfast at Perkins Restaurant.

We then traveled to the Governor's Residence in Harrisburg. The Juniors and Youth got to meet Chef Barry who prepares all the meals at the Residence. The Juniors and the Youth each presented him with a Pennsylvania State Grange Cookbook. We were given a tour of the residence complete with very interesting stories about the facility and its content. Did you know the residence has its own hive of Honey Bees?

From there we headed to the State Capital where Vince Phillips, our Legislative Consultant had passes waiting for the Royalty to be introduced on the floor of the House. We also visited a few Representatives' and Senators' offices. Our day at the Capitol ended with some photos in the Senate Chambers. They were not in session that day, so we could walk around and take photos. They enjoyed sitting in their own Senator's seats. The Juniors and Youth completed their day at Hershey Park.

Debbie and I attended the Eastern Regional Youth Conference in Delaware. We all went to the University of Delaware to watch and support participants in the Special Olympics.

I attended the Pennsylvania State Council of Farm Organization meeting. At that time I was appointed to their Board of Directors to fill the remaining term of Sister Downey's term.

Debbie and I traveled to Centre County to attend the Centre County Pomona Grange Picnic. Everyone enjoyed a terrific covered dish followed by an enjoyable game of Jeopardy based on the American flag and American history.

On a personal note not associated with Grange, my family participated in the Perry County Relay for Life. Our son-in-law is a cancer survivor. This year's goal was to reach \$95,000. As of July 1st, they have donations of \$101,327.00. This is amazing considering the size of Perry County.

Debbie and I attended the Rural Letter Carrier Convention in Harrisburg. We enjoyed a delicious meal followed by some unique stories from some of the letter carriers. After their banquet everyone enjoyed an ice cream social presented by local Dairy Princesses.

As June comes to an end, Debbie and I are off to lend a hand at Youth and Junior Camp.

Debbie and I began July as special guest judges at Master Chef, Youth Camp Edition and in the kitchen at Junior Grange Camp. What an exciting time. It is sad that so many Grangers do not get to see the fun, excitement, and work of the Youth and Juniors at camp.

Sometimes I think we are afraid to open our doors and our arms to the young people. My only question is, who among us were never young? Who among us were not starved for adventure, curious what makes things go, and had a million ideas on how to make things better.

Think where we would be if none of us had chased that dream, dared to do the impossible, or didn't do it because someone told us, "you can't do that". The young people love to hear our stories, let's say "we can try that," let's talk about their ideas and be willing to accept change. Remember how you felt when you thought no one was listening.

These young people all had so much fun and went back home energized and ready to go. We did have a stomach bug visit Junior Camp Thursday through Saturday. A special thank you to the Staff, Counselors, and Helpers who jumped in to sanitize tables, doors, handles, chairs, beds and numerous other things. Thank you to the counselors who also got the bug while taking care of others.

Debbie had to go home on Friday due to her father being hospitalized. He passed the following week. We thank each and every one of you for your thoughts and prayers.

We were also preparing and planning for Family Festival at the same time. I would like to thank my family, friends and other Grangers who helped us out during this hard time.

The following week was off to Family Festival. This year was a new experience for me. My family has been to Family Festival every year, however, other than the first year, our time was always spent in the dining area. This year I had to venture out of my comfort zone. I think Family Festival was a huge success. Our attendance was up 16 people this year. The weather was great and all the workshops were well attended.

August started off with the start of our annual financial review by Hamilton and Musser. August is also a busy fair month and of course Ag Progress Days in Rock Springs, PA. Lizzie and I traveled to

AG Progress Days on Monday, August 14th to set up the Grange booth. We had new photo boards to display this year. The photos featured many of the Juniors, Youth and PA State Grange Royalty. Many people commented about the new photos and the new look.

The Perry County Fair runs the same time as AG Progress Days. I would like to thank the many Grangers who donated their time at the Grange booth at AG Progress Days. When I was not at AG Progress Days I was helping at the Perry County Pomona Grange food stand. My wife Debbie runs this stand which is a community service event for our Pomona. The stand was started many years ago so the young people and their families from the barns could get a healthy meal at a reasonable price. We to this day honor that commitment. The following week told me I may have overdone it just a little. I spent the following week in the hospital recovering from chest pains and cellulitis in my right foot and leg.

We completed the sale of one Grange hall during the month of August. August came to a close as we began work on the budget for 2018-2019.

September came on quickly and we started out with our first Leadership workshop in Venango County at Scrubgrass Grange #1705. Lizzie, Vince, Debbie, and I enjoyed socializing during a covered dish supper prior to our workshop. Our second workshop was in Washington County at Long Branch Grange #2072. Our third workshop was held at Kutztown Grange #1836 in Berks County. All the workshops were well attended and feedback on the content was positive.

We completed the sale of two Grange halls during the month of September.

I attended the Pennsylvania State Council of Farm Organization board meeting and member meeting on September 18th. These meetings are always informative and allow us to become familiar with what other Agricultural organizations are watching and working on.

September came to a close with the annual pre-session resolution meeting. The meeting was held at the Radisson Hotel and Convention center in Camp Hill.

REPORT OF OVERSEER

Worthy Master, National Representative, State Grange Officers, Delegates, Grangers, Juniors, and Guests.

It has been an honor to serve as your Overseer for the last seven months. I would like to thank Master Wayne Campbell and the Executive Committee for their faith in me. I am so glad I accepted this opportunity, as it has increased my knowledge about the Grange, which is so very important to my life and family.

While serving as Overseer I was able to attend many of the Grange Open Houses here in Berks County. I attended State Junior Camp over the summer for a few days, and I am now even more

excited that my son Jacob will be attending next year. I spent the weekend at Family Festival which is always a great time, if you have never been there you are missing some great food (including some awesome chicken corn soup). I encourage everyone to attend some of these great (and fun) State Grange events. I look forward to serving the Pennsylvania State Grange as Overseer at State Session in Scranton. While I have enjoyed the last several years on the Good of the Order committee, this is sure to be a learning experience for me.

I would like to thank my family, Derek, Jacob, and Ellie for supporting me throughout this experience. I would also like to thank our extended family, including my mom Anna (AKA Nana A), Derek's mom Becky (AKA Nana B), and Derek's sister Lindsay (AKA Aunt Baby) for helping with childcare when I needed to be away from home for my Overseer duties.

Unfortunately, my life will be going through some changes in the next year and I will not be able to run for Overseer during this election. I look forward to wherever my involvement in the State Grange leads me.

Fraternally Yours,

Barbara Schroeder
Pennsylvania State Grange Overseer

REPORT OF THE PA STATE GRANGE EXECUTIVE COMMITTEE

Greetings to our Worthy Master, National Grange Representatives, State Officers, Delegates and members of the PA State Grange representing their Pomona and Subordinate Granges across our Commonwealth.

This represents the Executive Committee report to the PA Grange delegate body for 2016-17.

Executive Committee Members:

Wayne Campbell, PA Grange President (3-2017 to present)
Elizabeth Downey, PA Grange President (2014 to 3-2017)
Barbara Schroeder – PA Grange Vice-President (3-2017 to present)
Wayne Campbell, PA Grange Vice-President (10-2016 to 3-2017)
Janet Pratt – Vice Chair
Barbara Gross – Secretary
Richard Mangel – Member
Robert Bair – Chairman, Executive Committee

Many thanks to our 2017 Host Committee for graciously welcoming us to "*The Electric City*" of Scranton, Pennsylvania for our 145th Annual Session of the PA State Grange. Great work to everyone involved! You've done a fine job of advance work and your many labors are truly appreciated! Our combined experiences at this session should include the opportunity for friendship, to express and share ideas, and discuss the discourse of events from your local Community Granges.

Grange Members, as a great and amazing National Organization focused on

"American Values, Hometown Roots."

it is with excitement we can say:

Happy, Happy 150th Birthday to the National Grange!!!

And, who would have ever thought that at this very time of jubilant celebration in our organizational history, our very own, Betsy Huber, from Pennsylvania, the Keystone State, would be representing us as our National Grange President. We stand with her and wish her all the best while serving as our National Grange leader during this important and critical time in our organization.

During this session we have much to discuss, resolutions to debate and consider, a budget to approve, along with much fun and fraternal fellowship for everyone to enjoy with our officers and members. We look forward to all of the planned activities. Frankly, a lot is happening in our world today. There is the good news, the bad news, and everything in between.

For Good News! According to a newly released ***U.S. News 2018 report*** of the ***Best Places to Retire***, Pennsylvania appears to be a pretty darn good place to settle down, and to retire. That report is based on: Housing Affordability, Happiness, Desirability, Retiree Taxes, Job Market, and Healthcare. As PA Grangers we really need to appreciate what trends like that say about this Commonwealth and effectively capitalize on those facts and use them to our advantage to strengthen our Grange presence and membership.

From your PA Grange Executive Committee (EC) this past year summed up in simply one word has been: **C H A N G E**. Understandably, each one of the leadership changes we've experienced, over the last four years, brings with it different ideas, methodologies, biases, staff, personalities, conceptions, people, feedback and results. The good news is that no matter what issue the EC has faced we've done our best to go through it, get through it and hope to improve upon the challenges and persevere onward for the good of the order.

According to the By Laws of the Pennsylvania State Grange, the EC is charged to act on behalf of the Grange members when not in session. This responsibility includes the invested funds of the Grange as well as the oversight of all Granges and their properties. This past year a number of Grange properties have been sold and additional properties will be sold in the future as has been reported in the EC overview reports. As members, it is important to communicate with the state office when we learn of Grange properties that are unused, vacant and going down in disrepair. Your state Grange bears liability for those properties and we need to act responsibly in these situations. The EC viewpoint remains: to revive chartered Granges when feasible, to consolidate shrinking membership Granges, to close Granges only when necessary, and to save as many Grange Halls and members as possible if even a dim glow of viability may exist.

