**MINUTES OF THE 149TH
ANNUAL PA STATE GRANGE SESSION**

FRIDAY, OCTOBER 15, 2021

1. The 149th Pennsylvania State Grange Annual Session officially opened in the Sixth Degree on Friday October 15, 2021 at 9:00 am in the Valley Forge Casino Resort, King of Prussia, PA with President Wayne Campbell presiding. There was no opening drill due to the size of the stage.
2. Sister Rachel Bailey, Director of Deaf and Community Service thanked everyone for their community service as we are changing lives. The committee is collecting donations for the Good Samaritan Homeless Shelter. Sister Bailey announced the 1st place winners for the Community Service Awards. All contest winners will appear in the *Journal of Proceedings*.
3. Roll call found all officers present. Sister Doris Evans served as the pianist for the session.
4. President Campbell lowered to the Fourth Degree.
5. Sister Jenn Nauss presented a candle lighting service in celebration of the 150th Anniversary of the Pennsylvania State Grange with the State Officers.

Since its founding, the Grange has understood the importance of leadership skills – both in expecting the most of its current leaders to developing these skills in future leaders. The founders recognized the importance of nurturing leaders and of sharing the burden of responsibility fairly among officers.

When the time came to name the new organization, the founders decided to use a term that Oliver Hudson Kelley had read in a novel – “Grange”. “Grange” referred to old English farm estate, which the founders thought was an appropriate reference for their new agricultural fraternity. When determining how to assign leadership responsibilities, they used titles and positions which were found on those old farm estates. Although officer titles have been modernized in many Granges, the leadership structure established by the founders has remained unchanged – 13 officers (plus an executive committee in many Granges). Responsibility for leading the Grange is shared by these 13 individuals who have clearly defined roles within the organization.

From the beginning, the founders realized that responsibility and power needed to be shared. They also urged that leaders take these roles seriously. In fact, the Declaration of Purposes states this in the section titled, “The Office Should Seek the Man, and Not the Man the Office”. “We desire a proper equality, equity, and fairness; protection for the weak; restraint upon the strong; in short, justly distributed burdens and justly distributed power”.

The Grange has long sought to instill these ideals in its members, providing leadership training to current officers, as well as to Youth and Junior members. No matter what level of the Grange, the quality of the organization relies on the quality of its leaders. True leaders do more than attend a monthly meeting and don a sash. Those most effective officers are those that lead the way – and work alongside – their members. This is no easy feat, but worth the effort. In the Secretary’s charge in the 4th Degree, the secretary instructs new members, “In our fraternity there is work for all and those reap the most abundant harvest of Grange benefits who contribute most liberally of their own time and talent.”

As the Grange in Pennsylvania celebrates 150 years, it is critical that officers in all Granges step forward to lead their members through the difficult waters of change – to celebrate the

achievements of the last 150 years and identify how the Grange can move forward toward the next 150 years. The accomplishments of the past are worthy of recognition, but they do not light our way to find new ways to be relevant and serve our communities. Our leaders have the potential to be that light, leading our Granges into the future – if they are up for the challenge.

As Former CEO of General Electric, Jack Welch, once said, “A leader's job is to look into the future and see the organization, not as it is, but as it should be.” Let this 150th Anniversary be the fuel to spark our enthusiasm to find that light – and be that light – in our Granges.

6. Honored guests recognized were Betsy Huber, National Grange President and Past Pennsylvania State Grange President and National Grange Representative. A prerecorded recording was played at this time. President Huber encouraged everyone to attend the National Regionals. She recommends everyone attend the 154th National Grange Session in the Great Plains Region.

President Campbell called Sister Mary Jane Kent and Sister Marty Dinsmore to the stage. President Huber recognized Harveys Aleppo Grange #1444 for being a Distinguished Grange in 2019. National Grange also recognized the Kent family in the Grange Legacy Families program through six generations within the Grange.

Past State Presidents Elizabeth Downey, Carl Meiss and Past First Lady and Past National Priestess Annalist, Fae Snyder.

It’s a good thing to be a Granger.

12. Sixth Degree Committee Sister Denise Clare Berks County and Sister Anna Heffner Berks County.

With a total of 134 Delegates present at this time. President Campbell confirmed that we do have a quorum and can proceed with our work.

20. President Campbell introduced Secretary of Agriculture Russell Redding. He is a former Dean of the School of Agriculture and Environmental Sciences at Delaware Valley University formerly Delaware Valley College. Secretary Redding has spent more than 20 years representing Pennsylvania agriculture as a public servant in Harrisburg and Washington D.C. A native Pennsylvanian, Redding grew up on his family's dairy farm and now operates a general crop farm in Gettysburg with his family. He is a graduate of Penn State's College of Agricultural Sciences.

Secretary Redding thanked the Delegate body for all their work. We all look at things differently than we used to. He's very proud of what Agriculture did in the past year and half. Helped make people know the importance of where our food comes from and how important farmers are. Thank you to the Grange for your voice and what you do. You do have a voice!

One issue the Department of Agricultural is dealing with is deer herds, the number of deer herds in Pennsylvania have greatly increased. This increases the risk of CWD and the ability to control it more difficult.

21. Sister Jane Birk, Chair of the Good of the Order Committee presented the following resolutions because "Our State Grange Bylaws" state in paragraph 1.14.2 any proposal to amend these By-Laws shall be submitted in writing, including the recommended language for the change, and reported upon by the Committee on By-Laws one full day before being brought to the floor for a vote of the delegates.

Sister Bailey was very excited with Family Festival. She had a marketing meeting. What worked in your Grange and what didn't? A Junior Granger, Elsa, attending the workshop stated she wanted more things with animals and more things with her friends.

Sister Bailey offered to come to your Grange or be on Zoom. Just reach out to her for assistance. Sister Bailey's report was accepted and will appear in the *Journal of Proceedings*.

23. Discussion on National Grange Headquarters with President Huber. National Grange has owned the building for 61 years. The building needs a lot of work. Things are not up to code. They have fixed the boiler, air conditioning, redid the conference room, but there are many more things that need to be repaired.

However, the location may not always be the best place with things that are happening at the Nations White House.

What happens if the Government uses eminent domain and just takes the building? Planning ahead with two attorneys in case the Government does use eminent domain on the location and building.

24. Door Prizes were given by the Host Committee.
25. Session recessed for lunch at 12:04 PM.

A motion was made and seconded to put a period after priority and strike the words “in the postal delivery system”, motion carried. The resolve now reads—

RESOLVED: that the Pennsylvania State Grange join with the National Grange to lobby the Postal Regulatory Commission and the Postmaster General to direct the U.S. Postal Service to make timely delivery of living organisms (such as chicks and bees) and other time-sensitive shipments be made a priority.

33. Door Prizes were given by the Host Committee.

A very impressive program honoring these veterans for their service to their country and their fellow man. We thank you for your service.
38. The first and second degrees were presented by Valley Grange #1360. It was a beautiful, impressive and an excellent presentation.
39. Junior Grange Director Philip Vonada introduced Sadie Johnson and Harvey Reyburn, the 2021-2022 Junior Grange Ambassadors.

Sadie Johnson has been a Junior Granger since the age of five. She is a member of Hookstown Junior Grange in Beaver County. She attends South Side High School and is in the 9th grade. Sadie feels that it would be beneficial if the Grange would reach out to other organizations and give them more information of, who we are and what we can do for them and the impact that we have on agriculture.

Harvey Reyburn is a member of Russellville Junior Grange 550 in Chester County. He is in the marching band and concert band in school. He is a member of Boy Scout Troop 44 where he is a Patrol Leader. Through the Grange he has learned of some of the issues farmers face. One of the major issues of Agriculture today is that food is falsely advertised. For example, please explain to me how you milk an almond. Harvey thinks the Grange should advocate on educating people on the importance of good quality real fresh food. The Grange should continue to support young people who are interested in agriculture because this will help agriculture get the support they need.

90. Sister Betsy Huber expressed we are really blessed in Pennsylvania with all our Youth. She said it is a pleasure to be with us this year. Sister Huber thanked everyone for all the support of her in National and knowing that we have her back.

March 13, 2020, everything stopped, lives changed overnight. Families had to adjust to being at home with families. What benefits has the shutdown done for us? Stronger families, re-learning to cook, accomplishments, computer skills (zoom), fundraisers and who to serve our communities.

Sister Huber is amazed and proud of Grangers for their creativity and perseverance through this time. It has really been wonderful to see. This Pandemic has really caused a reset in our society. Many have learned what is really important in their lives.

They really want to help others and make a difference in their communities because it makes them feel good. It fulfills them and lifts their spirits. The ability to join together as one voice to influence the Government and make a difference in their lives and economic health. This is not changed even though 150 years have passed. As families look at their lives and things open up again, we need to let them know that the Grange can fulfil the needs that they have discovered, family time, helping others, socializing with others in their communities and getting to know their neighbors. Teaching them how to make a difference in community issues as well as in legislative issues. We need to let the world know what we have been doing. Take advantage at this time to invite your neighbors to join you. Things have changed, society has changed. The Grange was out there during the Pandemic and still doing things for their communities. Keep up the great work and open your doors to the public. Next year she would like to see twice as many people at the "All Granger's Banquet" and twice as many Delegates.

91. President Wayne Campbell thanked the Host Committee for all their hard work and for a fantastic session. He also thanked Carrie Nace for attending the session and to learn more about what the Grange is.
92. President Wayne Campbell presented the Granger of the Year Award. He started by eliminating Grangers by asking everyone to stand up and everyone under sixty was asked to sit down. He then asked everyone who lives West of the Mississippi to sit down. If you are not a resident of Berks County, sit down until Sister Nettie Kauffman was the last one standing. The 2021 Granger of the year was awarded to Nettie Kauffman, Berks County. Sister Kauffman has been a member of the Grange for almost 65 years and started out as a Junior Granger. Sister Kauffman stated that she is not the only one that does the work, it's her whole Grange. Sister Kauffman is a member of Ontelaunee Grange #1617. She has dedicated her life to the Grange and enjoys what she does. Sister Kauffman thanked President Campbell for the award.

Fraternally Submitted,
Debra Campbell, State Grange Secretary

PRESIDENT/MASTER'S ADDRESS

President's Address to the Delegate Body 2021

Worthy National President, Delegates, Officers, fellow members, and guests of the 149th Annual Session of the Pennsylvania State Grange. This past year has been a very trying year for all of us. We were fortunate to

be able to hold an in-person session last year at the Ambassador Convention Center in Erie Pennsylvania. They were excited to have us as we were their first convention since March of 2020.

The National Grange Convention is held in November and was to be held here in the Valley Forge Casino and Resort Convention Center. Many people here today had spent a lot of time researching tours, checking out transportation needs, getting a group of people lined up to iron all the 7th Degree gowns, planning a great event for Juniors from across the nation, only to have everything come to a screeching halt. This was not only people here in Pennsylvania but included Grangers all along the east coast who were a part of the Hosting committee. I would like to thank National Grange President Betsy Huber for her efforts to get the National Grange session back here as soon as possible.

December was again a very different December. Debbie and I did not attend any Grange holiday events in 2020.

January brought with it more disappointment with the cancellation of the Pennsylvania Farm Show. The Juniors and Youth Royalty normally participated in the PA Preferred Dinner and then worked in the Grange stand Saturday and Sunday. This was another experience they did not get to share in. I would like to thank Carrie Nace for arranging for participants in our virtual Farm Show meeting on Broadband and Lizzie Bailey for setting up the ZOOM and YouTube connections. This allowed us to continue to push for adequate and affordable Broadband.

I would like to thank the many Granges who continued to be an important link in their communities even as Covid 19 ravaged the state. They held drive through fund raisers, they opened their halls to serve as food distribution centers, they made masks and distributed them to those who needed them and helped in so many other ways. It truly exemplified the lesson to persevere.

February brought several ZOOM meetings on Broadband as legislators finally got the message that we live in a have and a have not world when it comes to Broadband. Students were trying to learn virtually but many had no access to the internet. Our daughter is a Special Needs teacher. She was making rounds to her students who did not have internet or who were having difficulty learning online and dropping off assignments and picking up previously dropped off assignments. No, she was not being compensated for this additional work and travel. It was dedication to seeing her students not get left behind. If you talk with many teachers, they will share similar stories.

