# How to protect your personal identity.

By Lizzie Bailey

Identity theft is big business for criminals who hack into our computers to steal our personal information. Recently, identity theft became a very personal issue in my family as our information was compromised and a hacker opened a bank account in our names.

Our emotions ranged from disbelief that this was happening to us, to fright about all the damage the hacker could do to our personal affairs. Luckily, our bank contacted us as soon as someone tried to open a new account. It could have been a few days until I logged on to my account to discover this invasion of privacy, and I shudder to think what could have transpired until that time.

I immediately called my bank to ask how to protect our accounts. I was told to go to Experian, Equifax, and Transunion's websites to place a freeze on our credit files. I assumed that this would stop our personal information from being accessed by the hacker or other unauthorized individuals. Unfortunately, I learned from my bank that freezing my accounts would not necessarily block anyone from opening a new account in my name, as a credit report isn't automatically run on current customers opening a new account. The bank suggested that I contact CHEX Systems (a database utilized by banks to check a new customer's credit and band history) to freeze my files. I was able to use CHEX Systems website to place a freeze on our file information in their system.

From now on I will keep our accounts frozen. Fortunately, there are no fees involved to do a freeze. If you need to access your credit file to purchase something, you can unfreeze your files and then refreeze the file when you are finished. This is not complicated

and provides some peace of mind!

On a daily basis we expose ourselves to identity theft when we provide personal information, use our credit cards, purchase items online, on our computers.

It is not uncommon to watch the news and learn that a company or organization we do business with has been compromised. Protecting your personal information is very important to do.

Suggestions on protecting your personal identity are:

- **Shred mail** that contains account information before disposing.
- **Do Not share** your personal information on the phone.
- **Do Not share** your personal information on social media, or the internet.
- **Consider using a VPN** on your cell phone and computers. A VPN is a software program that scrambles information being transmitted via the internet.
- **Note:** Secure websites processing your transaction will have an "s" Example: <https://>
- **Do Not click** on links and provide your personal information, credit card numbers, etc. The IRS doesn't send emails or phone calls demanding funds. Spam emails can be very tricky because they look official. Block spam emails, and report them as spam.

The information for the credit bureaus and Chex Systems is provided in the sidebar. Each website has additional information on identity theft to read. It is well worth your time to read and research ways you can protect your financial information.

**Freeze your credit reports for an added layer of security. There is no fees to freeze your files with the credit bureaus. You can do this yourself with no fees.**

### *National Grange Theme "Raised Right Here"*

Debbie's recovery from her knee replacement has gone well. She has completed all her physical therapy and is very pleased with her range of motion. She provided a thank you to the people at the therapy center by taking chocolate and pumpkin whoopie pies in on her last day!

Fair season is right around the corner. Debbie and I are already talking about the supplies we'll need to buy, the helpers we'll need to recruit for in the Pomona Grange food stand, and most important, what will the weather be for the fair.

Now would be a great time to check your Pennsylvania State Grange Cookbook supply and make sure your Grange has plenty on hand to sell at your local fair or fundraising event. Don't forget you can also get Pennsylvania State Grange Apple Butter to sell.

This is a PA Preferred product that fits right in with the National Grange theme of, "Raised Right Here." My local Grange was worked out an agreement with a local Farmer's Market where they stock the PA Grange apple butter, and I drop off another when the stock gets low. We share the profit with the market and it is a win-win for the market and our Grange!

In March the Officers and Directors of the Pennsylvania State Grange gathered to discuss how people perceived the mission of the Grange. The one word that organization people perceive the

Grange as being. The one word that stood out the most was, "Service." Service can be presented in a multitude of ways. It might be providing a meeting place for another group in your community, it might be a community dinner at no charge to help those less fortunate in your community or simply as a way of saying thank you to the community. Service can be a ride to doctor appointments, helping an elderly person take care of their property, or partnering with another community group to do a project that would be too big for either of you to do by yourselves. This might even lead to a conversation about the Grange and being able to invite someone new to attend your meetings to learn more about the Grange.