The EC also works with the President in monitoring the State Grange Office. Over the past four years Grange Presidents have varied in their consultation and working relationship with the EC as it comes to staff hires, office administration and salary adjustments or approvals. Usually decisions are made within the bounds budgeted and approved by you the delegate body. Also, the Salary Committee bi-annually convenes to set elected Officers salaries for approval by the delegate body.

Focus on Survival and Sustainability- With the pressures of declining membership and limited new growth the EC has adopted a philosophy of making, whenever possible, avenues to establish revenue-neutral opportunities within the budget to offset PA Grange operational costs. As an organization we have only two simple options to exist and pay our bills: Increase Revenue and/or Decrease Expenses.

- The most recent delegate body and EC position has been that increasing revenue through dues increases is a non-option.
- Boosting membership will naturally boost revenue, but that isn't the trend we see presently.
- Increasing revenue through the sale of cookbooks (or some other future commodity) to and with local Granges is the current method used to generate income for the PA Grange and local Granges, too.
- Decreasing expenses is the other way to cut the budget outgo for the state office. To decrease expenses, the Executive Committee is working to embrace collaboration technology that could assist in this area of cost containment.
- The slippery slope of anticipating revenue from the sale of closed Granges has been the option used, when funds are available, to sustain our operations and prop-up the PA Grange budget until other revenue sources can be determined or further cost containment can occur.
- **PA Grange Magazine-** The EC had approved the concept of a more upscale, informative **PA Grange News** magazine format. The publisher had assured the EC committee that advertising would make the publication close to revenue-neutral. While feedback has been positive with the new format, unfortunately, to date, the benchmark to make this publication revenue neutral has not been achieved.
- **PA State Grange Office-** Over the past year the EC has focused on finding the right parcel of commercial real estate to purchase that offers:
 1. Sufficient office space for the PA Grange office needs.
 2. Provisions for rental income units that generate monies to offset the costs of all taxes, maintenance, management and expenses.
 3. Room for a commuting Grange President to eliminate housing/motel rental cost.

While we have come close to making this a reality to find the right property we are still cautiously paying attention to find the best deal and parcel possible for this acquisition. The PA Grange membership will be contacted when this proposal moves forward.

In conclusion, as we meet at this session to elect a new PA State Grange President, Vice-President and EC member we can report that the direction of your present state organization is in good hands; ready to chart the course described above and preparing for where we must go, and where we must focus or reinvent ourselves for the future.

We are reminded that our future is based on: Traditions, Achievements and Beliefs. They are all individually meaningful words that represent 150 years of our Grange Heritage that helped shape our rural communities across this nation.

The Livestock Conservancy (LivestockConservancy.org) based in North Carolina reports that 21% of the world's 8,000 livestock and poultry breeds are in danger of extinction. According to the Food and Agriculture Organization of the United Nations, one domesticated livestock breed is lost every month. Since 1977, the Livestock Conservancy has saved 150 Heritage Breeds of livestock and poultry in the United States, many of which were well known by our Grange forefathers 150 years or more ago. We know that once a livestock breed goes extinct, its genetics are lost to history – genetics that agriculture may need to rely on in the future to combat outbreaks of disease, a changing climate, or genetic issues that arise from livestock being too closely related to each other. By a unique comparison, ponder the thought that once a community Grange membership declines and all interest is lost, eventually the hall closes, deteriorates, perhaps is sold or torn down, and it too becomes extinct and is forever lost to history.

We must do everything we possibly can, now, while we still have time and resources, to make sure that we as Grangers avoid becoming an *endangered species*.

Fraternally,
Robert A. Bair, Chairman
PA State Grange Executive Committee

REPORT OF THE STEWARD

Worthy Master, National Representative, State Officers, Delegates, and Guests,

I bring greetings from the eastern part of the state. Berks County is my home, where I served on the Pomona Executive Committee, Hamburg Master, and Kutztown Overseer. I attend a lot of Grange meetings and participate in a lot of activities, from serving banquets, pot pie dinners, Kutztown Folk Festival, Kutztown Fair, and attending social events.

I want to thank the delegate body at the 2016 State Session for electing me as your State Steward. I am serving my first year of my second term. It has been a wonderful experience, and I encourage anyone else to consider a state office.

Wayne Campbell, the PA State President, has kept me on as the Chief Advocate for the eastern half of Pennsylvania.

I started this Grange year by attending the 150th session and participating in the 6th degree of National Grange in Virginia in November 2016, and playing the chimes for the program for the Schnecksville Grange's 100th Anniversary in December 2016. I started 2017 by attending the planning and budget meeting in January. This gave me an opportunity to offer suggestions to move this organization in a positive direction. I attended Russellville Grange's Italian night in February. I spent 1 day at the State Grange Office in June to contact the current advocates. I visited the Middletown Grange Fair in August, and visited Plumsteadville and Middletown Granges. Helped with clean up at Trexlertown Grange's hot roast beef sandwich dinner in September. Also, I visited the Lehigh/Northampton Pomona picnic in June and their September Pomona meeting, where I dressed up as a hobo for their program. I attended the State Leadership/membership training in September at the Kutztown Grange.

I attended several Open Houses/Community Nights in Berks County as the State Steward.

I am looking forward to being the Steward for the State Grange session in Scranton, PA.

One final note, if you would like me to visit any of your Grange functions, please contact me at 610-562-5933, so that we can schedule a visitation.

Fraternally Yours,
Michael Adams

REPORT OF CHAPLAIN

The year has gone by so swiftly and yet not so fast that there wasn't time for meaningful Grange experiences.

My nomination and election at last year's State Grange Session was anything but routine. We were waiting for an ambulance ride to the Carlisle Hospital as Jodie was giving my two-minute nomination speech. Thankfully, we were indeed blessed because the most damage from our "rear-ender" accident was to our car and our physical repercussions have been remedied with therapy.

I was duly elected and am proud to have been chosen to serve as the State Chaplain. I enjoy the comradery with the fellow officers as well as the many brothers and sisters who welcomed me into this office for the next two years.

I did not get installed until January since we had to leave Saturday evening due to follow up for our accident and the installation was held on Sunday. However, I was installed at the Planning Meeting in January and so I am now officially the Pennsylvania State Grange Chaplain.

I attended the Mid-Atlantic Lecturer's Convention in Altoona in April and met Lecturers from the various states and gathered ideas for our local Lecturers. I was asked to share devotions on Sunday morning before everyone departed for their homes and was happy to do so.

I attended Family Festival and, as our Worthy Master asked, I prayed before every meal except the one that I missed while I was at the Emergency Department with our grandson. Of course, I was praying while I was there and he returned to the Festival to enjoy the rest of the weekend.

I was happy to welcome two of my fellow parishioners who helped with our Sunday morning Worship Service at the Family Festival. Glenn Albert delivered an inspiring and educational message and Patsy Nelson contributed lovely gathering music as well as accompaniment for our group songs. There was a favorable attendance and the offering of \$226 was divided between Gail Switzer's "Autism Dog" project and the Good Samaritan Fund at Glenn and Patsy's church, St. Paul's United Methodist Church in lieu of payment to them.

Although it means thinking ahead into the future sometimes, I am enjoying writing the Chaplain's Report for the Grange News. It is particularly heartwarming to hear from my fellow Grangers over the State when I happen to touch on a subject near and dear to them.

As I write this report, I am in the planning stages of the Worship Service to be held at this year's Annual Session to be held at Scranton, PA.

Sincerely and Fraternally Submitted
Judy Pressler
Pennsylvania State Chaplain

REPORT OF TREASURER

Worthy State Master, National and State Officers, Delegates and Members of the Pennsylvania State Grange, it is a pleasure to bring you greetings from the office of Treasurer at this 145th Annual Session of the Pennsylvania State Grange.

Today, we are reviewing financial information for the fiscal year ending June 30, 2017. My records, as well as the records of the Department Heads and State Office were forwarded to the accounting firm of Hamilton & Musser, P.C. in Mechanicsburg. The audit is being performed under the direction of Sharon Miller. However, while we normally have the completed report for inclusion in your delegate packets, some of the transactions were not properly categorized. Therefore, the firm did not want to provide an incomplete report.

As your Treasurer, I am responsible for keeping the financial records of the following accounts: the Scholarship Funds including the Leonard Rhone Grant, Ellis M. Santee Loans, Foundation Scholarships and Jonathan Sattazahn Camp Scholarships, Subordinate Grange Trust Funds (for both Active and Closed Granges), Subordinate Grange Improvement Loans, Lifetime Membership, Property Account, Emergency Fund and a portion of the general assets of the PA State Grange.

Jennifer Stewart, Office Manager, worked under the guidance of our Worthy Masters, to manage the day to day financial requirements of the State Office.

SCHOLARSHIP FUNDS:

During the fiscal year ending June 30, 2017, three (3) grants were awarded from the Leonard Rhone Scholarship Fund. These grants are available to Grange members in good standing. The student must attend Penn State and preference is given to those who pursue the study of agriculture or home economics (known today as Human Development and Family Services).

There were three (3) loans of \$1500 made during the past fiscal year from the Ellis M. Santee trust. The late Ellis M. Santee, a country doctor from Shickshinny and an active Grange member, established the Santee Student Loan program. This student loan is available to members of the Grange or children of Grange members. The Santee Loan program operates on the interest earned on the investments and is administered by Wells Fargo. These loans are to be repaid within three (3) years of graduating from or leaving school and are interest free. The program depends on the student's repayment of the loans to ensure continuation of the program.