February was the start of a new Grange journey for the Pennsylvania State Grange. I was contacted by a realtor I had been working with about a property in Juniata County that he thought might meet our needs. After three months of visits, talks, and negotiations, on May 11, 2021, at 3:00 pm we signed the paperwork purchasing the property at 26 CJEMS Ln., Mifflintown, Pa. 17059. We now have a new office for the Pennsylvania State Grange. We moved the office from Lemoyne over the Memorial Day Weekend. Thank you to the many Grangers who gave up part of their holiday weekend to assist with the move. Using a closed trailer, an 18-foot open trailer, and several cars and trucks we got almost everything into the new office. Father's Day afternoon Debbie and I moved the last pickup load of items out of 20 Erford Rd. I had advised Linlo Properties we may be purchasing a new property and again as soon as we finalized the purchase. They began looking for a new tenant as soon as I told them we may be moving. It took a while, but by mid-August they had found a new tenant. Our lease ran through July 2022, but we were able to terminate the lease effective December 31, 2021. This will save us just a little over \$20,000.00.

I did an interview with a local TV station in late February when our local physicians' offices were removed from getting the Covid 19 Vaccines. The family practice office Debbie and I rely on had over 900 people on the list when they stopped receiving the vaccine. The one point I made in the interview, rural people were not asking to be first, we were simply asking to be included. Here again it was a Broadband issue. All

appointments had to be scheduled online and many people in rural areas didn't have access. People could call their family practice.

In March I participated in training for Penn State Capitol Day which was being held Virtually. Since it was virtual you were paired with people you would have been with had it been in person as well a Penn State support person. The event was held on March 18, 2021. Although we were unable to get additional funding for the Land Grant part of the University, they maintain level funding. I encourage you to talk with your legislators about increasing this line item in the budget. They are currently being funded at a 2011 rate. This means cutting expenses which translates into lost personnel, not being able to purchase new equipment, not maintaining properties, etc. which eventually will start to show in the research they provide that keeps our farmers on top and our food supply safe, and battles things like the Spotted Lantern Fly.

Due to a severe injury, I suffered in April, I was unable to travel through mid-May. Covid 19 Vaccines were becoming more available, and Granges were beginning to have in person meetings, do more dinners, and host community events.

At the end of June, the government mandates on mask wearing, except in medical facilities, business restrictions, etc. came to an end. Vaccinations had steadily risen to a point where you could almost feel safe.

The Youth and Juniors were optimistic they could have in person camps. We were planning for and looking forward to Family Festival. The great news is all these activities went as planned and had good attendance. Thank you to everyone who helped at these functions. These are all group efforts to make them successful. Debbie and I traveled to Sturgis South Dakota along with our Grandson, Bryce Danko the National Grange Junior Ambassador, to attend the National Grange Revival. We had a wonderful time reuniting with Grange friends from across America and making new friends. We took in many of the National tourist sites and, as a group, we went to Mount Rushmore and attended the lighting ceremony. It was an amazing site, and two military jets unexpectedly flew over.

But then the Delta Variant gave rise to yet another increase in infections and deaths. Vaccination became even more important to prevent being hospitalized and preventing deaths. Unfortunately, there has been so much political turmoil in the past year, it has been hard to get anyone to focus on the common good.

We must continue to promote the Grange in all our communities. We are still one of the best kept secrets. I continue to get comments from people when I ask them if they know what the Grange is, they tell me it's that building along route so and so. We cannot expect to grow if we are not willing to let others know what we do, what we have to offer them, and most importantly, invite them in. In this time of political turmoil, we are needed now more than ever.

September brought some very exciting events. Virginville Grange #1832 in Berks County was finally able to celebrate their 100th Anniversary. They had to cancel the event twice due to Covid but were excited when we all gathered at C J Hummel's Restaurant on September 12, 2021. Debbie and I visited Eagle Grange #1 in Lycoming County on September 18, 2021, as they celebrated 150 years of continuous service. This event was followed by a dinner at the Country Cupboard Restaurant in Lewisburg Pa. where the History Committee officially kicked off the celebration of the 150th Anniversary of the Pennsylvania State Grange which we will celebrate in 2023. They had a beautiful candle lighting ceremony talking about the first 25 Granges that were started in Pennsylvania leading to the formation of the Pennsylvania State Grange. Meecee Baker gave an excellent talk that should provoke discussions among us as to how are we going to assure we are still active in another 150 years? She focused on the letter "P." Her main point was, are we willing to "pivot" or in other words, are we willing to change to maintain the Grange? The answer to that is in your hands.

Even with the political turmoil we have seen strides in the legislature over the past year. Here is a listing of actions that have been taken:

Agricultural Legislation

HB101 provides limited liability to farms engaging in agritourism or agri-entertainment. Status: passed by the Pennsylvania House and Senate and signed into law as Act 27 of 2021. This was a big win for the Pennsylvania State Grange.

HB187 limits liability for milk being donated to hunger programs. Status: passed by Pennsylvania House on February 5th and is in Senate Agriculture Committee.

2021-22 State Budget

2021-22 State Budget enactment: Governor Wolf's proposal to seize monies from the PA Race Horse Development Fund and use it for non-agricultural purposes. Status: The proposal was rejected as part of the State Budget passed by the General Assembly in 2021. This was another win for the Pennsylvania State Grange and Pa agriculture.

Supported increased funding for Penn State College of Agricultural Sciences and Penn State Extension. Status: enacted 2021-22 State Budget continues funding at current level, unfortunately no increase in funding was provided.

Supported continued funding for University of PA School of Veterinary Medicine. Status: Was funded in the State Budget

Advocated doubling the PASS line item in the State Budget. This program provides fresh farm products to food banks in PA. Status: PASS line item was increased in the 2021-22 state budget

As always, it was a busy year in Harrisburg, even with the Covid 19 Pandemic. Please continue to communicate with your Senators and Representatives voicing your concerns about the need for adequate Broadband. The Pandemic has really brought to light the existence of the Digital Divide creating the have and the have nots.

I ask that you invite myself or any of the Pennsylvania State Grange officers to attend your meeting and talk about what the Grange is doing for you and your community. Go to the Pennsylvania State Grange website and view the slide presentation under the History tab. This is a wonderful presentation to introduce new people to what the Grange is and what we have accomplished over the last 150 plus years.

REPORT OF OVERSEER

Worthy Master, National Representative, State Officers, Delegates, and Guests.

As my first year as your State Overseer comes to an end, I can really say that the 2020 – 2021 Grange year has been very different, thanks to the Covid-19 pandemic.

After the October 2020 State Session in Erie and change in some officers we reorganized the State Grange Executive Committee appointing Barb Schroeder chairman for the 2020 – 2021 year. As the year started out the State Grange Executive Committee had to hold its meetings by way of Zoom. That sure was different. But the committee persevered and accomplished the business of the Grange at hand.

In January 2021 Vince Phillips are legislative Director retired so we had to replace him. We interviewed a firm in January 2021 and hired them to replace Vince Phillips. Are new legislative group being Novac Strategic Advisor's and Carrie Nace is our Legislative Consultant. She has been doing a great job.

Another job we were charged with was the Grange News, by now you should have seen several months copies of our new Grange News which we are doing in house. We need to thank Lizzie and Brittany for the work they are doing with the magazine.

Over the past several years we have been discussing on looking for a new place to call our State Grange office home. Wayne has been doing a great job in looking for someplace. On March 10, 2021 we had the opportunity to view a property/building that Wayne had found and thought it might make a good State Office. We as the Executive Committee looked at it and after discussion made an offer on the property. Today we have a new location for the Pa State Grange Office at 26 CJEMS Lane Mifflintown Pa. 17059. If you have the opportunity to stop by and check out the new State Grange Office, I know you will be well pleased.

We as a committee have had to deal with many Grange issues. Some Grange closings and some Grange consolidations. We are not always happy with what we have to do but these are the times we are in.

I can truly say this has been a challenging year for all the Granges. With the Covid-19 pandemic in full force, Granges had to close down meetings and were restricted from doing any type of fund raisers or community service in person projects. Granges struggled with ways to raise money to pay their bills and keep their Granges alive. We as the Executive Committee heard your problems and we came up with a loan program to help Granges during the Covid period. As to date I did not hear of any Grange that took advantage of this program.

During the Covid-19 pandemic I heard of a lot of Granges across the State doing whatever they could to help their communities in need. From holding food drives, making and distributing masks, and giving food to Hospitals for their staff working around the clock as well as many other services. I want to say THANK YOU to all those who went above and beyond to help those in need.

We as Grangers will continue to have many challenges in the coming months and years. We need to step up our efforts in rebuilding our Grange membership. We have so much to offer our communities which they don't even know about. We are our own worst enemy as we are afraid to tell those around us our story and ask them to join us. If I can be of any help in your Grange just ask and I will do my best to help you in any way I can.

I want to thank all those who have worked hard for the Grange in the past year, Wayne Campbell, Debbie Campbell, Lizzie Bailey, Brittany Covey, Barb Schroeder, Janet Pratt, Ruth Vonada, and Dr. James Diamond. What a great group.

Sincerely;
Richard Mangel
State Grange Overseer

REPORT OF THE PA STATE GRANGE EXECUTIVE COMMITTEE

National Master Betsy Huber, Worthy Master, State Officers, Delegates and members of the Pennsylvania State Grange, I am pleased to present the final report of the 2020-2021 Executive Committee.

These were your members serving on the 2020-2021 Executive Committee.

Wayne Campbell – President
Richard Mangel– Vice President
Dr. James Diamond
Janet Pratt
Ruth Vonada
Barbara Schroeder, Chairperson 2020-2021

Thank you to the Southeast Region Host Committee for the 149th Annual Session of the Pennsylvania State Grange in Valley Forge. Planning session in any year is difficult and time consuming and to do so during a pandemic is even more difficult. From working with a hotel that has only been partially open for the last 18 months to using Zoom for meetings to promote the safety of members, you have persevered over the challenges.

This was a year which started with life on hold for various Grange events. National Session which was to be held in Pennsylvania in November 2020 went virtual due to the pandemic. In January, the Farm Show was held virtually which is traditionally a large event for the Grange involving dozens of volunteers of all ages (not to mention the many cookbooks which are sold there). As the year progressed, things started to move in a positive direction. Our Youth and Juniors were able to hold their camps in person with a few adjustments due to the ongoing COVID pandemic. We were able to gather with our Grange family at Family

Festival in July. We were also able to return to Ag Progress Days in August. Last but not least, here we are at Session with all Grange members able to attend.

Several significant changes have occurred for the Pennsylvania State Grange over the last twelve months. We have successfully moved the publication of the PGN to the Pennsylvania State Grange Office accomplishing the savings that was desired by the Delegate Body in 2019. Thank you to Brittany Covey, Lizzie Bailey, and Jane Birk for all their work on assembling, proofreading, and designing each PGN. We hope that everyone has enjoyed the publication since the change. There have been some speed bumps in the process, but we feel we have been able to still produce a quality publication at a savings to the Grange. We would also encourage anyone to submit information to the PGN about their Grange events and accomplishments. This is your magazine and your place to share your ideas and successes.

With the retirement of Vince Philips, we needed to find a new Legislative Consultant. We believe we have found a good fit in Carrie Nace from Novak Strategic Advisors. If you haven't taken the time to read her articles within the PGN, please do so. If your Grange has a legislative issue they would like help with, Ms. Nace can help you, please reach out to her.

The biggest change for the Pennsylvania State Grange in many years was the successful purchase of the new State Headquarters in Mifflintown. This has been a focus for the Executive Committee for many years and we are glad to have found a space that will fit our needs for years to come. Formerly a retail space, it has two spacious floors with plenty of room for office space for our Master, office secretary, State Grange Secretary, and our consultants. It has a large space that is presently being used for a conference room. The first floor has plenty of space to display some of the historical items collected by the Grange. The lower level is presently being used as storage, but the Executive Committee is looking into renovations to allow for sleeping quarters in the lower level for use by future Masters who may need to stay at the office from time to time. In the near future, President Campbell will be scheduling work days to get members to help with cleanup and simple maintenance. If you haven't been out to see the office yet, this would make a great time to come by and get a tour!

In September we were able to (finally) celebrate the kickoff of the 150th Anniversary Celebration for the Pennsylvania State Grange. MeeCee Baker was the speaker at the event and made some excellent points for the future of our organization. With her permission, here are the highlights of her presentation, which focuses on "P's."

- It is **PEOPLE** that make Grange memories special.
- The Grange is in crisis and we have to **PAY** attention to membership and Grange Hall loss trends. If we don't pay attention and **PIVOT** to take decisive action, the Grange will be without members in less than 20 years. To do so, we have to know ourselves as a rural service organization.
- **PROVIDE** a statewide membership option.
- **PURGE** the policy manual as many of the policies are outdated and harmful to progress.
- **PARTICIPATE** in a statewide service project like Perry County Pomona Grange recently did (they paid 4-H dues for every youth in the county wishing to participate).

I believe that this is important food for thought for all levels of the Grange, and believe these items would be an excellent topic of discussion at your Subordinate Grange.

