## The Faiths of Abraham

Three major world religions - **Christianity, Judaism and Islam** - trace their faiths back to a common ancestor Abraham who lived some 4,000 years ago in the Middle East and is considered the patriarch of each faith. The program "**The Faiths of Abraham**" at Eagle Grange #1 on Tuesday, April 5, 2022, (6:30 p.m.) will feature a panel of local speakers representing these three faiths. It is particularly appropriate the program should take place at this time of year when all three faith groups are observing holy seasons – Lent (Christianity), Passover (Judaism) and Ramadan (Islam).

Moderating the panel will be **Rev. Gwen Bernstine** of Williamsport, retired Executive Director of the United Churches of Lycoming County. Other panelists will be:

- **Craig Staller** of Dauphin and a former ordained Lutheran pastor – Christianity
- **Sarah Weiss** of Williamsport - Judaism
- **Zokaa Rajjoub**, also of Williamsport – Islam

Among the questions each speaker will be asked to address, as time permits:

- Do you have dietary laws you observe? How do these dietary laws affect life in a small town or when you go out to dinner at a restaurant or are invited to someone's home?
- Please explain any dress codes in your tradition.
- Does your faith have different kinds (denominations) of congregations? How are they different and similar?
- Explain the leadership or hierarchy of your faith tradition.
- Are you allowed to marry a person of a different faith? If so, in what faith are children raised?
- Are there required times to pray or prayers to pray on any given day?
- What is the greatest teaching of your faith?
- Does your religion believe in One God or Three Gods?
- Does your religion believe it is ever OK to kill another person?
- Are families in your religion allowed to adopt a child?
- Does your religion have specific rules and regulations around dating and marriage?
- What are some of the practices of your religion around funerals and grieving?
- How do most people come to practice your faith tradition? How did you become a part of your faith tradition?
- What is something you'd like to clear up tonight that most people misunderstand about your faith tradition?
- Is there something that you have learned about another faith tradition that has enhanced your own faith journey?

## Property Concerns

The relatively mild winter and frequent precipitation resulted in a very big mud problem recently in the grassy parking area behind the Grange Hall. Right now we are waiting on estimates from contractors to pave the driveway and some parking spaces. This will be a costly project in the thousands of dollars but a very necessary investment as more events are taking place at the Grange Hall.

**But here's some early good news** – Eagle has been notified of two separate \$5,000 gifts for the paving project! Our Secretary Jenn Nauss is also investigating sources of grant funding that might help underwrite another portion of the cost.

**Other projects “in the pipeline” include:**

- Installing a baby changing station in the handicapped restroom
- Investigating purchase of table and chair racks to make set-up and tear-down easier
- Arranging for kitchen improvements to install new deeper sinks and higher “gooseneck” faucets

The Grange Hall is being used by more outside groups and that income helps to cover the increased utility costs for year round heating and cooling. Call David Troutman @ 570-220-1685 to arrange for use of the building.

# Grange Gives Appreciation Bags to School Staff

Special thanks to Thrivent Financial for providing a \$250 grant that underwrote part of the cost for the supplies needed for this project. We also appreciate Tom & Daisy Styer and Joann Murray who did all the shopping for goodies, decorated the gift bags and helped with the packing.

Volunteers (above) from the Montgomery FFA Chapter came to the March 1<sup>st</sup> meeting & helped pack the gift bags with the items shown below.

(Above) FFA members delivered the token of thanks to some 140 teachers, administrators & support staff in Montgomery School District.

## Mardi Gras, March 1<sup>st</sup> – An Evening of Food, Fun and Fellowship

Tables decorated in the three traditional Mardi Gras colors (gold, purple and green) were the perfect setting for the Sausage & Pancake Supper. Bacon, scrapple, fruit, juice & coffee was also served.

## More Candid Shots of Eagle's Mardi Gras Celebration

Each of the three tables featured a homemade KING CAKE (above left) and a bottle of sparkling juice used to toast the lucky person (above right) who found the small plastic baby hidden in the cake.

Lots of laughter was heard during the “break-out” activity that involved everyone in solving puzzles and riddles to unlock small boxes leading eventually to the grand gift box. This table solved the challenges first and generously shared their winnings with everyone— Mardi Gras candy bars.

Games of “dirty” or “robber” bingo were also enjoyed during this fun evening. The Grange is planning to continue holding different types of meetings – some formal in traditional Grange style, some informal meals & programs, still others in the form of outings to a local site or attraction.