During the fiscal year ending June 30, 2017, there were thirty-one (31) students involved in the program. One (1) student was new to the program and three (3) students completed the repayment of their loan during the year. Two (2) are making payments and the balance are either still in school or behind on their payments.

Applications are available from the State Treasurer and the State Office and can be downloaded from the PA State Grange website, www.pagrang.org. This is one of our benefits that continues to be promoted to help add and retain younger members.

SUBORDINATE GRANGE/POMONA GRANGE TRUSTS:

These are funds received by Subordinate and Pomona Granges from the sale of Grange real estate. The National Grange Digest requires that these funds are to be held in trust and invested by the State Grange with no less than 90% of the interest being returned to the Subordinate or Pomona Grange every six (6) months, as long as the Subordinate or Pomona Grange remains active. The PA State Grange returns 97%. During the fiscal year ending June 30, 2017, there were 97 Granges with invested funds. Twenty-Nine (29) of those Granges are closed and one (1) had their assets transferred to the State Grange after having been closed for seven (7) years. One (1) active and One (1) closed Grange added funds to the trust for the first time. Three (3) Granges transitioned from active to closed status.

SUBORDINATE GRANGE IMPROVEMENT LOANS:

During the past year, the State Grange Master and Executive Committee continued the program of loaning funds to Subordinate Granges desiring to make improvements to their Grange properties. These funds are from the Subordinate Grange Trust funds from the sale of Granges who have surrendered their charters. These funds must be held in trust for seven (7) years in the event the Subordinate Grange would reorganize. This program invests Grange dollars back into Grange improvements. One (1) new loan was approved during the fiscal year ending June 30, 2017. There were four (4) Granges with loans in the program. Granges interested in utilizing this program must submit an application to the State Office for approval by the State Grange Master and State Grange Executive Committee.

LIFETIME MEMBERS:

As of June 30, 2017, there have been a total of 1,594 members who have become lifetime members since the program's inception in 1984. We gained 5 new lifetime members during the Grange fiscal year. In addition to permitting individuals to make an investment in their Grange future, it also provides an opportunity for Granges to honor special members by paying all or part of the lifetime fees. Occasionally, members may give a lifetime membership as a gift to family members.

In closing, I thank you for your trust and confidence. The Executive Committee and I continue to look for ways to improve the return on investment for all assets of the PA State Grange, the Active & Closed Grange Trust Funds and the Grant and Scholarship Funds. I will continue to work to keep the best interest of the Grange and its membership in mind when considering future investment options.

Fraternally submitted,
Henry L. Seidel, Treasurer

Pennsylvania State Grange
20 Erford Road, Suite 216
Lemoyne, PA 17043

Dear Members,

Hamilton & Musser, P.C. has been engaged for the past several years to perform a review of the Pennsylvania State Grange's annual financial statements. We are grateful for the opportunity to serve the Grange in this way again for the year ended June 30, 2017.

The June 30, 2017 review is in process; however, it remains incomplete at this time. The health issues of your office staff and other unforeseen issues have caused the delay in completing the review. This delay should not be alarming to the membership, and we are diligently working with the staff to complete the June 30, 2017 review as soon as possible.

Thank you for your understanding.

Sincerely,

James A. Krimmel, MBA, CPA, CFE, CFF

Fraternally Submitted,
Debra Campbell, State Secretary

REPORT OF GATEKEEPER

Worthy State Master, Worthy National and State Officers, Delegates and Members of the Pennsylvania State Grange,

As your state Gatekeeper I have been travelling a lot during late 2016 and through 2017. November 2016 was a very memorable month as my wife Denae and I attended the Russellville Grange annual corn and pie night in Chester County. Denae once again won first place with her double crust apple pie. I was afforded the opportunity to speak about the history of pie to keep with the theme.

We then were at Hamburg Grange in Berks County where Denae spoke about photography. The end of November found us in Washington at the annual National Convention where we conferred the Sixth Degree, Denae was once again a member of the Flora group. This was followed up by the conferral of the Seventh Degree. What a honor it is to reach this level of Grange membership. Seeing numerous Grange friends from across the country made this a very special event.

December found us at holiday gatherings with Plumsteadville Grange in Bucks County and our own Keystone Grange in Montgomery County. We were also directed to Edgewood Grange in Bucks County on official business to obtain their charter and a few other items to take back to the state office.

January had me taking time off work for the Martin Luther King Jr. Day of Service and volunteering my time doing landscaping outside of Keystone Grange hall in conjunction with a local community beautification effort. I joined the Chester County Pomona Grange in their quarterly meeting and then to State College for our annual planning session. It was back to Russellville Grange in February for their Italian night for the best Italian food I ever tasted.

We also had a special event at Keystone Grange where a few of us gathered to see a play at Ursinus College followed by an Italian dinner at a local restaurant. March found us at Chester Valley Grange in Chester County for their hoagie/soup sale and back to Hamburg Grange for one of their chicken pot pie dinners, this was the best chicken pot pie I ever had and I highly recommend you attend one of these fundraisers. It seems like these past two months of Grange events all involved food which is a good thing since this was some of the best food I had all year.

It was back to Chester Valley Grange in April for their vendor day. This is a craft bazaar and featured numerous vendors selling all kinds of wonderful items. Chester Valley Grange sold food items and had a flea market. We attended the quarterly Chester County Pomona meeting. There

was a second Italian night at Russellville Grange in May. The Juniors at Russellville do a wonderful job of serving food and cleaning tables. Such an impressive group of kiddos here.

Denae and I drove to Minnesota over Memorial day weekend to visit members of the Minnesota State Grange and received a private tour of the OHK Farm with State master TJ Malaskee. On the way we visited Granges in Ohio, Indiana, Illinois, and Wisconsin and met numerous Grange members across the Midwest. This was a very inspiring trip. We then attended the Montgomery County Pomona meeting in June.

July had us on the road again travelling to Junior Grange Camp and Family Festival. Denae taught a photography workshop at these two events. Of course there was big news coming out of Family Festival when Denae was selected to serve as Outstanding Young Patron for 2017-2018. Special thank you to Ellen, Philip and Jenn for their support. We will attend the Middletown Grange Fair in August. September will find us at Trappe Community Days where we will have Lizzie Bailey with us to assist in promoting the Grange in our community.

As I write this we are planning to hold the conferral of the first Four Degrees at Keystone Grange in conjunction with Chester County Pomona members, this will be the first time in a long time something like this has been done in Montgomery County. 2017 has also been a special year in Trappe as we are celebrating our 300th anniversary. Keystone Grange has partnered with various other local nonprofit organizations to develop a steering committee where we plan events to celebrate our special year. I am hoping to see many of you at the annual Keystone Grange Farm City dinner on Friday November 17.

Fraternally,
Gene Zvarick
Gatekeeper

REPORT OF CERES

In my fifth year as a State Officer, I was able to attend several Grange meetings in my county, along with some open houses. I was glad to attend the State Planning Meeting in full this year and I would consider it a very successful weekend. Other events that I was able to attend were the PA Farm Show, PA State Youth Camp, and PA State Junior Camp. I also served along with the other Graces to choose the Santee Student Loan recipients. My husband Robert and I travelled to Virginia for National Session where we gave up our title of National Outstanding Young Patrons. That was a great opportunity that we are so glad to have shared. At Family Festival in July, the Graces provided the vespers each night. I really enjoyed relaxing during the weekend and watching the talent show. Robert and I were honored to serve another year on the PA State Grange Youth Committee and help plan the various events. I look forward to this upcoming State Session in Scranton, PA.

REPORT OF POMONA

Worthy Master, National Representatives, State Officers and Members of the Pennsylvania State Grange,

Greetings from the eastern part of the Keystone State! This is my first report as State Pomona, having been elected in 2016 at the 144th State Session held in Shippensburg. My home county is Lehigh, where I serve as Treasurer of my subordinate Grange, Trexlertown #1755 and also my Pomona, Lehigh-Northampton #68. I also serve as Family Activities Chair for both subordinate and Pomona Granges as well. Local Grange activities keep me very busy throughout the year....serving as Fundraiser Chair for Trexlertown Grange, which includes advertising, planning, cooking/baking for these events. I also help with Pomona fundraisers in the same capacity.

The New Year began with the annual State Grange Planning Meeting held in State College. I have attended many planning meetings over the years, having previously served on the Family Activities Committee for 16 years and I always look forward to this meeting. Much is accomplished at this meeting and this year's meeting was no exception. Excellent workshop presentation by the Jr. Grange and Youth directors, as well as department heads, PA Grange News publisher, Heather Hiller and Vince Phillips, Legislative Chair. We have an awesome group of dedicated Grange officers and department chairs who strive to make our organization great and continue to make us visible in our local communities. Following the State Planning Meeting, I attended and served as a Credential verifier at the Special Budget meeting held at Logan Grange in Centre County. In February I attended and enjoyed the food and fellowship at the spaghetti dinner at Ontelaunee Grange hosted by the Junior Grangers.

During the Spring, I attended the Tri-County Visitation meeting held at Schnecksville Grange. In May I attended the Open House/Community Night at Virginville Grange, which is always an evening filled with laughter, special recognitions and accomplishments. It's awesome so see a Grange Hall filled with Grangers and visitors. On May 28th, I had the opportunity to help prepare and serve the food at the National Grange Communications Director, Amanda Brozana's wedding reception. Summertime means it's Family Festival time! Once again, I enjoyed attending this fun-filled, informative gathering at the Centre County Fairgrounds. Fulfilling one of my duties as your State Pomona, I led Vespers on Friday evening.