Thank you to everyone who has made this year successful despite the challenges, including President Wayne Campbell and all the State Officers, Lizzie Bailey, our Membership/Public Relations Director, Carrie Nace, our Legislative Consultant, and Brittney Covey, our office secretary. Additionally thank you to our Department Chairs for all they do throughout the year: Junior Director Philip Vonada, Youth Director Ellen Wadsworth, Family Activities Director Melanie Melius, and Deaf & Community Service Director Rachel Bailey.

We look forward to continuing to serve you, the members of the Pennsylvania State Grange, in the upcoming year.

Respectfully submitted,
Barbara Schroder
Executive Committee Chair

REPORT OF THE LECTURER

Worthy Master, Distinguished Guests, Delegates, and Fellow Grangers,

It has been my honor and privilege to serve the Pennsylvania State Grange as Lecturer this past year. My committee and I have striven to diligently carry out the work of the Lecturer's Department, as well as develop contests and programs for the coming years. A year and a half has passed since the COVID pandemic began and we continue to see the impact of COVID on our Grange work. The committee and I have tried to be responsive and flexible to continue the work of the Lecturer's Department, even though it may have looked different than in past years.

Although it may have looked different than past years, it has certainly been a busy year since last October. As we get closer and closer to the Grange's sesquicentennial anniversary, I have been working with the History Committee to develop plans for this significant occasion and all the events associated with it.

Since it was still not safe to meet in large numbers in-person this past spring, the Regional Leadership Conferences were moved to a virtual medium. The Lecturer's Department coordinated a series of Virtual Leadership Workshops that were presented on Saturday mornings throughout the months of March, April, and May. Thank you to the State Grange officers, departments, and staff for presenting workshops!

- March 20, 2021 – Legislative – Carrie Nace, State Grange Legislative Director

As always, the summer seemed to go by in the blink of an eye! It was wonderful to see Grangers at the events this summer! In July, I attended the PA Junior Grange Camp and served as a counselor for the week. I led the Literary Program and Vespers workshop. It was a wonderful opportunity to work with other Grangers and to see the amazing gifts of our Juniors. Shortly after Junior Camp, Family Festival was held. I coordinated a Paint and Create workshop led by Jackie Gianico, a painting instructor from State College. Jackie led the group in painting a nighttime firefly scene. Everyone had a great time and left with a beautiful painting they had created! I also led Minute to Win It games on Friday evening of Family Festival. It was a wonderful evening seeing Grangers of all ages participating, competing, and laughing together! The Talent Contest was also held at Family Festival and I am pleased to report the following winners:

Vocal:

- 1 – Kay Reyburn and Cassy Kehs, Russellville Grange #91, Chester County
- 2 – Merle Reyburn, Russellville Grange #91, Chester County

Congratulations to Kay Reyburn and Cassy Kehs of Russellville Grange #91 in Chester County for being selected as our Best of Show winners! Kay and Cassy will represent Pennsylvania at the Evening of Excellence at the National Grange session in Kansas this November.

I know that our Grangers have many talents and I urge you to enter the talent contest to share those talents. Please encourage your fellow members to share their gifts too!

August and September were full of anniversary events. I was honored to attend and participate in Eagle Grange #1's 150th Anniversary Celebration on August 7, 2021. I also was pleased to attend Virginville Grange #1832's 100th Anniversary Celebration on September 12, 2021. On September 18, 2021, I also attended and participated in the Pennsylvania State Grange's 150th Anniversary Kick-Off Luncheon. There are many exciting activities and events planned during the next two years leading up to the 2023 State Grange session. This is a momentous achievement for the State Grange and I hope that all members across the state are proud and excited to play their part!

After wonderful participation in the Virtual Photography contest last year, plus much positive feedback, the department has moved the photography contest to a virtual medium for the year (and in the future). As Granges have been unable to "do what they have always done", we have seen many Granges think outside the box and try new projects and activities. To recognize that Granges tell their "Grange story" in many different ways, we are also adopting the Creative Connections contest in place of the Community Night/Open House contest. Granges who have held traditional Open House programs should still report on their Open Houses. Granges who did not hold an Open House, but held another designated activity or program to share their story, should fill out the form accordingly.

Words cannot adequately convey my appreciation for all of the support I have received this past year. I am honored to be serving the Grange in this role and I hope to continue to be a support to Subordinate and Pomona Lecturers throughout Pennsylvania.

Thank you to Brittany Covey in the State Grange office for all of her help. Thank you to my fellow State Officers and the Executive Committee for all of their support. Thank you to our Worthy State Master Wayne Campbell and State Secretary Debbie Campbell for all of their help and support.

I appreciate all of my Grange mentors for their support and always lending an ear or offering advice or help.

"Thank you" does not seem sufficient to share my gratitude for the Lecturer's Committee for all of their hard work throughout the past year! I could not do it without you! A special note of thanks to Miranda Irons and Dena Zvarick who have stepped down from the committee in the past year – thank you for all of your help and support! Welcome to Ashley Mohn, who has graciously agreed to serve on the committee. I'm thrilled to work with such a great team!

REPORT OF STEWARD

Greetings Worthy State Master, National and State Officers, Delegates and Members of the Pennsylvania State Grange.

It, of course, has been another interesting year in regards to COVID and politics but I won't be giving my thoughts on those items in my report. I will simply recap my Grange activities from the past year.

It was a different experience running my first full slate of officer elections. I feel it went rather well, despite the COVID restrictions and abbreviated schedule. I learned a few things to change or do in a different order. This year we will be only electing one officer and I want to thank everyone for their cooperation and a special thank you to my three tellers that will count the votes.

I was able to attend the coronation for the Berks County Junior Grange Royalty and spent the week at State Jr Camp as a counselor. This was my 25th year at State Junior Camp as either a camper or staff member. After leading the opening and closing drills each day of camp for many years, we switched it up and I taught the campers how to run a proper Jr Grange meeting. Every year with the Juniors creates great memories. My final significant Grange events were helping the first day moving the State Office and unloading the new cookbooks. I look forward to the State Grange fully utilizing our new building.

I look forward to another successful session and year serving as your PA State Grange Steward.

Fraternally,
Andrew Kieffer

REPORT OF CHAPLAIN

Worthy State Master, National and State Officers, Delegates and Members of the Pennsylvania State Grange,

I have had an incredible honor to represent PA State as Chaplain for the last year. In the course of 2021, I have written over a half dozen articles for the PGN and participated in a few state events. One of my favorite events that I got to participate in was the 2021 PA State Grange Junior Camp—Wilderness Survival. I was able to join the kids for a couple of days and go into the wilderness with them. From the first night we got there, they were able to acquire necessary traits to conquer the outdoors through various bible stories: bravery and courage through David's experience with Goliath; Strength from Sampson; Trust with Noah; Protection with Daniel in the lion's den; Love from Jesus; and Wisdom through King Solomon. Who does not love hanging out with the young juniors? They are the future for our organization!

Shortly after Junior camp, we moved right into Family festival in July. My very good friend Rev. Millie Baker, came to Centre Hall to give the message and spend time with our group. It was such a delight to see the children partake in the church service that morning as well. This was one of my main goals for this year.... To get the kids more involved and active in church services. I want them to feel like they matter and are important in God's eyes.

Life seems to be picking up once again after a year off from covid. God has used covid to remind us of our many blessings and to be thankful to those in our lives that are near and dear to our hearts. I look forward to seeing what the next year brings for our organization and what new things I can contribute to it! God Bless!

Love Always,
Jodi Keith Kensinger
Pennsylvania State Grange Chaplain

REPORT OF TREASURER

Worthy State Master, National and State Officers, Delegates and Members of the Pennsylvania State Grange, it is a pleasure to bring you greetings from the office of Treasurer at this 149th Annual Session of the Pennsylvania State Grange.

Today, we are reviewing financial information for the fiscal year ending June 30, 2021. My records, as well as the records of the Department Heads and State Office were forwarded to the accounting firm of Hamilton & Musser, P.C. in Mechanicsburg. The audit was performed under the direction of Zachary Smith.

As your Treasurer, I am responsible for keeping the financial records of the following accounts: the Scholarship Funds including the Leonard Rhone Grant, Ellis M. Santee Loans, Subordinate Grange Trust Funds (for both Active and Closed Granges), Subordinate Grange Improvement Loans, Lifetime Membership, Property Account, Emergency Fund and a portion of the general assets of the PA State Grange. I also manage the assets of the PA State Grange Foundation.

Scholarship Funds:

During the fiscal year ending June 30, 2021, one grant was awarded from the Leonard Rhone Scholarship Fund. This \$300 grant is available to Grange members in good standing. The student must attend Penn State and preference is given to those who pursue the study of agriculture or home economics (known today as Human Development and Family Services).

There were two (2) loans of \$2,000.00 made during the past fiscal year from the Ellis M. Santee Trust. The late Ellis M. Santee, a country doctor from Shickshinny and an active Grange member, established the Santee Student Loan program. This student loan is available to members of the Grange or children of Grange members. The Santee Loan program operates on the interest earned on the investments and is administered by Wells Fargo. These loans are to be repaid within three (3) years of graduating from or leaving school and are interest free. The program depends on the student's repayment of the loans to ensure continuation of the program.

During the fiscal year ending June 30, 2021, there were twenty-nine (29) students involved in the program. One (1) student completed the repayment of their loan during the year.

Applications are available from the State Office and can be downloaded from the PA State Grange website, www.pagrange.org. This is one of our benefits that continues to be promoted to help add and retain younger members.

Subordinate Grange/Pomona Grange Trusts:

These are funds received by Subordinate and Pomona Granges from the sale of Grange real estate. The National Grange Digest requires that these funds are to be held in trust and invested by the State Grange with no less than 90% of the interest being returned to the Subordinate or Pomona Grange every six (6) months, as long as the Subordinate or Pomona Grange remains active. The PA State Grange returns 97%. During the fiscal year ending June 30, 2021, there were one hundred-four (104) Granges with invested funds. Thirty-Five (35) of those Granges are closed. Four (4) had their assets transferred to the State Grange after having been closed for seven (7) years. Three (3) Active Granges merged their assets. One (1) moved from Active to Closed. Four (4) Closed Granges and four (4) Active Granges added funds to the trust for the first time.

Subordinate Grange Improvement Loans:

During the past year, the State Grange Master and Executive Committee continued the program of loaning funds to Subordinate Granges desiring to make improvements to their Grange properties. These funds are from the Subordinate Grange Trust funds from the sale of Granges who have surrendered their charters. These funds must be held in trust for seven (7) years in the event the Subordinate Grange would reorganize. This program invests Grange dollars back into Grange improvements. Three (3) new loans were approved during the fiscal year ending June 30, 2021. There were six (6) Granges with loans in the program. Granges interested in utilizing this program must submit an application to the State Office for approval by the State Grange Master and State Grange Executive Committee.

Lifetime Members:

As of June 30, 2021, there have been a total of 1,604 members who have become lifetime members since the program's inception in 1984. No new lifetime members were added during the Grange fiscal year due to the delegate body's decision to discontinue offering new lifetime memberships after December 31, 2019.

In closing, I thank you for your trust and confidence. The Executive Committee and I continue to look for ways to improve the return on investment for all assets of the PA State Grange, the Active & Closed Grange Trust Funds and the Grant and Scholarship Funds. I will continue to work to keep the best interest of the Grange and its membership in mind when considering future investment options.

Fraternally submitted,
Henry L. Seidel, Treasurer

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

September 24, 2021

Wayne D. Campbell, President
Pennsylvania State Grange
26 CJEMS Lane
Mifflintown, PA 17059-8334

Dear Wayne,

I am writing this letter to explain the delay in finalizing the June 30, 2021 review of the Pennsylvania State Grange financial statements.

As of today, we have not received all of the items needed to complete the review. Please note that this is not due to anyone purposely not providing the needed documents. However, there has been a delay in the ability to obtain certain annuity statements from the investment broker. Once these are available to us, we will move quickly to complete the June 30, 2021 review.

Thank you for your assistance and your patience in this matter. Please let me know if any additional details would be helpful.

Sincerely,

James A. Krimmel, MBA, CPA, CFE, CFF

In November, the Worthy State President/Master and I attended the National Grange Convention via Zoom as your Delegates. We were able to complete the necessary business but the fellowship of being in person was definitely missed.

In January, unfortunately the PA Farm Show was held virtually. It was very disappointing as we didn't get the chance to interact with the public. Hopefully next year will be much better and we will be able to have an in-person PA Farm Show.

Wayne and I were again thrilled to be able to attend Youth and Junior Camp! We both love spending time with our young people and all the enthusiasm they have about the future of the Grange. A special thank you to Ellen and Philip for giving us the opportunity to join them for Youth and Junior Camp!

