## **DUTIES AND RESPONSIBILITIES**

The role of the Lecturer, or Program Director, is to lead in the education of the Grange members and community. The Lecturer's position is a very important one in the Grange. The Lecturer develops programs and activities to educate and engage those in attendance, and, in doing so, encourages current members to be more active and can play a powerful role in introducing the Grange to non-members in the community.

The role of the PA State Grange Lecturer's Department is to support the Subordinate and Pomona Lecturers and to serve as a resource for them. The Lecturer's Committee has developed some new contests and programs in order to better support and reward Lecturers across the state.

As we begin a new Grange year, I would encourage Lecturers to think outside of the box when developing program ideas for the year. Use resources within your Grange and within your community to put on engaging, informative, and relevant programs for your members (and invite others from your community to participate, as well). Create a Lecturer's Committee in your Grange or have a round-table discussion where your members generate ideas for programs that they would like to see. Reach out to local experts in your communities to visit and lead programs in your Granges. Work across departments and partner with other committees to coordinate meaningful activities. If your community service committee is raising money or collecting items to donate to a local fire company, consider asking the fire company to lead a program on fire safety and present the donation to them at that meeting.

In addition to coordinating educational programs for the Grange, it is also the role of the Lecturer to encourage Grange members to share their talents. So, pay attention to the talents and interests of your members and find ways to involve them.

The success of your program depends on the planning you put into programs. Whether you plan three, six, or twelve months in advance depends on what works best for you. However, whatever you do, plan ahead!

Organized and well-planned programs make your literary program time run smoothly and your members will be more attentive and look forward to what is coming next.

Plan to reserve program time for the standing committees in your Granges. They may wish to lead programs on contests in their departments or use the time to update the members on legislative issues or to share information from their departments.

## **LITERARY PROGRAM**

Literary programs may take a variety of forms and depend on the needs and interests of your members. Regardless of the format your programs take, make a plan in advance.

1. Select a theme or topic.
2. Include education, inspiration, and entertainment that complement your topic.
3. Distribute materials (readings, skits, etc.) to members before their intended use.
4. Utilize your members in programs.
5. Review your program to make sure all materials are ready before your program begins.

6. Have a written plan for your program to help keep you on-task and to keep the program running smoothly.
7. Publicize your programs at Grange meetings and in the media (local newspapers, social media, etc.).
8. Be enthusiastic and positive!

### **SUBORDINATE VISITATIONS**

Sharing with other Granges in your county can promote fellowship and provide additional educational opportunities.

The Pomona Lecturer should organize the visitation planning meeting and help in determining the details. The Pomona Lecturer should plan the visitation schedule in conjunction with the Subordinate Lecturers. After the schedule has been determined make sure to notify your members and publicize the visitation meetings in the media (newspapers, social media, etc.).

During your planning meeting, determine the length of each portion of the program. Make sure that all of the Granges participating know exactly what part of the program is their responsibility. The Subordinate Lecturer should inform the Pomona Lecturer of the program topic to avoid duplication of programs. It is important that all of those in attendance, both members and non-members, be greeted and made to feel welcome.

### **2022-2023 VISITATION THEMES**

1. Celebrating 150 Years of Service – the Pennsylvania State Grange 150<sup>th</sup> Anniversary
2. Emerging from the COVID Pandemic
3. Financial Planning Across the Lifespan
4. Lecturer's Choice

### **PUBLICITY**

Throughout the year, make sure that you are publicizing your programs. Programs can be great opportunities to encourage more active participation from your members and as a means of inviting non-members to come to a Grange meeting – but only if your members and communities know about them! Advertise your programs in advance and publish information after your programs (share pictures on social media, write a press release, etc.). Utilize all media outlets available – local newspapers, internet, social media, etc. Using as many different media as possible will help you reach as many people as possible.

### **LEADERSHIP TRAINING**

This committee believes strongly in the importance of supporting Subordinate and Pomona Lecturers in developing programs and providing leadership training to Lecturers across the state. In order to shift the focus of the State Lecturer's Department to this purpose, there will be some major changes to the contests and programs in the Lecturer's Department this year.

As we hopefully begin to emerge from the COVID pandemic, the Lecturer's Department is planning to coordinate in-person Regional Leadership Training Conferences across the state. In conjunction with the other Pennsylvania State Grange Departments, we aim to bring meaningful leadership training and information to Grange members throughout the state. Dates and locations will be shared via the Grange News, on the State Grange website, on social media, and in the email blasts. We plan to host 3 low-cost, one-day conferences with lunch provided – one in the western part of the state, one in the central part of the state, and one in the eastern part of the state. Look for more information and details in the PA Grange News and on the State Grange website. We would strongly encourage Lecturers, and all Grange leaders, to join us for these regional conferences.