Throughout this past year I have also been involved with helping to plan the upcoming 145th PA State Grange session being held in Scranton. Our Pomona, Lehigh-Northampton #68, is part of the Northeast Region Hosting Committee. We have met numerous times and have a core group of dedicated Grangers who are working to make this State Session a success. We look forward to seeing many of our PA State Grange members there.

I have enjoyed this year serving as your State Pomona and I am looking forward to serving in this capacity at the 145th State Session in Scranton.

Fraternally,
Joan Heim

REPORT OF FLORA

WOW!!! 2017 came and went. As I look into my first year as State Flora it was amazing to reflect on what all happened and where it went. Well I cannot explain where it went, but it is gone. The year started with a State planning meeting and ended in October at the state convention. In between my year was like everyone else, hectic, constantly going, etc. I visited granges, met with the then hosting committee to help them out, along with Dick, worked at the Family Festival doing cooking and food preparations, and holding vespers on Thursday night. participated in the programs and workshops at the festival.

This all lead up to the State session in October. Once I got to the state session, it was time to get down to the reason I was there. Yes, as a state officer you have help set up the floor and stage for the session. At least I felt I could help. Then I got into the step to do the drill for the opening. Now I am knee deep in setting up the stage for the 6th degree. I found a great team of volunteers after my election in 2016 that VOLUNTEERED to work with me on this job. I was in contact with them over the summer with ideas and thoughts that were drawn out so everyone would know their job when we arrived. These ideas all paid off when we got down to work. Our goal was to put some sparkle and bling into making the stage a bit more eye catching. So my team of Len & Joanne Heim, Scott & Sara Shank, Gene & Denae Zvarick, Deb Campbell, Jen Danko and who ever dropped by to help went to work. Bingo.....mission accomplished. The lights went on and the stage sparkled. We are now ready for the 6th degree, and the work was done in record time. Now you can see what TEAMWORK can do. Now Saturday morning is here and into session we go. After lunch it is time for the 6th degree. Nerves are on edge but this is good. We all worked together and gave 17 candidates the opportunity to witness what the degree is about, and done with class and pride.

An experience it was to be State Flora for the first year. I came away with satisfaction that I did my best. I wish to thank all of my volunteer team for all their work at state session. From set up to tear down and pack up, all went well and I am very thankful for them and we will be together again next year with new ideas and thoughts to keep the sparkle and beauty in the 6th degree. I am looking forward to that as well.

October 2018 will be in western Pennsylvania, just 40 minutes from my home in Cranberry Twp., Pa. Hope all of you will join us. I also must thank Jodi Keith and Anna Mae Nauss for their time, guidance and help in getting me going in the right direction. Now that I have a better feel of what is expected of me on my job, I will be ready. Some of this I can add to my job description that will help the next person.

From here I will move into 2018 and look forward to visiting you, helping Granges and Grangers strive for new light on Grange.

Fraternally yours,
Ginny Mangel

REPORT OF THE DEAF & COMMUNITY SERVICES COMMITTEE

Worthy State Master, National Representative, State Officers, Delegates and Guests: My first year has been an exciting and rewarding year. I could not have done it without the help of my amazing Grange family. I would like to thank State Master, Wayne Campbell, and State Secretary, Deb Campbell for all of their help and support through this year. I would also like to extend a huge thank you to Ruth Vonada, who was always available to answer any questions I had about my new position. Along with Wayne and Deb, I would like to thank all the officers and staff at the State Grange Office for their continued support. I would also like to thank my committee of Samantha Gourley, Carol Kushma, Judy Shupp, Ruth Vonada, and Grace Wadsworth for their work, ideas, and support.

Last year at State Grange a collection was completed for the Boys and Girls Program in Shippensburg and Carlisle area. We also had the book, CD and DVD sale at our exhibit. Money from this was donated to Dogs for the Deaf. Thank you to all who supported any of these programs.

Last year, we implemented new projects across the state and continued to push you to work hard in your local communities to complete your service ideas. We met in January for the planning meeting and had a productive meeting. We discussed what projects we would like to continue and what new projects we would like to add. We decided that each year we would like to switch up our projects to something we are passionate about and to complete a diverse spectrum of projects as we continue to go through each year.

In July, I was able to attend camp for the entire week. I had the honor of being a judge for court and also presented a sign language workshop. I taught the campers how to sign the alphabet in ASL and we all learned how to spell out our names in ASL. Jennifer Beamon also presented a sign a song workshop. Thank you, Jennifer, for teaching the campers a song for coronation!

During Family Festival we, again, sponsored a cake walk, which involved neither cakes, nor walking, and collected nearly \$150.00. This money along with collections of items brought from Grangers around the state was donated to Easter Seals in State College.

The second Bike-Hike was held on Saturday morning raise money to sponsor an autism dog. Many grange members registered to participate, with the majority being Junior Grangers. We were able to collect \$680.00. We are continuing to collect money and reach out to businesses in hopes to raise more money to sponsor an autism dog, as it costs over \$10,000 to sponsor a dog for it's entire life. Robert Beamon was recognized for raising the most money. A big thank you to all those that sponsored a biker or hiker as well as to those that participated in the event.

I would like to thank all the Granges for answering the appeal letter. The money will be used toward awards and all of the projects that we are working on this year. We can also help your Grange with any projects you may have. Please let me know, my goal is to donate as much money as we can to our projects. Money sitting in the checkbook is not helping anyone.

We had 69 reports from across the state make their way to my mailbox; 11 from Pomona's, 57 from Subordinate and 1 County Junior Grange. As they arrived, I had the chance to look through

the amazing projects that have been occurring around the state. Keep up the great work! I hope you had the time to stop by the exhibit and view the books and reports of your fellow grangers! I compiled a 7-page document with the different projects that occurred around the state. Be on the lookout for these projects as suggestions for upcoming community service ideas. I also encourage you to follow the Facebook page: Pennsylvania Grange Community Service. On this page you will find projects that occurring over the state. I encourage you to e-mail me at pagrange.dacs@gmail.com to get your projects posted on the state and national community service pages. In order to receive money from National Grange, 25% of our granges must complete and submit a report. So please be sure that your grange is submitting these much needed reports each year. Although some of the books created are absolutely wonderful, all I really need is the report. I encourage you to complete a book, but strongly ask that these reports are submitted. Thank you to all of those that have done so!

Congrats to the following Granges for their Reports/Books:

This year at State Grange, a collection was made for the Scranton School for the Deaf and Hard of Hearing Children and St. Francis Commons in Scranton. We donated 7 boxes and 3 bags of items to

the Scranton School for the Deaf and Hard of Hearing children and 5 boxes and 1 bag of items to St. Francis Commons. We also held the book, CD and DVD sale at our exhibit. We collected \$95, which will be donated to Dogs for the Deaf.

If you have any suggestions for statewide projects that we can do, please let me know. Again I would like to thank everyone for their support during my first year as Chair. REPORT OF THE FAMILY ACTIVITIES COMMITTEE

Worthy State Master, Worthy National and State Officers, Brothers and Sisters of the Grange. For those of you that don't know me, I was on the Committee with Virginia Mangel for a couple of years, I was in Region G. Martha Ebersole took over Family Activities Director and I was on her team. Around December, 2017, Martha resigned as Director.

The year began with the annual state planning meeting which was held in State College in January 2017. Beth was looking for a Director to take over as Director and asked me if I would be the Director, I agreed and it was announced at the meeting that I had been appointed as Director, so I Melanie A. Melius became the next Family Activities Director.

My Committee is —

Region D - Evelyn Cottrell
Region E - Shirley Garren
Region H - Cindy Liebensperger
Region G - Jodi Keith

Committee members are available to answer your questions so PLEASE call them if you have any questions. We spent the time planning activities, projects, contests and much more. The contest guide was late getting out this year, I had to get it all together and find anyone who had a picture of the quilt for the packets with the tickets and contest flyers. They were mailed in March. Sorry

they were so late. Thank you to Debbie, Ginny, Barb, Glenn, Jennifer, Lizzie and most of all Isabella for helping me get the packets ready to ship.

This year the guide to contest is almost ready to go. We hope everyone gets a copy in the Family Activities Room at the 2017 State Session so you can work on everything over the winter with your group or family.

Family Festival, July 2017 - the theme this year was "Happy Birthday", the weekend was another great event, thanks to all the volunteers and committee members who led workshops and activities for everyone.

Friday our committee arranged a tour, there were 50 people on the bus and 4 people in a car. We went to the Boal Mansion, where we were divided into three groups. We saw The Chapel, the Boal Mansion, upstairs Knights and Armor room and the Barn, which is a Play Company that does plays throughout the year.

Friday after lunch, our community service project, Gift of Life that Martha started the year before and is still continuing into 2018 was presented to Dewendy Johnson with the Gift of Life. Thank You to everyone who knitted or crocheted a wrap for the Wrapped in Hugs Project. We donated 50 wraps to the project. The committee asked Dewendy Johnson if we can help her again with the Wrapped in Hugs Project and the answer was YES. She needs all the Wraps we can make, so gentlemen and ladies please keep knitting and crocheting and making the wraps.

Friday evening, we hosted dinner with the Youth department frying hamburgers and hotdogs, and baked beans. We, the Committee would like to thank Wayne and Debbie Campbell and all their volunteers for making the Potato and Macaroni salad and getting all the supplies for supper.

Saturday we had a workshop on Domestic Animal Bells by Dr. Jim Diamond. He brought 53 different kinds of Bells. We had about 40 people attend the workshop. He talked about all the bells he had that day, afterwards you could ask any questions about any of the bells.

Before the evening was over we gathered in the eating area for Ice Cream from Meyers Dairy. We had 135 people who joined us for make your own ice cream sundaes with all the toppings and at the end we said "Good Night to All".