Family Festival—Centre County—Wayne and I, along with our daughter Jennifer, and her husband Ken, our Grandchildren Bryce and Riley, and many Grange friends volunteered to prepare breakfast for Friday, Saturday and Sunday, as well as lunches for Friday and Saturday and Saturday dinner. My family and I have been cooking for Family Festival for 16 years (I remember the number of years because our first year of cooking, our Grandchildren, Bryce and Riley were just babies). If you have never attended Family Festival, please consider joining us. It is a great weekend of fun, fellowship, relaxation and delicious food (not that I'm partial or anything)! I know you will not be disappointed!

We attended the National Grange Rival in South Dakota. Bryce Danko, our Grandson and one of the National Grange Junior Ambassadors joined us on the trip and was able to help Wayne drive. We had a great time with many Grange friends and hope to be able to attend the next one in 2023 in the Upper Peninsula of Michigan.

We attended Virginville Grange #1832's 100th Anniversary which was very exciting and impressive. Then we attended the 150th Anniversary at Eagle Grange and the kickoff of the 150th Anniversary of the Pennsylvania State Grange hosted by the History Committee. They did a fabulous job with the celebration. The candle lighting ceremony was very impressive as they recognized the first 25 Granges in Pennsylvania.

We were able to visit the Great Allentown Fair, Centre County Grange Fair, and Elizabethtown Fair. We had a great time working in the Milkshake stand at the Elizabethtown Fair, thanks to Matt Espenshade and Sandy Witmer! Of course, we are still co-chairs of the Perry County Pomona Grange Fair food stand. It was great to have an in-person fair, but unfortunately the numbers were down, but the stand still did very well.

I would like to thank Brittany Covey, Pennsylvania State Grange Office Secretary, for all her assistance this past year. She continues to be a great asset to the Pennsylvania State Grange.

I would like to thank the 2021 Host Committee for inviting the Pennsylvania State Grange to hold the 149th Annual Session in King of Prussia, Montgomery County.

It is indeed an honor to serve as your Pennsylvania State Grange Secretary.

Fraternally Submitted,
Debra Campbell
Secretary

REPORT OF GATEKEEPER

Worthy Master, fellow officers, delegates, members and guests of the Pennsylvania State Grange annual session.

2021 has been an exciting year as Keystone Grange, as well as Granges across our state, began to hold in person meetings and additional events. I was on the host committee for State Session in Valley Forge. There were many Zoom meetings as well as site visitations.

At my home Grange, Keystone #2, we held a spaghetti dinner, flea market/craft vendor fair, and a community service project where we filled backpacks for children in difficult family situations. Our most popular event – the “Ladies Afternoon Tea” was a major success after postponing it last year.

I Attended the 150th Anniversary Kick-off lunch in September after the Eagle Grange Open House. As Keystone Grange #2, we are the next organized Grange in our state. Hard to believe there was only one Grange for two years. As this will be my final year as Gatekeeper, I want to thank Carl Meiss, Beth Downey, and Wayne Campbell for your guidance and support.

To the fellow state officers I served with, you have made the journey a very special one and I will never forget my time in office. To the delegates and Grange members across the state, I thank you for your vote of confidence, I hope I served you well.

My greatest accomplishment as Gatekeeper has yet to come. My ultimate goal is to pass the sash on to a youth member who I know will serve our state well.

Fraternally,
Gene Zvarick
State Grange Gatekeeper

REPORT OF CERES

Worthy Master, fellow officers, delegates, members and guests of the Pennsylvania State Grange annual session.

This past year has perked up from previous, however was still not ideal. I was able to complete my final year of college with a hybrid model, graduating in May with my Masters of Occupational Therapy.

After attending State Session in October, I continued to participate and attend Elizabethtown Granges monthly meetings. I also helped Pioneer Grange #1777, complete their Thanksgiving Potato Filling Sale making over 600 pounds of filling.

Unfortunately, this year I was unable to attend Elizabethtown Granges annual Christmas party, however, their continuous support and open arms have never gone unappreciated. They have been a phenomenal example of what the Grange is all about. Due to COVID- 19 open houses. I was unable to attend Youth and Junior camp due to completing clinical, however, I heard it was a great time reconnecting with everyone in person.

I have greatly enjoyed watching our Junior Prince and Princesses as well as Youth Ambassadors over the last few years grow and flourish promoting the organization we are all so humbled by. It adds a new perspective into how I was changed by the organization back when I was representing the Grange on those levels.

Grange not only makes an impact on the community but also on the individual as they participate in the activities and events. Our future leaders are the current Youth and Juniors. I look forward to a great State Session in October and look forward to seeing everyone in the upcoming year!

Fraternally,
Hannah Leibensperger

REPORT OF POMONA

Worthy Master, National Representative, State Officers and Members of the Pennsylvania State Grange,

In my third year as State Pomona, I was able to attend several events despite the Covid-19 pandemic. Most of the events I attended were held by local Granges until June. I was asked by our PA Junior Grange Director Philip Vonada to join the PA State Junior Grange Committee, to which my answer was, "Absolutely!" PA State Junior Grange camp is always one of my favorite weeks of the year and this year was no exception. My oldest, Savannah, was able to join me at camp and watching her experience it reminded me of all the wonderful memories I have from my Junior Grange years.

Family Festival followed State Camp where we all enjoyed the company of old friends and new friends. My husband Robert and I, along with Savannah and Riley, welcomed a baby girl in January 2021, who has been traveling all over with us and meeting new people. I am on the host committee for this year's session and

looking forward to seeing many friends at the 2021 State Session at the Valley Forge Casino in King of Prussia, PA.

Fraternally,
Jennifer Beamon

REPORT OF FLORA

Worthy Master, National Representative, State Officers and Members of the Pennsylvania State Grange,

Greetings from the office of Flora. I bring greetings to all from the western end of Pa. This has been another year of sheer confusion and cautiousness still due to Covid. I know we are all tired of hearing about it, so I will move on and just pray that we are all healthy and wise to what is happening.

As we all began our new year in Grange in Erie County, I was amazed at how well things pulled together and we ended 2020 with a great session, minus friends, banquets together, the Sixth Degree and a lot more. I missed looking at exhibits and just spending a bit of time with fellow Grangers. Oh well, over all it was a great weekend and the hotel did a bang-up job to keep us all safe. But the best part was when we all returned home there was no report of anyone getting sick. Now 2021 rolled in and January through April were a bit slow in Grange work for me so I started doing my Family Activities contest items and making quilts. This was a fun time because I went to the basement game room and turned it into a hideaway for me. Come May, things started to loosen up a bit. On May 10th Dick and I went on a road trip to Mifflintown to see some property and a building that was recently purchased, and is now the home of the Pennsylvania State Grange. If you have not yet seen it, jump into your car and take a road trip to see your State Office. Now June is here and we got the word that the Big Butler Fair is opening this year. So, as the Pomona Family Activities chairman there is much for me to do to help set up the kitchen, displays and run a quilt raffle to raise funds for Pomona and doing community service. July is here and so is the fair in full swing. It is 9 days of grueling work but at the end we raised over \$4,000 which will be used in many ways in the county. August is here and I am now on a much-needed vacation. So, I and my family headed to Pigeon Forge in Tennessee. But before I left, I helped a volunteer to set up a display about the Grange for the Butler Farm Show. I am now getting ready to do our Family Activities contest judging and take the winners to the state judging. Then it will be time to get ready to go to State Session in Valley Forge, PA. I am more than ready to go and meet with friends I did not see last year. So where did the time go?

To each and every one of you, keep smiling and keep your chin up. We have all survived the year and have been blessed in one way or another but most of all remember God will see us through our trials.

Fraternally yours,
Virginia "Ginny" Mangel
State Grange Flora

REPORT OF THE DEAF & COMMUNITY SERVICES COMMITTEE

Worthy State Master, National Representative, State Officers, Delegates and Guests:

Thank you for the opportunity to serve the Pennsylvania State Grange as the Deaf and Community Service Director alongside an amazing committee (Jacqueline Clabaugh, Denise Clare, Terra Ingram, Carlene Kleckner, Thomas Kostelansky and Cindy Shaffer). They all have provided expertise advice and guidance to continue tradition and enhance our programs this year.

My first engagement took place at Hamburg Grange on Saturday, May 8th. At that time, I discussed with their members of acts of kindness and service they have done themselves or witnessed. It was a truly heartwarming experience as I read their notes of “Sewed over 500 masks for healthcare workers” and “Sat bedside my sick spouse while he recovered from COVID”. Every single act of service exemplified what it means to be a Grange member.

The second event we participated in was a virtual event hosted by the Lecturer’s department where we discussed community service in the age of a pandemic. We had representatives from the State College Food Bank, PA state trainer for fire departments and EMS, Denny McClosky and Tammy Jurkowski from Progress Grange as well as subordinate members from across the state. Our hour-long discussion covered topics of what projects are available, how volunteers remained safe, and the need moving forward.

I was grateful for participating in weekly Pennsylvania State Grange Bingo, virtually of course, as I was able to meet so many members from across the state and nation that provided tidbits of how to be successful in this role. Their guidance as well as the committee’s led straight up to my first-time attending Family Fest. My week was filled with meeting so many new faces as well as those very familiar from our bingo nights. In coordination with the Family Activities Department, we hosted a food drive for the State College Food Bank. Our efforts accumulated to over 300 pounds of goods and donated \$500 to their organization. We also raised funds from the annual Bike-a-thon, silent auction, “hot potato” and marketplace. Again, our members showed up in ways that exceeded my expectation.

I am very happy with how our members have graciously considered our committee, financially. Our current bank account balance sits at \$2,519.26. After review of the current Guide to Contest and Rules, I found that the prizes amount to \$1,400, so we are financially prepared to pay out for this year’s State Session Prizes. However, I find it unsustainable to move forward this way without being able to predict our funds that are primarily donation based. After reviewing the contests, it has been decided to reduce some categories and eliminating redundancies in prizes and categories. By doing so, we are also able to increase some prize amounts in what we feel will be more enticing for participating from current but also new members.

Currently, we are patiently awaiting community service reports to see if we will qualify for the national program of having 25% participation as well as gearing up for State Session. We will be collecting items for a homeless shelter since Winter is approaching and will see an increase of need.

I look forward to serving the Pennsylvania State Grange into 2022 and be able to provide more service now that I have year one under completed.

Fraternally,
Rachel Bailey, Director
Deaf & Community Service

REPORT OF THE FAMILY ACTIVITIES COMMITTEE

Worthy State Master, Worthy National and State Officers, Brothers and Sisters of the Grange.

I would like to report that my committee and I had a slow 2021 year. With not many meetings coming together yet at the beginning of the year, but getting good in the middle of the year, and great in the end of the year. With some Granges still using virtual meetings and some meeting in person.

Committee members are available to answer your questions. The Family Activities started in September printing off Contest papers to hand out at State Session. Papers contain size and color of quilt block for 2021, and papers containing all contest for Granges to work on. The Quilt raffle is ongoing, we ordered tickets to send to all Granges to sell.

We will have a meeting at State session to discuss color of tickets, number of tickets, and new food contest for 2023, 2024 and 2025. I will order tickets as soon as I get home from State Session, so tickets will be back before the Farm show in January. The Farm Show was canceled this year and was held virtually, so let's all hope we the Farm Show is in-person for January 2022. After the Farm Show will stuff envelopes at the State Office for Subordinate and Pomona Grange packets with contest fliers and quilt tickets to be sent out.

Family Festival, "Quarantine Survivor" is the theme this year. Some workshops started on Thursday evening and wrapping up on Saturday evening. Our biggest workshop of all is the Quilt block designing and painting. Plan on attending next year and make one for your shed or barn, you will definitely enjoy it for many years to come.

We went on a tour Friday Morning, leaving at 11 am. We had about 38 people go on the tour; it was a drive yourself tour. A nice picnic bag lunch included sandwich, chips, applesauce, and a drink. While the gentleman "James" talked about the house we went to see "Rhoneymeade" Sculpture Garden and Arboretum, it is a historical site. The Rhone Family owned this property for four generations from 1794 to 1937. Leonard Rhone founded the Grange fair in 1874. He became an important leader of the Grange movement in PA. Leonard Rhone and his wife Mary were charter members of local Progress Grange No. 29 in Centre Hall, PA. He was Master of Centre County Pomona Grange No.13 for five terms, from 1875- 1885, Master of Pennsylvania State Grange for 18 yrs. 1880-1898, Was PA Legislator for two terms from 1885 and 1887, founded the Centre County Grange fair 1874, Leonard Rhone died in 1917. We have a Grange member from Penns Valley Grange No. 158 that grew up in the house, she had a little program on what it looked like when she was growing up.