### **MID-ATLANTIC LEADERS CONFERENCE**

The Mid-Atlantic Leaders Conference is held each year in March and provides leadership training and idea-sharing to Lecturers and other Grange leaders from the Mid-Atlantic Region (Delaware, Maryland, New Jersey, Ohio, Pennsylvania, Tennessee, Virginia, and West Virginia). The 2022 Mid-Atlantic Leaders Conference will be held in Delaware in March 2022. More information will be available in the Pennsylvania Grange News and in National Grange publications. Information for the 2023 Mid-Atlantic Leaders Conference will be made available late in 2022.

Subordinate and Pomona Lecturers should plan to attend this meaningful conference. We strongly encourage Subordinate and Pomona Granges to provide financial assistance to your Lecturers attending this conference. Consider holding a fund-raiser with the purpose of using monies to help your Lecturers attend. The Leaders Conference is educational and fun and is a great way to share ideas with Lecturers from across the region.

### **LECTURER'S REPORTS**

**Reports are due to the State Lecturer by September 15<sup>th</sup> and will be judged prior to the State Session in October.**

There will be a State Lecturer's report form to showcase your accomplishments within the last year, as well as providing the Lecturer's Department feedback to evaluate programs and make changes.

Report forms will be mailed to Subordinate and Pomona Granges and will be available to be downloaded from the State Grange website.

Lecturer's Reports will be judged prior to the State Session in October. Ribbons will be awarded to the top four Subordinate Granges in the following classes:

#### ***Classes:***

1. Up to 50 members
2. 51-99 members
3. 100 or more members

Ribbons will also be awarded to the top four Pomona Lecturers.

First place winners in all Subordinate classes and Pomona will additionally be awarded a monetary prize of \$10.

Reports will be judged on quality of programs throughout the year, participation of members and other committees, and thoroughness (please provide details).

### **LECTURER'S SCRAPBOOKS**

Subordinate and Pomona Lecturers are encouraged to submit a scrapbook to support their reports. While words may tell the story, pictures and other accompanying documentation can make a more lasting impression. Scrapbooks may include all programs for the year and should be in a 1" thick (or less) notebook or binder. Please include a title page and table of contents, as well as captions for pictures and other documentation. Program material from Scrapbooks may be shared in future Lecturer's Resource Books.

**Scrapbooks will be judged separately from reports with no scrapbooks and will also be due to the State Lecturer by September 15<sup>th</sup> for judging prior to the State Session.** Scrapbooks will be judged on content (details of programs and accompanying materials) and neatness. If you are submitting a Scrapbook, please also complete a report to accompany your scrapbook. Ribbons will be awarded to the top four Subordinate Granges in the following classes:

**Classes:**

1. Up to 50 members
2. 51-99 members
3. 100 or more members

Ribbons will also be awarded to the top four Pomona Lecturers.

First place winners in all Subordinate classes and Pomona will additionally be awarded a monetary prize of \$50.

**CREATIVE CONNECTIONS**

Finding ways to share your Grange's story with the community should be one of the highlights of the year in your Grange activities. It is an opportunity for a special program or event that utilizes education, fun, and fellowship. Involve your members and especially invite non-members in your community to attend the festivities. Some Granges hold Community Night or Open House Programs, but the department realizes that many Granges continue to find new ways to reach out to their communities to share their Grange story. We wish to provide all Granges an opportunity to share how they are doing this – regardless of what format it takes.

Your program should include features to tell the Grange story to the public and can be a powerful tool to encourage membership or, at the least, name recognition in your community.

If your Grange does not have a hall, do not let that discourage you!

This is also a perfect opportunity to honor recipients of the Community Service Award (Subordinate) or Public Service Award (Pomona).

Regardless of how your Grange chooses to tell your story, make sure to publicize your programs, events, or activities well in advance!

The Pennsylvania State Grange recognizes the most outstanding reports submitted for Creative Connections. Reports will be mailed to the Subordinate and Pomona Granges and be available for download from the State Grange website.

**Reports are due to the State Lecturer by September 15<sup>th</sup> for judging prior to the State Session in October.**

Creative Connections Reports will be judged prior to the State Session in October. A framed certificate will be awarded to the first place report and ribbons will be awarded to the second through fourth place reports in the following Subordinate Grange divisions and classes:

**Divisions:**

- **Division A** – Granges who held a Community Night or Open House program, whether in-person or virtually
- **Division B** – Granges who completed a designated project to “tell their Grange Story” (not a Community Night or Open House program)

1. Up to 50 members
2. 51-99 members
3. 100 or more members

A framed certificate will also be awarded to first place Pomona report in each division with ribbons being awarded to the second through fourth place reports.

A narrative and pictorial report with significant information should be included in this report. A simple notebook binder, no larger than 1" thick, may be used to include your program outline, photos, news clippings and other media publications, invitations, etc. to showcase your program.

Reports will be judged on content, neatness, and participation of members and non-members.