REPORT OF THE JUNIOR COMMITTEE

Dear Worthy President, National and State Officers, Delegates and Guests,

Greetings and Welcome to the 2017 PA Grange State Session! It is wonderful to be in Scranton to celebrate another year of Grange memories and to continue the work of our Order. It is my pleasure to report to you the happenings of the PA Junior Grange this past year and to let you know of our future plans.

When I am asked to recap our year, it is with joy and a little sadness. Most all of you can understand the joy & happiness that is felt when working with the youngest members of our organization. The sadness might perplex a few of you. It is not a sadness of tears and sorrow but rather of mixed emotions as we end another year of so many memories, obstacles and triumphs. We are always working hard to teach and help the young members and once they move to the next age level, we don't stand and wave goodbye, but hold their hand across the entryway and guide them to new adventures. It makes my heart swell with pride as I see the "former Juniors" now fully engaged as active Youth members.

The Junior Department isn't only focusing on the Juniors coming and going, we also have changes in staff. I am extremely biased when I say that I have the BEST Junior committee in the nation. I love the friendship that has formed among us and I embrace the differences we have and the way we approach issues. All of us have the same goals to reach and respect each other's approach to reaching those goals. In the end, we all want to have a stronger, bigger and more vibrant Junior Grange. One of the ways we approach that goal is by moving out of our comfort zones. Committee member, Philip Vonada, is doing just that. Philip has given much of his time and talent working in the Junior program while serving as our states Outstanding Young Patron. Philip essentially served

on both the Junior and Youth committees while holding this position. Because of his love of the Grange and for the future of our Order, he is climbing the steps of leadership and is running for the state office position of Overseer. In pursuit of this goal, he has asked that I find a replacement for him on the Junior Committee. Once again, the joy and sadness of moving forward tugs on my emotions, but with a thankful heart I will honor Philip's decision and support his new endeavor in his Grange Journey. Philip always has a place with the Juniors and he knows it! Thank you for the laughs, ideas, opinions, suggestions, more laughs, and knowledge shared with all of us! Keep on keeping on Philip!

Here are the details of our amazing Junior Grange activities....

FARM SHOW – January

The PA Farm Show is a great start to the new year for our Jr. Grange Royalty. This year, Prince Jeffrey McCartney and Princess Kaylen Leiby enjoyed a couple of days promoting the Grange and Junior program. The weekend began with a trip to the complex on Friday night for the PA Preferred Banquet. This is a great place to meet other commodities in attendance and we had the chance to meet the Governor and have a group photo with him. On Saturday, the Juniors were honored during the opening ceremonies and we were proud to have them front and center on the main stage. The Grange Royalty are being recognized at the same level as the 4-H officer team and FFA team, as it should be. Jeffrey & Kaylen helped out in the Grange Booth for a few hours before heading off to enjoy the Farm Show sights.

ROYALTY TRIP - June

The Royalty trip is always a favorite for the Prince and Princess and others in attendance and this year did not disappoint. We are thankful to Wayne and Deb Campbell for setting up a tour of the Governor's Mansion that we enjoyed after having breakfast together.

COUNTY CAMPS – May & June

There were a couple of County Camps held in May & June. Berks County had a Super weekend when they explored the world of Super Heroes! They always have a lot of Juniors and staff to make this weekend a fun time. Also in May, over Mother's Day weekend, Russellville Junior Grangers had a fun time learning about various "Royalty" and held their own coronation. In June, Beaver County celebrated a "Hometown Christmas" and were pleased to have some temperatures that were cooler to enjoy the weeks activities and fun.

STATE JUNIOR GRANGE CAMP - July

The Juniors traveled to the Wild Wild West at the PA State Junior Camp. WOW What a great time we had...until the end of the week! Read the camp highlights for the info:

2017 State Camp Highlights

* We were honored to have our State President Wayne Campbell and State Secretary and former Jr. Director Deb Campbell come to camp for the entire week to help out. They were mostly seen in the kitchen but were willing to help out wherever we needed. Wayne was a great Sheriff during our Oregon Trails Adventure and was one of the judges for our Royalty contest. Many thanks to both of them for their help and dedication to the program, but mostly for their friendship. We hope we didn't work them too hard and they will return to have fun with the Juniors again.

* It is always a hot week at camp but the Juniors and staff found ways to stay cool during the week. We traveled to the Beach two times and had some fun with water games and the famous slip n' slide. We also went to the Centre County Grange Fairgrounds to enjoy some Bluegrass music with our very own (and former Junior Granger) Conlan Kershner sharing his Banjo talent with us. We ordered pizza for lunch, which has become a new camp favorite, and took a little stroll around the fairgrounds. Some of our other meals were over the campfire – just like the days back in the Wild Wild West!

*This year the Juniors earned “Cowboy Cash” for completing various tasks, chores, and for caught being good. The money was then used at the Auctions to purchase a variety of fun items such as milkshakes, having 2 committee members serve your cabin at a meal, candy at the lake, ice cream sundaes, a party with the Director and more. This is always a fun time!

*We had 59 Junior Grange campers (14 were NEW campers), 5 helpers, 10 counselors, 9 staff members for a total of 83 people! That is one more person than last year! (Sometimes it only takes one person to keep growing the Grange.)

*High Test Ritual Awards went to Harvey Reyburn, Sadie Johnson, Kay Reyburn, Isabella Boone.

*Camp Superlatives were awarded to Danni Wilcox, Brooke Bixler, Kay Reyburn, Lizzie Seidel

*The 2017-18 PA Junior Grange Princess is Autumn Tworkowski from Berks County and the PA Junior Grange Prince is Tanner Davis also from Berks County. The Court members were Ayden Reckner (Beaver County), Cassandra Kehs (Chester County), Isabella Boone (Centre County).

*I mentioned in my opening remarks that it was a great week up until the end. Well – we’re not sure what “plague” was picked up during the Oregon Trail but we had several campers, a few counselors, the nurse AND the Director come down with a nasty stomach bug. It came in with a force and knocked down those who were infected for anywhere from 12-24 hours. It was awesome to see everyone come together to help disinfect nearly every surface in the mess hall and Boys cabin 6, become a “nurse” in the sick bay and stepped up to take over workshops or activities. I can’t thank my staff enough for what they did. But let’s not have a repeat of that particular activity!

State Camp is a wonderful chance to spend time with your fellow Junior Grangers from throughout the state. Junior Grange Camp builds our future Grange leaders, teaches responsibility, instills the love of Grange ritual, and excites us for the upcoming Grange activities.

FAMILY FESTIVAL - July

Happy Birthday to the Grange!! That was the theme for this year’s Family Festival. We had cake and ice cream, balloons, games, presents and the Junior fave – water games! Juniors participated in the Bike Hike, Guessing games and the Talent Show. The winners for the Talent Show are: age 5-9 Vocal - Ruby Reyburn 1st, age 5-9 Instrumental - Ava Jenkins 1st, age 5-9 other act - Ava, Ruby, Gretchen, 1st, age 10-14 Vocal - Isabella Boone 1st & Cassy Kehs 2nd, age 10-14 Instrumental - Kay Reyburn 1st, age 10-14 other act - Elisabeth Reich 1st & Abby, Danni, Cassy, Izzy, Elisabeth & Kay 2nd.

STATE SESSION – October 2017

Special thanks to the entire state session host committee for hosting the Junior Jam this weekend. They have an amazing weekend planned for the Juniors and we thank them for their hard work. Be sure to visit the exhibit room to view the crafts, writings, baking, art, photos, etc. The Junior Degree will be presented Sunday morning. Please show your support to the Juniors and attend their meeting!

SUPPORT & Thank YOU

The above-mentioned activities could not possibly be held without the very generous support of our fellow Grange members who answered our Grange appeal. We appreciate the monetary donations given to help keep down the costs of camp and other activities. A HUGE THANK YOU to everyone that supported the Junior Grange throughout this past year. Also - The Junior Grange Program and all of the activities we offer could not be fully appreciated without the help from the Grange Youth and the Youth Committee. Youth Director, Ellen Wadsworth has been a great shoulder to lean on and an ear to bend. I am proud to call her one of my dearest Grange friends. Ellen and her committee have been a great asset to the Junior Program and I promise that I will keep sending her motivated Juniors ready to be youth leaders and Do'ers.

In closing...

I want to thank all those who help our Junior Program be one of the best in the Country. There is one group of people I have not mentioned directly or thanked and that would be the JUNIORS themselves! Pennsylvania is blessed to have a great group of Junior Grange members who are excited to learn more about our organization and build strong life-long friendships while doing it. I love each and every one of you and can't wait to see what the year 2018 brings to the Junior Program!

REPORT OF THE YOUTH & YOUNG ADULTS COMMITTEE

Worthy Master, National Officers, State Officers, Delegates and Guests: It has been another exciting and rewarding year and every day I am thankful that I get to spend time with our amazing Youth and Young Adults! Again this year, our Youth have been very active on all levels of Grange activities – local, county, State and National. The Youth and Young Adults Committee and I are extremely appreciative of the many individuals and Granges who sent donations to the Youth Department. Your donations make a difference in the lives of our Youth!