The Youth cooked and served the supper sponsored by Family Activities Friday evening. The meal consisted of hamburgers and hotdogs, macaroni and potato salads, baked beans and the Granges of Centre County Pomona No. 13 made cookies for dessert. I would like to extend a special THANK YOU to those LADIES. We donated about 15 Wraps for Hugs, DeWendy met me at Pennsylvania State Office to pick them up. DeWendy said THANK YOU all for making the wraps. This year we donated to the Food Bank of Centre County, State College which we were able to donate \$800.00 dollars and 334 pounds of food. We are a GREAT group of GRANGERS. THANK YOU ALL who donated the items. Master Wayne said Saturday count was 125+. People came for the day and enjoyed the workshops and tour. All the Great meals we had a "BIG THANK YOU" Wayne and Debbie and the countless people in the kitchen to help prepare the food. Every night we had Ice Cream floats or Sundaes that were enjoyed by all. Everyone had fun at the Family Festival.

AG Progress Days was held on August 10, 11, 12. We sold 170 tickets for the quilt and had a good time even though it rained and the weather was really hot, but that didn't stop us.

Family Activities had gotten a total of 19 prizes this year. Thank You for All the Sisters, Brothers and Granges that donated the prizes for this year's raffle.

REPORT OF THE JUNIOR GRANGE COMMITTEE

Worthy State President, Worthy National President, State Officers, delegates, guests, and friends,

It has been quite a year for the Junior Grange in Pennsylvania!

This year has had its ups and downs - but thankfully, things seem to be looking up! Becoming Junior Director in the middle of a global pandemic was interesting, to say the least. From the beginning, we were unsure of what we would be able to accomplish, what kinds of activities we could attempt - what was even worth planning? But, following the lesson of the Fifth Degree, we persevered.

To start, I want to thank every Grange who donated to our appeal this year. You truly helped us innovate, adapt, and overcome. These contributions are more valuable than you know, and every dollar goes directly toward supporting the Juniors across the state.

JUNIOR ONLINE GATHERINGS

We started the year with a new endeavor. Wanting to connect our Junior Grangers, and having learned a lot from the past year of virtual schooling, church, and meetings, we turned to Zoom to host Junior Online Gatherings (JOGs) in January, March, May, and - after taking a summer break - September. These JOGs allow our Juniors to meet other kids from around the state, while providing an educational opportunity, a craft or activity, and a bit of fun. We have learned about pollinators, the history of Memorial Day, made K-Cup snowmen, flags, cereal bars, and had a lot of laughs! Stay tuned to the [Pennsylvania Junior Grange](#) Facebook page for more JOGs coming up - although the pandemic may be lifting, we feel that this is a great way to keep our Junior Grangers connected to one another throughout the year.

The Junior Committee also hosted a few other “virtual” options, including a Junior Director roundtable, participating in the Lecturer’s Virtual Workshop series, and holding a virtual photo scavenger hunt. We plan to keep virtual options alive to give more statewide opportunities throughout the year.

ROYALTY TRIP

I want to thank Carrie Nace, Lizzie Bailey, and President Campbell for organizing a fantastic Royalty Day for the Junior and Youth Ambassador teams. On June 8th, we had a wonderful day visiting the Pennsylvania Capitol Building, then playing at Hershey Park. After a tour of the Capitol, Junior Ambassadors Elisabeth Reich and Bryce Danko, Youth Ambassador Isabella Boone, and Outstanding Young Patrons Braden Gourley

and Derek Snyder were introduced in the House of Representatives. It was a historic day in the House, as we witnessed the swearing in of Brooke Wheeler, the first female Chief Clerk in the PA House history. Following this, Elisabeth and Bryce each got to meet with some of their representatives to discuss Grange initiatives including rural broadband and urban agriculture. Elisabeth and Bryce were excellent representatives for the Pennsylvania Junior Grangers, and I'm incredibly proud of them.

JUNIOR GRANGE CAMP

After a lot of *will-they/won't-they*, we were able to have our State Junior Grange Camp from June 27-July 3 at Camp Sylvan Hills in Howard. With 64 campers, and 41 counselors, helpers, and staff, it was one of our largest camps in recent history! This year's theme was Wilderness Survival, so campers learned various parts of surviving in the wilderness, with traditional camp workshops and activities, some provided by Penn State Extension, PA Wilderness, the Red Cross, and more.

Special thanks to National Junior Grange Director Samantha Wilkins and National Junior Grange Ambassador Brianna Gervais for joining us for part of the week. Thank you to all of the State Grange Officers who spent time with us during the week; to every counselor, helper, and workshop leader who truly made the week a success; to Ruth Vonada, Thelma Brodzina, Ginny Straub, and Wayne and Debbie Campbell for keeping us all fed, and Tammy Schaeffer for keeping us healthy; to Lindsay Schroeder for all of her amazing photography, and Rebecca Anzueto Estrada for compiling the camp newsletter. And thank you to the whole Junior Committee for your incredible work.

I also want to thank the Granges who sponsored campers, for ensuring that Juniors and their families have the ability to attend camp. ***Did you know*** that the fees paid by campers, helpers, counselors, and staff don't cover the true cost of camp? It is thanks to Granges who donate to the PAJG appeal that we are able to put on our camp every year, at a low and reasonable cost to families. We are already planning the 2022 camp: **Winter Wonderland**, which will be held June 26-July 2nd. **SAVE THE DATE!**

On Friday night at camp, we announced several prizes, and I just want to take a moment to list them here:

And congratulations to our new Ambassadors:

Sadie Johnson of Hookstown Junior Grange in Beaver County

Harvey Reyburn of Russellville Junior Grange in Chester County

If you would like the Junior Ambassadors at your meeting or event, please contact me to make the arrangements! Sadie and Harvey are already doing an excellent job as representatives for the PA Junior Grange!

FAMILY FESTIVAL

Two weeks later, we celebrated the Family Festival in Centre Hall. Craft and activity tables were set up for the Juniors to enjoy all weekend (I'm really *really* sorry about the glitter!). Sadie and Harvey led water games on Friday afternoon, Juniors participated in the Saturday morning bike-a-thon, and we had a TON of fun at the Progress Grange #96 Fun Fair, just a few blocks away from the fairgrounds.

On Saturday night, several Juniors participated in the talent contest.

STATE SESSION

I want to thank Jessica Reyburn, Derek Schroeder, and the host committee on organizing this year's Junior Jam. I am incredibly grateful for the whole host region for coming together to provide educational and fun activities for the Junior Grangers this weekend. I invite you all to come to the Junior meeting and Degree on Sunday morning and to check out the exhibit room in your spare time. A full list of winners will be included in the Journal of Proceedings.

NATIONAL GRANGE

In November 2019, Pennsylvania's own Bryce Danko was selected as one of the National Junior Ambassadors. This November, Bryce will officially end his term in Wichita, Kansas. He has been a fantastic representative, attending regional conferences, the DC Experience, and so much more. Thank you, Bryce!

This year, both Sadie Johnson and Harvey Reyburn will be representing Pennsylvania at National Grange, competing for National Junior Grange Ambassador in Wichita, Kansas. Wish them both luck!

REPORTS

PLEASE make sure every Junior member is counted and turned in on reports. I know there are Juniors across the state who aren't receiving information because I and the Junior Committee don't know where they are to reach out to them. This includes Junior 1+ members - just because your Grange doesn't have a Junior charter doesn't mean your Juniors shouldn't count! That being said, I would love to be able to help charter some new Junior Granges this year, whether it's at the community Grange level or for your whole County.

In closing, I want to thank the six amazing women who said "I'd Be Delighted!" when I asked them to join the Junior Committee. They each bring something unique to the group, and are all doing wonderful work

for the Juniors. Thank you to Jen Beamon, Ashley Furman, Miranda Irons, Cassy Kehs, Tina Reich, and Christie Straub for being there for me, and making our program great.

And finally, thank you to the immediate past PA Junior Grange Director Lurae Benzio for your incredible work with this program over the past six years. When President Campbell asked me to be the next Junior Grange Director, I knew I had big shoes to fill. Thank you for your support and your guidance!

Respectfully submitted,
Philip J Vonada, PA Junior Grange Director

REPORT OF THE YOUTH & YOUNG ADULTS COMMITTEE

Worthy Master, National Officer, State Officers, Delegates and Guests:

First, thank you to all of the Granges and individuals who sent in appeal money to the Youth and Young Adults Department. Even though our programming was still somewhat reduced this year, your donations made it possible to do some different things over the year. We truly appreciate your kindness and generosity in a year where you may not have been able to fundraise or do activities yourself but yet you still donated to support the youth. We thank you from the bottom of our hearts!

2020 NATIONAL GRANGE SESSION

Normally the youth of Pennsylvania would begin the activity year with participation in the National Grange session. The 2020 National Grange Session planning committee had several youth and young adults from Pennsylvania participating in the planning, but unfortunately the Session was pared down to a virtual session by the end of summer, with just the delegates calling in on Zoom. A disappointing turn of events for all of the PA youth and young adults looking forward to hosting the National Session in Valley Forge. An Evening of Excellence was conducted later in November with one of our members, Philip Vonada, performing.

FARM SHOW 2021

The most popular place to be in early January – the PA Farm Show – was also held virtually in 2021. No in-person events or contests were scheduled.

YOUTH COMMITTEE PLANNING MEETING

The Youth and Young Adults Committee met several times during the year to brainstorm how to use all of the good ideas from last year's planning session this year in a COVID environment.

GRANGE YOUTH MIXER (GYM)

One of the new ideas that we implemented in January was a monthly "Grange Youth Mixer" or GYM held on Zoom. We had hoped that this new monthly engagement would bring out new youth and young adults who wanted a relaxing evening of fellowship and fun. Some of our programs included a game night, cooking night, paint night, and more. We held these monthly events until the beginning of summer and started them back up again in the fall of 2021.

YOUTH OFFICER TEAM SPONSOR

Another new idea that was implemented this year was a fundraising drive for sponsorships of the State Youth Officer Team. Beginning with the Youth Officer Team selected for the PA State Grange Session in October 2021, the Youth Officers will be presented with an official Youth Team vest, including the Grange logo and their name embroidered on the front. It's time for our State Youth Team to have a distinct identifier, similar to those of the FFA and 4-H. The Youth and Young Adults Committee has selected black vests for the Youth Team and grey vests for sponsors.

To sponsor a member of the Youth Team and receive your own grey vest, we requested a donation of at least \$100 to the PA Grange Youth Department. To sponsor a member of the Youth Team without a supporter vest, we requested a donation of at least \$60. The Youth Team will be wearing their vest while participating in any Grange activity to show their pride in this great organization. Our inaugural 14 sponsors of the PA State Grange Youth Officer Team include:

Hamburg Grange	Brian Ebersole
Penns Valley Grange	Betsy Huber
Perry Valley Grange	Jennifer Nauss
Straub Insurance	Janet Pratt
Jennifer & Robert Beamon	Michael Pratt
Wayne Campbell	Virginia Straub
Debbie Campbell	Ellen Wadsworth

Thank you to these Granges and individuals for demonstrating your commitment to the Youth of Pennsylvania!

MID-ATLANTIC LEADERS CONFERENCE

The Mid-Atlantic Leaders Conference (MALC) was held in virtually in March 2021, hosted by Potomac Grange #1. A few of our youth and young adults attended. The Regional contests, public speaking, sign-a-song and Grange baseball, were not held until August 14th on Zoom.

PA REGIONAL LEADERSHIP MEETINGS

The PA State Lecturer organized weekly leadership workshops in the spring of 2021. The youth workshop was held on Saturday, May 1st on Zoom. The title of the workshop was "What if this is the new normal?" The workshop was designed to begin a conversation of how to attract and keep youth and young adults engaged in Grange activities in these changing times.

ROYALTY TRIP 2021

Amazingly the Royalty Day in Harrisburg was able to take place this year. The Youth Ambassadors and Young Patrons, Isabella Boone, Derek Snyder, and Braden Gourley, along with the Junior Royalty, were able to have a tour of the Capital Building and meet with their legislators. Happily, they also enjoyed an afternoon and evening of fun at the "Happiest Place on Earth" – Hershey Park.

PA STATE GRANGE YOUTH CAMP 2021

PA State Grange Youth Camp was held in person! We carried over the Olympics theme since the real Olympics were also postponed from 2020 to 2021. There were 24 campers in attendance including 9 first time campers. The youth and young adults participated in various games and contests and experienced eating with chopsticks and assorted Asian dishes. On Saturday evening, the new PA State Grange Youth Ambassadors were announced: Ashlan Smith from Elizabethtown Grange, Lancaster County and Autumn Tworowski from Hamburg Grange, Berks County. On Sunday morning, the closing ceremonies were held, complete with medals made with actual postal stamps from the 1992 Olympics in Barcelona. The medals, along with authentic posters from the 1992 Olympics were graciously donated by Ms. Dee Ruckert from

Beaver County. Everyone was thrilled to be at camp in person and we are looking forward to even more campers and more fun next year!

FAMILY FESTIVAL

Family Festival was an exciting event for the Youth and Young Adults. In addition to a few joint activities with the Junior Department, such as water games, the Youth and Young Adults worked the grills on Friday evening, cooking hamburgers and hotdogs for the evening meal. The Grange Knowledge test was also given on Friday night. Saturday morning, most participated in the Bike and Walk-a-Thon for the Community Service and Deaf Activities Department and then walked over to Progress Grange's Kids Fair. Following lunch, the Youth Committee conducted a Road Rally, which is similar to a scavenger hunt except that teams drive to different locations. The object of the rally is to find all the clues in the shortest distance (mileage). Four teams competed for the glory of being named the winner as well as for a few prizes. During Saturday evening's program, the new Outstanding Young Patron was announced. Gail Switzer from Marion Grange, Berks County, will be representing the Young Patrons for the next year. I can't wait to see what Gail, Ashlan and Autumn have in store for the next year.

YOUTH FAMILY PICNIC

Our annual picnic was held at the new PA State Grange office in Mifflintown on August 21st.

STATE GRANGE SESSION

The Youth Officer Team will be sporting their new vests this year at State Session in Valley Forge, PA. I am excited to see this impressive group of youth and young adults as they open the Session on Saturday morning. All of our regular contests will be held this year. It will be great to have a full schedule of activities for the youth and young adults again.

APPRECIATION

Thank you to my family and the awesome Youth Committee as we navigated our way through the changes caused by COVID and juggling the virtual and in-person events. You all were troopers and remained extremely flexible through all of the adjustments! The Youth Committee includes:

Lindsay Schroeder, Berks County

Matt Irons, Warren County

Robert and Jennifer Beamon, Berks County

Youth Ambassadors – Isabella Boone, Centre County and Joshua Mengel, Berks County (July 2019 – June 2021)

Ashlan Smith, Lancaster County and Autumn Tworowski, Berks County (June 2021 – present)

Young Patrons – Derek Snyder, York County and Braden Gourley, Beaver County (July 2019 – July 2021)

Gail Switzer, Berks County (July 2021 – present)

In closing, a sincere thank you to each of you for your generous support of the Youth and Young Adults program over this past year. Our youth and young adult members are very special, they are the future of the Grange and are motivated and excited to be involved and working toward a common goal. You don't have to look far to see this excitement in action. Take a look around at the individuals involved at all levels

of the Grange in Pennsylvania. Are there ways that you could involve the youth in your area? I would encourage you to involve the youth of your Subordinate and Pomona Granges – allow them to serve as officers, on committees, presenting programs, or assisting with community service and fundraising projects. They might just be waiting for your encouragement.

Fraternally,

Ellen M. Wadsworth

**REPORT OF THE PA STATE GRANGE FOUNDATION**

In 1994, at the State Session in Warren, Pennsylvania, the Pennsylvania State Grange Foundation was formed by delegate action. The main purpose of the Foundation then was to administer the two Grange scholarship funds established by delegate action. The Foundation has been amended twice since then to broaden its scope.

The Deaf & Community Service Department and the Pennsylvania State Grange Executive Committee oversee the Sign Language Training Program Scholarship Fund, from which a grant of \$250 is available each year. The balance of this fund as of June 30, 2021 is \$1,281.94. In 2021 we had no applications for this scholarship. We encourage anyone interested in furthering their education in this area to apply for a grant.

Also included within the funds of the Foundation is the Jonathan Sattazahn Camp Fund. The purpose of this fund is to enable more children and youth to attend the Pennsylvania State Grange Junior and Youth Camps. The balance of this fund as of June 30, 2021 is \$9,992.29

The Pennsylvania Grange Scholarship Fund provides for grants to be given to Grange members in their Junior or Senior years at any institution of higher learning, for any course of study. The State Grange Executive committee administers the funds and the State Grange Treasurer invests the funds. A scholarship

committee comprised of the State Overseer, one Executive Committee member, and three additional Grange members, at least one of whom is an educator, select the grantees. The balance in this fund as of June 30, 2021 is \$97,985.74 which includes the \$1,281.94 of the Sign Language Training Programs Scholarship Fund.

The winners of this year's Grange scholarships were –

Isaac Mengel, Fleetwood Grange #1839, Berks County  
Trevor Fegley, Virginville Grange #1832, Berks County  
Kaylee Schall, Banner Grange #1115, Cambria County

Congratulations to our fellow Grangers.

A unique aspect of the Grange Scholarship Fund is that only interest earned may be used for scholarships each year. Therefore, the greater the principal, the more scholarships we are able to award.

A contribution can be made by sending a check to the Pennsylvania State Grange office, made out to "Pennsylvania Grange Foundation". Any amount is welcome.

We encourage all Granges and members to consider donating to the fund now, or leaving a bequest in your will to the Pennsylvania Grange Foundation. Thank you for your support of this extremely important and worthwhile endeavor that enhances the educational opportunities for our members.

Fraternally submitted,  
Richard Mangel, Chairman  
Pennsylvania State Grange Foundation.

## **REPORT OF THE HISTORY COMMITTEE**

### **Executive Summary**

**In preparation for moving to the new State Grange headquarters, the History Committee stepped up its efforts to sort historical documents, excess regalia & other Grange paraphernalia, etc. housed in the Lemoyne office and then assisted with the move into the Mifflintown facility.**

**Another major focus during the year was planning for the 150<sup>th</sup> anniversary kick-off event held September 18, 2021, leading to the climax of the sesquicentennial celebration at the 2023 State Grange session. Planning for the session in Reading has encountered many challenges.**

**On-going work included the resumption of video interviews with Grange leaders to record oral history and continued organizational and facility renewal efforts at Eagle Grange #1 which officially celebrated its 150<sup>th</sup> anniversary throughout the year with many activities.**

### **New Headquarters**

The move from rented office space in Lemoyne to the Grange owned building in Mifflintown has greatly increased space available to store Grange records and other historical information. Several members of the History Committee spent a considerable amount of time sorting and organizing materials to determine what should be kept, what should be discarded and what should be moved to the new facility. The organization of the materials continue and eventually some will be on display at headquarters.

History Committee funds were expended to purchase metal shelving units to provide more orderly storage for Grange records in the new headquarters. Although we continue to encourage Granges to donate records to local historical societies for their preservation, the records of inactive Granges can now be accepted for storage at the state headquarters. A new Commonwealth Archives building is currently being constructed in Harrisburg by the State Historical & Museum so the possibility exists that at some future date Grange records will once again be accepted there and stored permanently in a climate-controlled environment.

Regalia and other Grange implements from closed Granges were provided during the year to several active Granges requesting them. Contact the History Committee if your Grange is in need of such items.

### **Sesquicentennial Plans/Events**

The History Committee continued to fulfil its appointment by our State Grange president to provide leadership for the observance of the State Grange's 150<sup>th</sup> anniversary and the 2023 state session where the anniversary will be climaxed. Many hours of meetings, some in-person and some by Zoom, were held to make specific plans for the ideas brainstormed earlier.

**Kick-Off** - By the time this report is shared at the state session in Valley Forge, the kick-off events of September 18, 2021, will have been completed. This gala day of activity included an open house brunch at Eagle Grange #1, Montgomery, PA, and a luncheon with program at the Country Cupboard Restaurant & Shoppes, Lewisburg, PA. Approximately 135 persons participated. The program included the recognition of three Pennsylvanians (Leonard Rhone, John W. Scott and J. Luther Snyder) inducted into the National Grange "Hall of Fame", a thought-provoking keynote address by Dr. Meecee Baker and a original candle lighting ceremony symbolically spreading the Grange light in Pennsylvania.

**Light the Cake** – As of early September, candle purchases totaled \$7,130, from 42 Granges (8 Pomona and 34 Subordinate) and 65 individuals/families for an average donation of more than \$65. Thank you very much for this generous support; see Addendum #1 for a complete list of Granges and individual/families purchasing candles. However, this is still a minority of our Granges and Grange members so we reissue the challenge to the remainder of both to contribute in whatever amount might be possible. Every donation helps us reach the goal.

**150 Acts of Service** – This anniversary initiative is a tangible demonstration of what the Grange is doing in local communities today. Every Grange is urged to do at least one new service project between 2021 and 2023 and to share that information through an on-line spreadsheet. As of mid-September, 10 acts of service have been recorded toward the goal of 150 projects.

**Degree Exemplifications in Full Form** – York County will be exemplifying the First and Second Degrees in 2021 at Valley Forge. At the session in York the following year (2022), the Third Degree will be exemplified by the State Youth Department and the Fourth Degree by Centre County. Finally, in 2023 the Fifth Degree will be presented by Susquehanna County and drill teams from Beaver, Centre and Chester Counties will participate in a full Pennsylvania-style exemplification of the Sixth Degree. The extra effort being given by all these Granges is much appreciated and will underscore the teachings of our historic, beautiful ritual during the anniversary celebration.

**Sponsorships by Granges, individuals and Companies** – Beginning in 2022, a second fundraising effort will be actively promoted seeking larger amount sponsorships to fund the anniversary celebration and the 2023 State Grange session. Each of the six sponsor levels is designated by a precious gem, the color which relates to one of the levels of the Grange:

- Diamond Sponsor (Assembly of Demeter) \$5,000 or more
- Gold Sponsor (National Grange) \$3,000-\$4,999
- Rose Quartz Sponsor (State Grange) \$2,000-\$2,999
- Emerald Sponsor (Pomona/County Grange) \$1,000-\$1,999
- Sapphire Sponsor (Local/Community/Subordinate Grange) \$500-\$999
- Ruby Sponsor (Junior Grange) \$250-\$499

Two early sponsorships have already been received, one each at the Diamond and Emerald levels for a total of \$6,000 – a great start for this initiative. See Addendum #2 for a list of sponsors.

**Leadership** – Regional anniversary coordinators were appointed to help communicate and translate plans to Pomona Granges in each part of the state.

- **Northwest Region** (*Granges in Crawford, Erie, Forest, Jefferson, Lawrence, Mercer, Venango, and Warren Counties*) – Kelly VanOrd; [kvanord@verizon.net](mailto:kvanord@verizon.net); 814-484-7295
- **Northcentral Region** (*Granges in Centre, Clearfield, Lycoming, Montour, Potter and Tioga Counties*) – Cheryl Miller; [miller.cheryl39@yahoo.com](mailto:miller.cheryl39@yahoo.com); 814-355-1139
- **Northeast Region** (*Granges in Bradford, Carbon, Lehigh, Luzerne, Northampton, Susquehanna, Wayne and Wyoming Counties*) – Penny Carpenetti; [bpcarpy@icloud.com](mailto:bpcarpy@icloud.com); 570-878-4244
- **Southwest Region** (*Granges in Allegheny, Armstrong, Beaver, Butler, Fayette, Greene, Washington and Westmoreland Counties*) – Janet Fishovitz; [jfishovitz@gmail.com](mailto:jfishovitz@gmail.com); 724-494-5472
- **Southcentral Region** (*Granges in Bedford, Blair, Cambria, Cumberland, Huntingdon, Juniata, Perry, Somerset and York Counties*) – Krista Pontius; [kpontius@greenwoodsd.org](mailto:kpontius@greenwoodsd.org); 717-385-6015
- **Southeast Region** (*Granges in Berks, Bucks, Chester, Dauphin, Lancaster, Lebanon, and Montgomery Counties*) – Gene & Denae Zvarick; [gazvarick@yahoo.com](mailto:gazvarick@yahoo.com); 484-663-3219

Pomona Grange presidents were requested to appoint a Pomona coordinator for the 150<sup>th</sup> anniversary to work directly with the regional coordinators. This was intended as an important link in the chain of communications between the State and Pomona Granges with the goal of reaching every local community Grange. Despite repeated attempts, only 18 Pomona Granges have named an anniversary coordinator (20 Pomona Granges have not).

### **Oral History Interviews**

Video interviews with Grange leaders were put on hold during the COVID lock-down and have now begun again. Thoughts and remembrances of the Grange are being recorded and will be used in various ways in the future to share the organization's history. If you or a member of your Grange is interested in setting up an interview, please contact Steve and Karen Mohn at 610-589-2473.

### **Renewal of Pennsylvania's First Grange**

Eagle Grange #1 officially reached its 150<sup>th</sup> anniversary in 2021 and many special activities took place to celebrate 150 years of continuous service. Eagle was the second Grange in the nation to be so recognized on a "150" plaque that hangs in the National Grange office in Washington, DC.

The History Committee "adopted" Eagle as a special project in 2019, determined to keep this Grange alive and to renew it. Two committee members have become Affiliate Members at Eagle and taken on leadership positions. That renewal has taken many directions – property renovation, leadership development, increased fund raising, membership recruitment, expanded community service and return to meetings in the traditional format with educational programs at each. The results have been gratifying.