2016 NATIONAL GRANGE SESSION

The youth of Pennsylvania started the year on a great note, beginning with the 2016 National Grange Session in Washington, DC. Unfortunately, Pennsylvania was not able to have any participants in the National Youth Ambassador or Outstanding Young Patron contests. However, our youth served in many other capacities. Philip Vonada and Gail Switzer represented the Eastern Region and Pennsylvania in the Jeopardy Contest. Kudos to Philip for placing first and Gail for placing third in this national contest. In addition, Philip Vonada and Derek Snyder served on the National Grange Youth Officer Team as Master and Assistant Steward respectively. Gail Switzer proudly represented Pennsylvania as the Trimble Legislative Experience participant and Lindsay Schroeder as a Communications Fellow. Lastly, Derek Schroeder and Derek Snyder represented Pennsylvania at the National Grange Evening of Excellence with their comedy skit and Philip Vonada performed his sign-a-song. Pennsylvania was well represented and we all can take pride in the accomplishments of these great youth and young adults!

FARM SHOW

In January the Youth Ambassadors, Sara Benzio and Casey Kerschner, and Outstanding Young Patrons, Jennifer Nauss and Philip Vonada, represented the Pennsylvania State Grange at the Farm Show's PA Preferred Reception on Friday evening. The youth were able to mingle and meet various officials such as the Governor, Secretary of Agriculture, and many other dignitaries. On Saturday, the youth participated in the Opening Ceremonies. For the rest of the afternoon the youth helped with the Grange booth and enjoyed the Farm Show activities.

PLANNING MEETING

Our annual planning meeting was held in State College at the end of January 2017, along with the other departments and State Officers meeting. The Youth Committee used this time to plan our activities for camp, family festival, and to review the contests for the upcoming year.

YOUNG ADULTS WEEKEND

2017 was the second year for our Young Adults weekend. This event was planned for the older youth from ages 21-35. The committee planned a weekend full of fun and fellowship. The Young Adults weekend was held on 31 March-2 April in Pittsburgh, PA, at a local hotel. The committee decided to add a second night so that participants could travel and arrive on Friday night and be ready to start with a full day on Saturday. This schedule enabled several couples with young children to arrange child care and still be a low-cost event. The schedule included several games, crafts, a visit to the Western PA Sports Museum, Sen. John Heinz History Center and a trip up the Duquesne Incline. This coming year, the committee plans to continue both the one-day gatherings for Grange Youth and Young Adults (Grange Invasions), as well as another Young Adults weekend. Look for more information on these events across the state in the coming year.

ROYALTY TRIP

This year the Royalty Trip to Harrisburg was held on 7 June. The Youth Ambassadors and Young Couple (along with all of the other attendees), met for breakfast before heading into the Capitol. We had an amazing tour of the Governor's Mansion and Rose Garden and then went to the Capitol to meet with Representatives and Senators. The group was introduced on the House floor and had several photo ops with House and Senate members. Following a group lunch, the action-packed day ended with a few thrill-packed hours at Hershey Park to celebrate their reign.

EASTERN REGIONAL YOUTH CONFERENCE

The Eastern Regional Youth Conference (ERYC) was held in Newark, Delaware, hosted by the Delaware State Grange. Several Youth and Young Adults from Pennsylvania were able to attend and had a great time! The conference dates were changed to June 9-11 this year to try to attract more youth and young adults. Pennsylvania had several youth participating in contests this weekend. Here are the results: Cassidy Cheddar and Jennifer Nauss won two of the three spots to compete at National Session in the Jeopardy contest; Jennifer Nauss won 1st place in the Prepared Speech as well as Best of Show and will represent ERYC at National Grange. Maryland will be hosting the ERYC in 2018 and I hope to see many more youth, young adults, and young couples at this great weekend. Remember, you don't have to be competing in a contest to attend.

PA STATE GRANGE YOUTH CAMP

The Youth and Young Adults held "Master Chef – Youth Camp Edition" from June 30th through July 2nd at Camp Sylvan Hills. This is the second year that we ran an incentive for first-time youth campers to attend at half-price. This was still a great promotion with 6 new first-time campers attending. We had a total of 24 campers with a total of 32 in attendance for at least a portion of the weekend.

The entire weekend was planned with popular cooking contest show themes in mind. Friday evening began with the announcements of the cooking teams as well as basic food safety instruction. The campers warmed up to the cooking theme with make your own pizza for dinner. The youth participated in some get acquainted games, a dessert creation contest, and vespers. Saturday morning following flag raising, each team was given a few mandatory ingredients and had to create breakfast for their group plus extras.

The remainder of the morning included workshops making apple turkeys, "Wonderful World of Cheese", learning how to make icing flowers and table etiquette. Just prior to lunch the annual Spoons tournament was held. The lunch cooking contest included creating a "picnic basket" lunch with a specific bread ingredient. The dessert contest on Friday night and the breakfast and lunch contests were all judged by our celebrity guest judges: Wayne and Debbie Campbell, Lurae Benzio, and Bryce Danko. Saturday evening activities included the Coronation Ceremony, a 4th of July Celebration BBQ dinner, and our culmination of Master Chef – Youth Camp Edition with food related games.

During the Coronation Ceremony we announced the new Youth Ambassadors for the 2017-2018 year: Grace Wadsworth from Chester County and Jacob Mengel, from Berks County. Both of these Youth are eager to come speak during Grange meetings or participate in events. Plan to add them to your calendar. To close Saturday evening, the new Youth Ambassadors with the assistance of

one of the PA State Grange Outstanding Young Patrons, Philip Vonada, conducted vespers before heading to the cabins.

Sunday morning brought a visit from the other PA State Grange Outstanding Young Patron, Jenn Nauss, to conduct our church service. The last craft workshop for the weekend was on container gardening where each camper was able to start planters with 3 herbs. Our camp weekend came to a close with a fellowship circle. Thank you to all who attended youth camp, and especially to all who assisted to make the event a huge success. We could not have succeeded without your help!

FAMILY FESTIVAL

In mid-July, several Youth and Young Adults traveled to Centre Hall for the Pennsylvania State Grange Family Festival. The Youth and Young Adults helped by grilling the Friday night tailgate meal of hamburgers and hot dogs. The Youth Department hosted a Zumba workshop as well as a Drill workshop attended by many of the State Officers. Saturday afternoon took us in to State College where approximately 38 individuals spent the afternoon bowling. We conducted the Outstanding Young Patron contest (replacing the Young Couple contest) during Family Festival. Congratulations to Andrew Kieffer and Denae Zvarick for being chosen for this honor. As with the Youth Ambassadors, both Andy and Denae are available to attend Grange events and present programs when asked/invited. Please take advantage of these Grange Young Adults who are eager to come visit you!

STATE GRANGE SESSION

Many youth and young adults are participating in various events during the State Grange Session in Scranton, Pennsylvania this week. In addition to the Youth Department contests, we also have a fantastic State Youth Officer Team opening the session on Saturday. Presenting the 2017 State Grange Youth Officer Team:

Master – Andrew Kieffer, Berks County
Overseer – Denae Zvarick, Montgomery County
Lecturer – Lexus Johnson, Beaver County

Congratulations and great job everyone!!

APPRECIATION

I would like to express my thanks to my husband David, who took care of so much this year – both at home and for the Youth Committee. He single-handedly pulled off the greatest Youth Camp Theme – prepping all of the contests, instructing several workshops, and making sure we all had edible and safe food to eat!

Thank you to all of the youth and young adults who have participated in activities this year. You have truly made this year a blast for me and I have thoroughly enjoyed working with you.

Thank you to President Beth Downey and President Wayne Campbell for the opportunity to serve as Youth Director, and for your unwavering support and encouragement for me, the youth, and the programs.

A huge thank you to Lurae Benzio, Junior Director and sister director! We made it through another year together and I'm so grateful to be working alongside of you!

Finally, I want to recognize and thank my wonderful committee! This year would not have been half as successful without your help, guidance, suggestions, and leadership! Thank you to:

Lindsay Schroeder
Matt & Miranda Irons
Robert and Jennifer Beamon

Youth Ambassadors – Sara Benzio and Casey Kerschner (July 2016-July 2017)
Grace Wadsworth and Jacob Mengel (July 2017 – present)
Young Patrons – Philip Vonada and Jennifer Nauss (July 2016-July 2017)
Denae Zvarick and Andrew Kieffer (July 2017 – present)

In closing, a sincere thank you to each of you for your generous support of the Youth and Young Adults program over this past year. Our youth and young adults members are very special, they are the future of the Grange and are motivated and excited to be involved and working toward a common goal. You don't have to look far to see this excitement in action. Take a look around at the individuals involved at all levels of the Grange in Pennsylvania. Are there ways that you could involve the youth in your area? I would encourage you to involve the youth of your Subordinate and Pomona Granges – allow them to serve as officers, on committees, presenting programs, or assisting with community service and fundraising projects. They might just be waiting for you to ask.

Fraternally,
Ellen M. Wadsworth
PA State Grange Youth and Young Adults Director

REPORT OF THE PA STATE GRANGE FOUNDATION

In 1994, at the State Session in Warren, Pennsylvania, the Pennsylvania State Grange Foundation was formed by delegate action. The main purpose of the Foundation is to administer the two Grange scholarship funds established by the delegate action.

The annual meeting of the Foundation was held on January 28, 2017 in State College, PA. Board members who were present at the meeting included: Elizabeth Downey, Pennsylvania State Grange President, Wayne Campbell, Pennsylvania State Grange Overseer, Henry Seidel, Pennsylvania State Grange Treasurer, Robert Bair and Richard Mangel, Pennsylvania State Grange Executive Committee Members. Debra Campbell, Pennsylvania State Grange Secretary, served as recording secretary at the meeting. During the meeting Wayne Campbell was elected as Chairman of the Foundation.

The Deaf & Community Service Department and the Pennsylvania State Grange Executive Committee oversee the Sign Language Training Program scholarship Fund, from which a grant of \$250 is available each year. The balance of this fund as of June 30, 2017 is \$1,531.94. In 2017, we were able to award a grant to Megan Brown of Hillcrest Grange #1674 in Somerset County and we encourage anyone interested in furthering their education in this area to apply for a grant.