In the past year, thanks to support from many Granges and the community, Eagle has completed the renovation of its facilities with the addition of commercial kitchen equipment, a new HVAC system for year-round comfort, and rehabilitation of the second floor meeting room, including installation of a chair lift. Meeting attendance has doubled with many programs and projects drawing strong interest from the community, thanks in part to an aggressive public relations effort with local newspapers and radio stations. Some new members have been received and many non-members are regular participants at Eagle Grange, creating hope that membership will continue to increase. Rebuilding this Grange, as with any Grange, is a slow and continuous process.

### **Miscellaneous On-Going Work**

- Continue work to sort records, regalia, implements, etc. received at state office from closed Granges
- Expand the number of recorded oral history interviews with Grange leaders
- Continue work to finalize details of 150<sup>th</sup> anniversary activities and the 2023 State Grange Session
- Encourage active Pomona and Subordinate Granges to consider having their records microfilmed
- Encourage more Granges to make use of the Grange History PowerPoint program available at no charge; speakers from the History Committee are also available

**Thank you for supporting the History Committee's work so the Grange story is not lost nor forgotten.**

## **149TH ANNUAL PENNSYLVANIA STATE GRANGE PAST STATE OFFICERS & DEPARTMENT HEADS ANNUAL MEETING**

The Past Officers and Past Department Heads of the Pennsylvania State Grange held their annual meeting on Friday, October 15, 2021, in the Valley Forge Casino Resort, Valley Forge, PA. The group did not hold a meeting in 2020 due to the COVID pandemic which only permitted delegates to attend the 2020 annual convention.

The meeting was called to Order by President Mary Jane Kent. Mary Jane thanked everyone for attending the luncheon.

The session guest was Betsy Huber, Master/President of the National Grange.

Mary Jane Kent offered grace prior to the luncheon.

The fifty-six persons in attendance enjoyed lunch and fellowship. A complete list of the attendees accompanies these minutes.

Copies of the Minutes of the 2019 meeting were provided at each table. There was a motion and a second to approve the minutes; motion carried.

The 2021 Treasurer's Report was presented by Kelly VanOrd and provided to all in attendance and was accepted as submitted on a motion by Janet Pratt, second by Jim Diamond; motion carried.

Report of the 2019 Audit Committee – Denise Clare and Carl Meiss reported that they found the accounts correct and in order. The 2021 Audit Committee of Sara Shank and Michael Pratt were appointed with the books to be audited at the close of this luncheon.

Report of the Grange Resale/Jewelry Table – We realized a net profit of \$183.42 from the 2019 State Session. We make 20% profit on this merchandise. The resale table was in the meeting room this year so that the members of the committee did not miss the session and other activities. Betsy Huber, President of the National Grange offered comments that there is a lot of wisdom in the room that needs to be passed on to the next generation. Mentoring is the theme for National Grange.

## REPORT OF THE LEGISLATIVE CONSULTANT

Following are some of the highlights of Pennsylvania State Grange lobbying and advocacy from November 2021 through August 2021 following the State Session in October 2020. This report does not contain new issues added after September 13, 2021.

### LEGISLATION ON WHICH THE PENNSYLVANIA STATE GRANGE LOBBIES

#### AGRICULTURAL EDUCATION

- Supported necessary state funding of Penn State College of Agricultural Sciences, Penn State Extension, and the University of Pennsylvania School of Veterinary Medicine. (Status: State Law).

#### AGRICULTURE DEPT. BUDGET

- Lobbied for strengthened PDA general government operations budget line.
- Lobbied against Governor Wolf's proposal to seize monies from the PA Race Horse Development Fund and use it for non-agricultural purposes. ***NOTE: The proposal was rejected as part of the State Budget passed by the General Assembly in 2021.***

#### AGRITOURISM

- Lobbied for enactment of House Bill 101 that provides limited liability to farms engaging in agritourism or agri-entertainment. (Status: State Law).

- Supports SB 191 allowing for wedding barns to be exempted from the Uniform Construction Code.

## **BROADBAND**

- Working with Grange representative to SR 47's Broadband Advisory Committee to draft legislative language as policy recommendation to the General Assembly. **NOTE: *Pennsylvania State Grange was the only member-based farm organization to sit on the Advisory Committee preparing the Broadband Report released summer 2020 and 2021 proposals.***
- Supports HB 166 which gives municipalities the ability to become their own Internet Service Provider (ISP) if telecom companies are too slow in expanding high-speed Broadband to them.
- Supports HB 1742 which funds the Broadband Authority with Federal COVID stimulus money.
- Supported HB 1621 which eases obstacles for installation of small cell facilities on utility poles. (Status: State Law)
- Supports SB 442 Inventory of state properties to see where there can be a cellular add-on in rural areas (such as fire towers). **NOTE: *This was opposed in 2020 by the Wolf Administration.***
- Broadband access was the top legislative priority for Pennsylvania State Grange. In January 2021, we held our fourth annual Broadband program at the Farm Show virtually which attracted a crowd and considerable media attention.

### **NOTE on Broadband:**

***Although a good track record, this is just the continuation toward our efforts to make sure there is universal access to Broadband in Pennsylvania. The Broadband issue is to this century as Rural Electrification was to the 20<sup>th</sup> Century. Not succeeding means that rural Pennsylvanians will be second-class citizens without the advantages going to others in today's ever more technology-oriented world.***

## **COVID-19 CRISIS**

- In late 2020, supported legislation providing limited liability for businesses, health care facilities, personal protection equipment from COVID liability lawsuits. Status: Passed by General Assembly but vetoed by Governor Wolf.

## **DAIRY**

- Testified for continuance of PA Milk Marketing Board (PMMB) over-order premium.
- Supported milk sell-by legislation, SB 434. (Status: State Law).
- Supports SB 840 and SB 841 which seek to expand PA's ability to charge premium to milk coming into PA.
- Supports HB 187 to limit liability for milk being donated to hunger programs.
- Pennsylvania State Grange was represented on the PA Dairy Future Commission by member Dina Zug. She chaired the Markets subcommittee in their 2020 far-reaching report. Monitored check list of which recommendations were acted upon.
- Grange will support bills that would create Keystone Dairy Opportunity Zones to attract regional investment in dairy processing facilities when re-introduced.
- Supports HB 186 and SB 192 on milk hauling during emergency. **NOTE: *This was vetoed by the Governor in the last legislative session.***

## **ABUSE OF POWER; ATTACK ON STATE SOVEREIGNTY**

- Opposes the Delaware River Basin Commission's overstepping their authority by adopting a regulation banning fracking in northeast PA, ignoring established PA state law. **NOTE: *Act 13 already regulates natural gas development. The Delaware River Basin Commission ignored this law when it decided to ban any fracking in northeast PA. This should NOT be construed as a position on fracking. Rather, it is whether PA law can simply be ignored by a regional entity.***
- Opposes Governor Wolf's unilateral decision to have PA join the Regional Greenhouse Gas Initiative (RGGI) without legislative approval. Besides the Grange position opposing cap and trade schemes,

the Pennsylvania State Grange also stresses that the PA Constitution explicitly says no to PA surrendering the power to tax to an outside entity. RGGI would have the power to tax coal energy producers out of existence.

#### ENVIRONMENT & FARMLAND PRESERVATION

- Supports continued funding for conservation programs, Growing Greener III, and dedicating funding for farmers to adopt conservation best practices. SB 832; SB 525.
- Providing input and testimony on proposals regarding use of solar energy to legislators.

#### FAIRS

- Supports continued state support disbursements to County Fairs, particularly to continue payments for operations such as Fair liability insurance policies.

#### FEDERAL

- Urged USDA to allow whole milk as part of the Nutrition Guidelines and contacted PA congress people re the same.
- Monitored activity of Family Business Coalition which opposes a Federal Death Tax.
- Re-enforced National Grange legislative positions.

#### HEALTH

- Opposes SB 38 that would establish the False Claims Act in PA. **NOTE: Because the bill still punishes anyone who makes an unintentional mistake in a contract with the state and corrects it, the Pennsylvania State Grange holds that rural hospitals and managed care companies having Medicaid contracts would be unfairly fined.**
- Supports SB 705 and HB 1573 that would regulate Telemedicine as an importance resource to rural PA – providing that attention is paid to expanding access to high-speed Broadband.
- Supports HB 1729 and HR 68 in concept regarding insurance company payment for Tele-dentistry with the caveat that there must be Broadband access for this legislation to be effective.
- Will support legislation when re-introduced to mandate insurer coverage for hearing aids.

#### HUNGER

- Advocated doubling the PASS line item in the State Budget. This program provides fresh farm products to food banks in PA. **NOTE: PASS line item was increased in the 2021-22 state budget**
- Supported local community and vertical farming organizations focused on feeding communities.

#### HUNTING

- Opposes SB 607 to eliminate all restrictions on hunting during deer season.
- Opposed SB 147 in 2020 and was the only farm group which consistently opposed Sunday hunting. **NOTE: Enacted into law despite Grange opposition.**

#### MARCELLUS SHALE ROYALTIES

- Supports royalty transparency, SB 806.

#### MEDIA LEGISLATION

- Opposes HB 955 which would give municipalities the option of posting legal notices on line instead of placing ads in newspaper. **NOTE: The Grange works with PA newspapers association on this bill and submitted testimony supporting the position.**

## PROPERTY TAXES

- Will support legislation when introduced to exempt “historic agricultural buildings” from local property taxes. **NOTE: *Drafted alternate property tax exemption bill for Grange halls – drafted but not introduced in 2020 or 2021.***

## RETIREMENT

- Will oppose legislation if re-introduced that would establish a state retirement plan for small businesses. **NOTE: *It would be mandatory for small businesses to participate. Employees would be automatically enrolled with premiums coming out of their paychecks although they could opt-out but the onus is on them to do so.***

## RIGHT TO FARM/ AGRI-TOURISM

- Supports HB 216 which curtails unreasonable municipal restrictions on agritourism.

## RIGHT TO REPAIR

- Monitors HB 1152 Right to Repair legislation; No Grange lobbying position taken.

## SEPTIC SYSTEMS

- Will support legislation when re-introduced to exempt DEP regulation of PA septic systems from oversight by Delaware River Basin Commission. **NOTE: *DEP estimates that approximately one-quarter of PA homes have septic systems.***

## STATE BUDGET

- Supports increased PDA general government operations budget. (Status: State Law.)
- Worked to restore PDA line items such as hardwoods, ag research, ag exports & marketing, etc. that were cut in the Governor’s 2021 State Budget proposal. (Status: State Law.)
- Supported increased funding for Penn State College of Agricultural Sciences and Penn State Extension. **NOTE: *enacted 2021-22 State Budget continues funding at current level.***
- Support continued FY 2021-22 funding for University of PA School of Veterinary Medicine. (Status: State Law.)
- Successfully fought efforts by some legislators to take away Vet School funding because of an unrelated COVID issue.

## STATE BUDGET BORROWING

- Opposes legislative attempts to raid Special Funds, HB 255.
- Opposes Governor Wolf’s Restore PA plan and its successors which would borrow billions of dollars and repay the loan by a severance tax on natural gas extraction. **NOTE: *Grange opposed because that assumes an adequate revenue stream to pay back the loan.***

## TAXES

- Re MS4 (Rain Tax) will support legislation when introduced re reduced farm Rain Tax for farmers and Resolutions asking Congress to repeal MS4.

## TRANSPORTATION

- Supports HB 37 to ban use of hand-held electronic devices by driver while car is in motion

## URBAN AGRICULTURE

- Researching vertical farming. Grange has been active in meeting with owners of facilities and supporting these efforts.

### **REPORT OF THE PR/MEMBERSHIP CONSULTANT**

Here we are, October 2021, a little more than a year and a half in dealing with COVID-19. I am so proud of how Grangers pivoted and maneuvered through the pandemic so far! You all have shown resourcefulness and creativity to accomplish events and serve your communities and take care of each other. Thank you for all that you have done to serve others!

Grangers embraced technology which I was so happy to have many of you participate in activities that were taking place online. I was thrilled that we were able to offer programs that you could host in your communities. Let's continue on with using technology to our advantage as your Grange can host an education fun event and offer to those in your area to come. Think about also the possibilities of live streaming an event you are holding at your Grange Hall.

I personally feel that my home office now looks like a production studio with the equipment I have acquired to stay active and offer online services. Please reach out to me to work with your Grange members in developing, and enhancing a digital footprint for your Grange.

Please find a synopsis of some of the highlights from the past year. Please don't hesitate to reach out for me. I look forward to the upcoming year in working with you on growing our Granges!

Yours in Grange Service,

Lizzie Bailey  
 PR/Membership

## **ONGOING FUNCTIONS**

**Subordinate/Pomona Grange 990's** - Ongoing throughout the year as there are different due dates throughout the year with majority of June/July, September, and December filings.

### **Constant Contact/Email Blasts, Social Media, Website**

**Personal Touch** - I made phone calls and sent cards to reach out and provide a personal touch during the pandemic. If there is anything you need or just want to chat to catch up on news, please contact me.

**Pennsylvania Grange News** - This has been a big undertaking by everyone at the State Grange office. Brittany Covey and I have assumed the role of Publishing Editors. There have been many challenges along the way with content, layout, writing articles, and gathering enough Grange news overall. We are not perfect, but we are giving this project our all. We rely on Grange volunteers to help us accomplish these news editions. We could use your help in editing, writing, and gathering information from your Grangers. Let us know if you would like to volunteer with the PGN.

**PA State Grange Zoom Bingo** - During the COVID-19 shutdown, I came up with a way to help our members and guests to connect with each other. Every Wednesday night, we played virtual bingo via Zoom. We have young kids, youth, and adults participating from our state, plus also Vermont, New Jersey, Maryland, Florida, and California. The highest number of computers logged had reached 35 computers with multiple people playing from a computer location. Those playing have shared that they looked forward to attending that it gave them something to look forward to each week and we formed friendships that will last for our lifetime. We are on hiatus for from our weekly games, and played one game during August and have a Halloween Bingo coming up on October 27, 2021 which will include players being in costume, judging, special prizes and party kits going out to those pre-registered. This program was accomplished with donations. We, at the state office were overwhelmed with the toughing comments of those attending our virtual bingo program and their financial donations.

**Friends of the PA Farm Show Board** - I am a member of the board since 2020 and it is a great experience in learning more about Farm Show and the many different planning components that take place to have the PA Farm Show happen every year.

**PA Farm Show 2021** - We kicked off in January 2021 by participating in the Virtual PA Farm Show. I started working on this project in November 2020 creating content for the website for viewers to participate in. I was able to recreate our booth when visitors landed on our webpages. We created a video to highlight our quilt trail so even though we weren't there, people had an opportunity. There were also games, and we restricted our PA Farm Show Quilt Trail Scavenger Hunt so visitors could participate online.

**Pennsylvania State Grange Farm Show Legislative Meeting** - Carrie Nace, our legislative consultant and President Wayne Campbell worked on the line-up of panelists to discuss Broadband. We held this meeting via Zoom and it went very well. If you missed this event, you can find it at our website at: [www.pagrange.org](http://www.pagrange.org).

**Pennsylvania State Grange Heritage Quilt Trail** - The quilt trail is going to be expanding into a newly renovated hallway behind the smaller food court area in the main exhibit hall that leads into the small show arena. The focus of these quilts will be urban life created by children and youth from our city areas across Pennsylvania. We will be working with participants in Philadelphia, Harrisburg, York, and Pittsburgh.

**PA State Grange Lecturer's Workshop Series** - I participated in the Lecturer's Workshop series on hosting a Zoom Membership meeting. It was an open discussion on growing membership. Grange member shared details on events and programs that they offer and what works and doesn't work for them. This zoom workshop as well as the whole series is available at [www.pagrange.org](http://www.pagrange.org).

What was great about this is I was able to track from our website how many visitors and what they clicked on. The PA State Grange Heritage Quilt Trail was included into the virtual Farm Show Exhibits area which drew a bigger audience for our website.

**Ag Progress Days 2021** - It was exciting to be able to return to our booth at the 2021 Ag Progress Days held in Pennsylvania Furnace. The interaction with people stopping by the booth was wonderful and we sold cookbooks and the Family Activities Quilt Raffle tickets.

**Some Travel Notes** - I have been off and running since COVID-19 restrictions have been lifted giving us more opportunities to be with our members. The summer flew by as we spent as much time as possible attending events.

**March** - Two separate community meetings at Shartlesville Grange and a meeting at Frieden's Church leadership in the area to explore the possibilities of reorganizing the Grange in partnership with the local churches. The Shartlesville Grange Hall which is being sold.

**May** - I visited Hamburg Grange along with Rachel Bailey, D&CS Director to discuss Grange membership and events.

**June** - Trip with Pennsylvania State Grange Royalty to the Pennsylvania State Capitol.

**July** - I spent three days in Western PA attending the Butler County Fair being with the Butler County Grange members in their building on the fairgrounds. I then traveled to the Venango County Fairgrounds to spend some time with members at the Scrubgrass Grange's new food stand. I also had a great time at the Lawrence County Pomona's dinner where I was able to speak to the members about updates and news from the Pennsylvania State Grange. July also included five days at the Pennsylvania State Grange's Family Festival where I was able to interact with the membership, host a workshop, play bingo with everyone, and have lots of fun. From Family Festival I immediately went to the York Fair which is a 10-day event where we had a booth in the Ag Center. Something new was to offer cooking classes in the Ag center which was a nice added event for the Pennsylvania State Grange.

**August** - Ag Progress Days, which I have prior notes in this report. I traveled to Allentown to assist with the Northampton - Lehigh Pomona in setting up their fair booth. We all were excited as they won a blue ribbon for the exhibit.

**September** - I traveled to Butler County to attend a vertical gardening presentation by a entrepreneur who is starting these businesses in Pennsylvania. President Wayne Campbell and I traveled to Eldred Grange for a meeting with local township and county supervisors and ball team coach to discuss the future of the Grange building. A great time was had with the Kutztown Rotary Club as they hosted their Farm Night at a local township park. State Senator Judy Schwank (11th district) was a speaker at the event and she updated the attendees on legislative news.

## **REPORT FOR THE PA GRANGE HERITAGE QUILT TRAIL COMMITTEE**

With over 125 blocks displayed at the PA Farm Show many people are anxiously awaiting the opportunity to view them but due to the pandemic activities at the PA Farm Show Complex access has been curtailed until just recently. So, if you are in the Harrisburg area, stop in and view the Quilt Blocks along with the 30' display case highlighting Quilting from 1850 to 1950 – all can be found in the Crossroad Hall and the Maclay Street Lobby. Plans are now in the works for Harrisburg area youth to paint blocks for the passage way outside the Small Arena.

Once again, the Paint Your Own Quilt Block Workshop was held at Family Festival with 15 blocks painted including one for the Pennsylvania State Grange's new office building. A 4' x 4' patriotic themed block was chosen to hang on the north side of the building for all to see when traveling south into Mifflintown.

Due to the pandemic, we were not able to hold Paint Your Own Quilt Block workshops throughout the year however we were able to work with a Venango County 4-H Club who painted 13 new 2' x 2' blocks bringing the total number of Quilt Blocks hanging on the Venango County Fairground buildings to 50!

Hopefully we will be able to hold the Paint Your Own Quilt Block workshops in the coming year. Classes are presented by Barbara and Glenn Gross as requested throughout the year. Granges as well as other groups may request a program presentation with a daylong workshop where they paint their own block.

Work is ongoing on our PA Grange Heritage Quilt Trail website to keep it up to date with current photos and locations of Quilt Blocks. Remember that the PA Grange will provide every Grange sponsored Quilt Block with a PA Grange Heritage Quilt Trail sign at no cost. If you have a Grange sponsored Quilt Block or know of one without signage, please contact us to receive either a 2' or 4' sign. To register your Quilt Block with the PA Grange Heritage Quilt Trail and have it listed on the website, fill out the form on line and send a photo of your mounted Quilt Block to the State Grange Office.

If you need assistance, directions or help in creating your one-of-a-kind wooden Quilt Block, help is only a phone call away. Call Barbara and Glenn Gross at 724-290-3783 and they will assist with your needs. Hopefully classes will soon be able to resume in various locations throughout the state for Grangers, Quilt Guilds, Arts Councils, community organizations and individuals. If you want a workshop or presentation in your area, give us a call and we will work with you!

Respectfully submitted,  
Barbara Gross, Chair

## **Resolution #1A — Solar Development**

### **AG Committee**

**RESOLVED:** The Pennsylvania State Grange endorses the development of alternative energy sources by agricultural enterprises to meet their own needs; and be it further

**RESOLVED:** the tax credit would be based on the volume of milk produced and sold by each individual farm.

## **REPORT OF THE AGRICULTURAL AND ENVIRONMENTAL ISSUES COMMITTEE POLICY STATEMENT**

Worthy President, State Officers, Delegates, Brothers and Sisters:

The members of the Agricultural and Environmental Issues committee are again honored to serve the members of the Pennsylvania State Grange. We have reviewed the resolutions presented to our committee with an open discussion and have presented them in a way that we feel best represents the interests of our members.

The Pennsylvania State Grange is challenged each year with issues relating to food quality, straightforward advertising and fair marketing practices. The year 2021 has brought additional items to the attention of the AG Committee.

1. The Pennsylvania State Grange endorses the efforts to develop alternative energy sources. Pennsylvania has programs for homeowners for supplementing personal energy needs. Utilities are leasing large tracts of land for solar farms. Many rural municipalities currently have no regulations or plans for alternative energy implementation.
2. With this endorsement the Pennsylvania State Grange strongly encourages Local Governments to consider the important rolls of agriculture and the harvesting of energy and provide an opportunity for them to be complementary. The Grange is concerned with utility companies creating large solar farms on lands that are suitable for highly productive row crops that help sustain other local businesses.
3. The Pennsylvania State Grange will continue to encourage legislation for true and accurate labeling on processed foods.
4. The Pennsylvania State Grange will initiate an amendment to the Commonwealth of Pennsylvania Tax code to create a tax credit for dairy producers to be used when milk prices drop or when input costs rise to an unprofitable level.
5. The Pennsylvania State Grange will continue to support the actions of the Dairy Future Commission established by the Pennsylvania Legislature in regular session 2019-2020 as part of ACT 66. This

Commission has been given five years to evaluate and make recommendations for resolving issues at the farm, state, market and consumer levels.

**GOOD OF THE ORDER POLICY STATEMENT**

Worthy President, State Officers, and Delegates. Thank you for allowing us to serve on the Good of the Order committee.

Without doubt, everyone's world has changed since the COVID-19 Pandemic emerged in March 2020 and continues today. However, Grangers have maintained our principles of Faith, Hope, Charity, and Fidelity throughout. Many Grangers were able to practice their Faith by virtual online services. We held and continue to hold on to the Hope that we will emerge from this Pandemic whole again, only stronger since we survived it. Grangers have continued in Charity – holding food drives and give-away events for those less fortunate. We have maintained Fidelity to our Brothers and Sisters – indicated by the number of attendees at our Junior and Youth Grange Camps, Family Festival and those who attended the National Grange Revival in Sturgis, ND.

Grangers have also demonstrated Perseverance –in transforming their traditional dinners, and community outreach events into safer “low contact” and “drive thru” events, and we encourage our local Granges to continue to explore new or modified activities and be sure to share their upcoming events and successes with our fellow Granges through submissions to the PGN magazine and the periodical e-mails from the PA State Grange.

As we begin kicking off activities celebrating the 150<sup>th</sup> anniversary of the PA State Grange over the coming years, it is important to both commemorate our past achievements as well as look forward to the work yet before us to keep our legendary Order relevant going into the future. As such, we need to embrace change and “think outside the box” vs. “doing it the way we’ve always done it.”

We would like to thank those who put forward well-written and thoughtful resolutions to all the Grange committees. Please remember when you are thinking about proposing resolutions - ask yourselves: "Is this something our organization should be involved in and why?" and “Is this present Grange policy?” Please take time to carefully consider these questions before bringing a resolution to any meeting for discussion.

In closing, let us in all we do as an organization remember our Motto:

**In Essentials, Unity; In Non-Essentials, Liberty; In All Things, Charity**

### **FAMILY ISSUES POLICY STATEMENT**

Worthy Master, National Representatives, State Officers, Delegates, and Guests:

The members of the Family Issues Committee would like to extend our thanks to the Southeast Hosting Committee for hosting this year’s 149<sup>th</sup> Annual Pennsylvania State Grange Session. We would also like to thank Master Wayne Campbell and the Officers and Executive Committee of the Pennsylvania State Grange for their dedicated service to our organization.

The Family Issues Committee urges the members of the Pennsylvania State Grange to remember our motto: “In essentials, unity; in non-essentials, liberty; in all things, charity.” The question then becomes, “Is having our children physically in school, utilizing in-person learning essential?” If it is (and the committee believes it is), then as contributing members of our communities, we need to find ways to support schools, educational personnel, parents, and students as they navigate this difficult situation.

And, most importantly, we need to always respond with charity and kindness when decisions are being made, regardless of whether we agree or disagree with those decisions.

Respectfully submitted,

Pam Courtney, Mercer County  
Ben Haagen, Centre County  
Tammy Schaeffer, Berks County