Also included within the funds of the Foundation is the Jonathan Sattazahn Camp Fund. The purpose of this fund is to enable more children and youth to attend the PA State Grange Junior and Youth Camps. The balance of this fund as of June 30, 2017 is \$14,119.75.

The Pennsylvania Grange Scholarship Fund provides for grants to be given to Grange members in their Junior or Senior years at any institution of higher learning, for any course of study. The State Grange Executive committee administers the fund and the State Grange Treasurer invests the funds. A scholarship committee comprised of the State Overseer, one Executive Committee member, and three additional Grange members, at least one of whom is an educator, select the grantees. The balance in this fund as of June 30, 2017 is \$77,881.53. The winners of this year's scholarships were Derek Snyder of Valley Grange #1360 in York County, Jenna Sattazahn of Marion Grange #1853 in Berks County, Halee Wasson of Victor Grange #159 in Centre County, and Heather Wasson of Victor Grange #159 in Centre County. Congratulations to our fellow Grangers.

A unique aspect of the Grange Scholarship Fund is that only interest earned may be used for scholarships each year. Therefore, the greater the principal, the more grants we are able to award. One way to contribute is through the State Officers project which is traditionally an auction held on Saturday evening of State Session each year. Another way to contribute is by sending a check to the State Office, marked "Grange Foundation Donation." Any amount is welcome and will be put to good use. We strongly encourage all Granges and members to consider donating to the fund now, or leaving a bequest in your will to the Grange Foundation. Thank you for your support of this extremely important and worthwhile endeavor that enhances the educational opportunities for our members.

Fraternally submitted,
Barbara Schroeder, Interim Chairman

REPORT OF THE HISTORY COMMITTEE

During the past year a great deal of work to preserve the history of the Grange in Pennsylvania has been going on "behind the scenes", the results of which will shortly become much more apparent. While a major goal of the hundreds of hours of volunteer time invested in this work is to safeguard important documents and records that exist only in paper form subject to deterioration, the History Committee is also anxious that the story of the Grange become more readily accessible to our members and the public.

To accomplish these goals, the work of the State Grange History Committee is divided into three task forces, each working with relative independence on its particular area of interest.

Archives – Jennifer Nauss, facilitator

Specific Accomplishments of the Last Year:

- Sorted, organized, and boxed records and other paraphernalia (regalia, manuals, implements, etc.) submitted by local Granges that were stored in the conference room at the State Office
- Negotiated (on-going) with the PA State Archives to determine best disposition of some 20 boxes of local Grange original records that are still stored at the State Office (submitted after the Archives imposed a moratorium in 2016 on acceptance of additional paper records); if the Archives will not make an exception to accept this material, an attempt will be made to return it to the respective counties in the hope that local historical societies might preserve this information
- Negotiated contract with IMR Digital to preserve on microfilm and digitize into an on-line accessible and indexed PDF format the records of the PA State Grange, including the various newsletters (*Grange News*, *Grange Advocate*, etc.), the *Journals of Proceedings* not previously microfilmed, Executive Committee minutes and original charter applications from the National Grange Office; most of these records are currently at IMR and balance will be submitted as funding permits
- Decided to pursue the idea of one set of all microfilmed records be on file at the PA State Archives and a second copy owned by the State Grange to be stored in a secure, climate controlled facility

- Arranged for secure storage site of Grange copy of all microfilmed records

Plans for the Coming Year:

- Obtain duplicate rolls of the already microfilmed *Journals of Proceedings* housed at the PA State Archives and have them digitized (converted to PDF format) by IMR Digital
- Post the PDF format digitized and indexed documents on the State Grange website so this historical information is available on-line to anyone interested in this information
- Determine best course of action for dealing with the local Grange records currently at the State Office
- Pursue initial contact with PA State Archives to accept film copies of newly microfilmed records
- Work with local Granges who may wish to preserve their records through the contracts in place with IMR
- Determine what additional records of the PA State Grange or National Grange (publications, books, manuals, songbooks, etc.) should be preserved and/or stored

Written & Oral History – Bill Steel, facilitator; Susan Tau, assisting

Specific Accomplishments of the Last Year:

- Determined that brief sketches of the activities, accomplishments, significant facts and statistics during the term of each State Grange Master/President for posting on the Grange website should be excerpted from existing Pennsylvania State Grange history (hard copy) publications. Those history publications are:
 - Fred Brenckman's 1949 book, ***History of the Pennsylvania State Grange*** covering the years 1873-1948
 - ***1973 Centennial Edition Pennsylvania State Grange History*** covering 1949-1973
 - ***1998 Historical Excerpts of the Pennsylvania State Grange, 125th Anniversary Edition*** covering 1974-1998
 - Summaries for those terms from 1998 to the present time obtained facts from annual *Journals of Proceedings*
- Completed drafts of the historical sketches and began editing process
- Completed historical rosters of all 2,110 Subordinate Granges and 73 Pomona Granges chartered in Pennsylvania from 1871 to present showing organization date, name, number, location, organizer, number of charter members and current status (active or inactive) and including significant details like dormancy and re-organization dates, consolidations with other Granges, etc. (*this project was handled by Doug Bonsall and Jenn Nauss due to their proximity to the State Grange office where many hours of research was conducted to "dig out" this information*)

Plans for the Coming Year:

- Post historical summaries by Master/President terms and several different sorts of the Grange rosters (by county, by Grange number) on State Grange website
- Begin recording of oral historical interviews with key Grange leaders

- Continue planning for a new written history of the past 25 years leading up to the State Grange's 150th anniversary in 2023.

Finance - Anna May Nauss, facilitator

Financial resources are necessary to carry out the work of the History Committee, especially the one-time costs of microfilming/digitizing/indexing nearly 150 years of accumulated records estimated at about \$9,000. The Executive Committee approved the issuance of an appeal early in the summer of 2017. As of 9/15/2017, generous contributions totaling \$4,680 have been received from the following Granges & individuals, providing just over half of the funding needed:

Armstrong County	Greene County
Laurel Point #915	Harveys-Aleppo #1444
Beaver County	Lehigh County
Hookstown #1980	Seipstown #1657
Berks County	Lycoming County
Berks Pomona #43	Gordon Hiller
Ontelaunee #1617	Mercer County
Virginville #1832	London #1492
Kutztown #1836	Stony Point #1694
Hamburg #2103	Montgomery County
Chester County	Sanatoga #25
Chester Pomona #3	Northampton County
Brandywine #60	Star #993
Kimberton #1304	Northumberland County
Marshallton #1394	Robert Pardoe, Jr.
Honey Brook Twp. #1688	Perry County
Diane Marino – in memory of mother A.	Perry Pomona #69
Elaine Cook	Oliver #1069
Clearfield County	Perry Valley #1804
Harmony #1201	Susquehanna County
Crawford County	Fairdale #1157
Hayfield #800	Venango County
Cochranton #2030	Scrubgrass #1705
Erie County	York County
Elk Creek #997	Valley #1360
Fayette County	
Dawson #419	

A fourth area considered by the History Committee was the idea of the establishment of a PA State Grange Museum. This initiative has been indefinitely postponed due to lack of a facilitator for this specific project and the significant funding required for such an undertaking.

REPORT OF THE PR/MEMBERSHIP CONSULTANT

In December, I returned to the PA State Grange as the PR/Membership Consultant. I feel very passionate about the deep historical roots of this organization. It is a privilege to work for the members as we strive to grow membership and expand our handprint in our communities!

January brought in the Farm Show which we at the State office worked feverishly to prepare for by packing up and relocating across the river at the Farm Show building. It was very exciting to talk to so many people about the Grange and oh the cookbook stories we heard from so many who approached our table to tell us about them. Our team of volunteers worked hard and we were so proud that we sold about \$2,000 in cookbooks!

At the state office, the goals set before us were simple, but daunting at the same time. We started working on consolidations and closing of Granges and the sale of some Grange Hall buildings. I have been traveling to locations across the state to pick up charters, record books, and regalia, scheduled appraisals, located realtors and assisted with any tasks needed to consolidate, close, and sell buildings.

Change arrived again in March as President Elizabeth Downey stepped down and the Overseer, Wayne Campbell accepted the duties of the presidency. He came into the office with surmountable chores and embraced them with all their challenges. We continued on our path with consolidations, closures and arranging for Grange properties that needed to be sold. The goals remained the same, address the problems and make clear our true membership numbers.

Summer arrived along with Youth and Junior Camps, and Family Festival. Family Festival provided the opportunity to spend time getting to know everyone better and sleeping in a tent. The events, tour, food, wooden quilt blocks, and more food were just some of the many highlights of the event.

Penn State's Ag Progress Days provided workshops, presentations, networking with peers to showcase our organization in the agriculture community. The networking value of all the participating organizations and the attendees was wonderful!

Your state office is a resource to meet the needs of your Grange by offering support and information. Three regional workshops have now been completed in Venango, Washington, and Lehigh Counties, with more being planned for after our state convention. Topics included legislation, marketing, and leadership.

As we look forward to 2018, let us work together on building stronger regions. Each region has distinct characteristics and each Grange enhances their community with activities, volunteerism, and family values. As Pennsylvania Grangers, let us stand tall and proud of our historical significance and continue the pursuit of representing the diverse issues within our state.

I look forward in working alongside your Grange and visiting your community!

Lizzie Bailey
PR/Membership Consultant

REPORT FOR THE PA GRANGE HERITAGE QUILT TRAIL COMMITTEE

As the PA Grange Heritage Quilt Trail completes its eighth year, interest continues to be strong with Grangers and friends of the Grange. The *Paint Your Own Quilt Block* workshop continued to be well attended at Family Festival with both new and return participants painting 24 blocks. In the workshop most of the blocks painted were 2' x 2' blocks but there were also a few 4' x 4' blocks painted.

A *Paint Your Own Quilt Block* workshop was presented by Barbara and Glenn Gross at the 2016 National Grange Session in the Washington D.C. area. Forty-two Grangers from all across the nation attended the workshop and were taken step by step through the entire process of selecting the materials, choosing the design, graphing it on the wood and painting the block. Each attendee went home with complete instructions for painting their own quilt block and developing a Quilt Trail in their state.

A new type of Quilt Block was painted at the Mid-Atlantic Lecturer's Workshop. Due to limited time, we graphed and painted Quilt Blocks on 12" x 12" flat canvases with tempera paints. The same instructional methods were utilized in this class plus the drying time was also shortened by using hair driers on the paint.

Work continues to be needed to bring our website up to date with current photos and locations of Quilt Blocks. Remember that the PA Grange will provide every Grange sponsored Quilt Block with a PA Grange Heritage Quilt Trail sign at no cost. If you have a Grange sponsored Quilt Block or know of one without signage, please contact us to receive either a 2' or 4' sign. To register your Quilt Block with the PA Grange Heritage Quilt Trail and have it listed on the website, fill out the form on line and send a photo of your mounted Quilt Block to the State Grange Office.

If you need assistance, directions or help in creating your one of a kind wooden Quilt Block, help is only a phone call away. Just call Barbara and Glenn Gross at 724-290-3783 or Nettie and Irvin Kauffman at 610-926-5389 and they will assist with your needs. Classes are held in various locations throughout the year for Grangers, Quilt Guilds, Arts Councils, community organizations and individuals. If you want a workshop in your area, give us a call and we will work with you!

Barbara Gross, Chair

REPORT OF AGRICULTURAL AND ENVIRONMENTAL ISSUES COMMITTEE

Worthy Master, State Officers, Delegates, Distinguished Guests, Brothers and Sisters:

The members of Agricultural and Environmental Issues committee are again honored to serve the members of the Pennsylvania State Grange. We have reviewed the resolutions presented to our committee with an open discussion and have presented them in a way that we feel best addresses these issues.

The Pennsylvania State Grange supports land owners in stream clean up necessary following Storms as allowed by the EPA. The Grange continues to support the Permitting process for "mechanical excavation of a stream bed or stream banks."

The Grange also supports the Soil Conservation Service in their role as educators and facilitators in the implementing of on farm conservation practices and not in a capacity of permitting or enforcing.

Grange supports the Pennsylvania Dairy farmers in their efforts to identify Milk products as a product produced by lactating mammals only and label other products as imitation. Grange recognizes the need for fresh farm produce currently not available in areas identified as "Food Deserts" and supports legislation, education and the elimination of any zoning that may hinder the proposed program.

Grange recognizes the economic pressures in Agriculture and supports legislation requiring that Grain Brokers be Bonded to insure payment for grains received.

Grange will continue to encourage Penn Dot and the Pennsylvania Game Commission to advertise a deer removal reporting procedure to clear public highways of dead deer in a timely manner.

Grange is opposed to any statewide fees applied to current natural gas customers with the intent to expand gas service in remote areas not currently economically viable.

The Pennsylvania State Grange holds Penn State University AG department in high regard and will continue to participate in their nominating process for trustees. Grange encourages a wider participation of Agricultural Societies and or organizations at the county level.

The Grange is concerned as the Delaware Valley Commission moves towards a ban on drilling and developing oil and gas wells in the basin. This effort has been buoyed by recent court decision that ruled the commission had control over all projects that have a substantial effect on quality or quantity of water resources. A consequence of this ruling is that the commission is now moving from regulating to banning a project they perceive could affect water quality or quantity. This recent ruling effectively gives the already powerful commissions unchecked legislative jurisdiction over any project that could substantially effect water quality or quantity. The Grange believes this recent court decision should be appealed and / or other actions taken as needed to limit the authority of the various river basin commissions.

Many aspects of agriculture depend on foreign guest workers to fill jobs that they cannot find Americans to perform. As immigration reform moves to the forefront, the Grange should work to see that provisions for guest workers, such as those in the current H-2a and other similar classifications and programs are maintained and simplified to provide our agricultural industries a legal and stable supply of workers.

The Grange opposes any leasing or equity arrangement for the Pennsylvania Farm Show Complex.

The AG committee is proposing these recent issues for archiving due to their relevance and their resolve.

Grange policy has supported “Dog Law” legislation on dog tethering. 2017 legislation is more specific and gives clear limits.

Grange policy has supported local fair funding be sourced from the State Gaming Fund. Currently fair premium funding is sourced from the Pennsylvania Horse Race Development Fund.

REPORT OF GOVERNMENTAL ISSUES COMMITTEE

Worthy Master/President, National Representative, State Officers, Delegates and Guests.

The Government Issues Committee wishes to express our gratitude and appreciation to our volunteers and our dedicated staff for their efforts to advance the interests of the PA State Grange, the local Granges and the citizens and communities of rural Pennsylvania.

Engagement in government affairs is vital. Grange members realize that government actions affect all rural Pennsylvanians and know that citizens in our Republic must make sure they are informed on issues, legislation, and regulations. Further, the Resolution process used by the PA State Grange is a tremendous example of grass roots democracy at work.

There are two items we reviewed with elections. Resolution 11 & 12. The committee also reviewed resolutions in ways to save the State of Pennsylvania money in the budget. We also spent time on reviewing safety for emergency responders. A resolution presented the need of a Database to be compiled and made available for Veterans Affairs. The committee discussed and adopted the resolution on the creation of a postage stamp to acknowledge the 150th anniversary of the Grange. It is important to support getting Pennsylvania up to date on the Real ID initiatives.

The Government Issues Committee made the decision to archive PA Grange policy on Industrial Hemp and Citizenship of the President of the U.S.

Respectfully Submitted,

C. Arthur Zug, Chairman – Juniata County
Lynn A. Dietrich – Berks County
Martha Sherman – Erie County
Carole Huber – Lancaster County
Elizabeth Bailey – Northumberland County
Carol Ann Gregg – Mercer County

REPORT OF THE GOOD OF THE ORDER COMMITTEE

Worthy President, State Officers, Distinguished Guests, Brothers and Sisters,

Thank you for allowing us to serve on the Good of the Order Committee this year. Our committee reviewed a total of 21 resolutions with much discussion of their merits and repercussions in determining our recommendations. Like Brothers and Sisters in any family, members have differing opinions of what is in the best interest of our Order.

The consensus of our Committee overall is that while the will of the Delegate body should govern policy in general, it should leave the detail of planning and execution of the specifics to our elected officers and appointed committees to whom we have entrusted our faith. We encourage Granges who have submitted resolutions to speak at session on their behalf.

In looking forward to 2018, in order to expedite the business at State Session, we encourage Community and Pomona Granges to keep the following points in mind prior to submitting resolutions to minimize the need for amendments from the floor:

- Attempt to determine whether the issue is present Grange policy, in which case no resolution is needed.

- If there is a particular local issue that has sparked a resolution, feel free to attach newspaper clippings, face book posts, etc. to your resolution so that the respective Committees can better understand why the resolution was submitted.
- In wording your resolutions state an affirmative action that you wish the PA State Grange to take on the subject - for example "RESOLVED that the PA State Grange support"
- Avoid mentioning specific legislative bills in your RESOLVED statements – bills come and go with each year's legislative sessions, but Grange policy should be for/against a particular issue, regardless of what bills may be pending in current legislative sessions.
- Read the RESOLVED portion of the resolution out loud, independently, without the WHEREAS statements, as it would be read at Session. These statements must be able to stand alone, without regard the WHEREAS statements in order to be properly voted upon.
- If suggesting a change in Grange by-laws, please reference the specific section and article numbers(s) and clearly state the proposed language to be changed.
- If you have questions, feel free to contact our State President, Executive or Program Committee member, or Legislative or Membership Consultant at any time.

We encourage local Granges to continue to perform our rituals to keep our traditions and history alive. We also encourage National Grange to produce videos of the first four Degrees for Granges to use before they are lost forever.

Please encourage your local Granges to submit resolutions and to send delegates and guests (particularly new members) to Session. This is the only way your Grange will have a say in our policy making process. Also, sending guests allows more people to witness the process of setting Grange policy and hopefully encourage more people to become actively involved at the State level.

Please take a few minutes before you leave Session to complete the surveys included in your packets. Your input will be very helpful in planning future meetings and events. Again, thank you for your time as delegates. We look forward to seeing you next year.

Glenn Gross, Chair, Venango County
Jane Birk, Bucks County
Janet Fishovitz, Beaver County
Leonard Heim, Lehigh County

Gerald Pratt, Bradford County
Robert Pardoe, Northumberland County
George Gregg, Mercer County

MOVE TO ARCHIVE

Farm/Agricultural Safety

The Grange recommends that the Governor, the General Assembly and the Secretary of Agriculture take steps to implement the proposed program revisions for farm/agricultural safety and occupational health including the PA Outreach Center for Agricultural Safety and Health (POCASH) 2006

ARCHIVED 2017: This is a picture in time. Research within PA Department of Agriculture was unable to conclude what “proposed program revisions” were or even what POCASH is or was.

Dog Law

The Grange supports the repeal of parts of Act 119 of 2008 known as the Dog Law which are onerous and burdensome. (2011)

ARCHIVED 2017: There is no definition as to what “onerous and burdensome” means. In addition, the Dog Law was amended since 2008 and the objectionable parts may have been addressed.