I have asked the Pennsylvania State Grange Officers to contact Granges and offer to do a program at a Grange meeting. These programs could be on how to do a community meeting to promote the Grange or teaching new and longtime members how to use the Grange benefits thus putting hundreds of dollars back into their pockets.

The Officers were also given the program developed by the National Grange in partnership with Bristol Myers Squibb on what to do when you receive a cancer diagnoses (or diagnosis of any other major illness). Please take advantage of this informative program by contacting a State Officer to come to your Grange. You can access

their contact information in our website at [www.pagrange.org](http://www.pagrange.org). Click on Documents and scroll down to the 2022 Pennsylvania State Grange Directory. You will find all officer contact information there.

The Pennsylvania State Grange has become very involved in the conversation about Solar Panels. We have been invited to meet with legislators to voice our concerns of the possible loss of Class One and Class Two farmlands to build these operations. We emphasize the Pennsylvania State Grange supports alternative energy development. We want to be sure all issues are looked at and people are given enough information to make an informed decision. It is imperative that one knows the consequences of their decision to lease or not to lease, as these contracts are many times for 25 to 30 years. Will your children want to deal with decommissioning the operation? Will it be an asset, or a liability should you decide to sell? Will you have to pay back taxes that were reduced because of programs you enrolled your land in? These are just a few topics to think about when considering a Solar Operation.

I started my article talking about fairs, and I'll end it the same way. Debbie and I are looking forward to seeing many of you this summer at the fair!! "Raised Right Here" is the 2022 theme of the National Grange, and what a better place to showcase that theme than during our community and Grange fairs!

Wayne D. Campbell

As I sit down to write this article, I find myself gazing out my window on what should be a nice spring day. But the wind is blowing, there are heavy snow flurries and snow is coating the lawn. It's supposed to be Spring with warm temperatures, blooming daffodils, and tulips starting to push out of the soil. Instead, Old Man Winter is having a hard time "letting go" and the cold and snow persists.

Today is Youth Mentor Trout Day. Over the years I have seen many pictures of families creating life-long memories as they try to catch a trout from a local creek or river. Even on the coldest of days and with smiles plastered on their faces, the kids are having a blast. These memories will be with them the rest of their lives.

Fishing reminds me of Matthew 4:18-22 when Jesus called upon his first disciples to follow him. "As Jesus was walking beside the Sea of Galilee, he saw two brothers, Simon called Peter and his brother Andrew. They were casting a net into the lake, for they were fishermen. "Come, follow me," Jesus said, "and I will send you out to fish for people." At once they left their nets and followed him. Going on from there, he saw two other brothers,

James son of Zebedee and his brother John. They were in a boat with their father Zebedee, preparing their nets. Jesus called them, and immediately they left the boat and their father and followed him." They were about to embark on a new life with no idea what was ahead of them.

Here in our world, Springtime is the time for planting, the time where we farmers are putting crops into the ground. My husband and his family are getting the equipment ready, the seeds prepared, and fertilizer arranged for whenever the ground thaws out and Mother Nature is inclined to allow the spring season to happen. Each Spring serves as a new beginning, just like Jesus calling to his disciples from fishing for fish to fishing for people, and to follow him on his ministry journey.

As I write, I want to ask each of you, "What is a new beginning in your life, this Spring? For me and our family, we are preparing for the birth of our first child in June. I am in the midst of getting the nursery ready, cleaning and baby-proofing our home, washing clothes, and hanging them up in the closet. And yes, I am nervous as you can imagine. I have lots of questions running through my head. I keep asking myself, "Am I ready?" Will I

be a good mother and good role model to our child and future children?

Baby News!

We are excited to share that Baby Kensinger will be arriving in June!

I am sure that the disciples had similar thoughts running through their minds when they left their homes, families, and the security of their current lives. They were willing and perhaps as excited as I am to bring a new life into the world. I Like Ben and I, this was a new beginning . . . a new beginning into a life of hope, love and miracles! This Spring, I remind you that this, too, can be the beginning of your new life!

Enjoy the fresh air, the warm sunshine, and beautiful flowers; and open your mind and heart to a new beginning with God as your guide!

Love Always,

## Sewing, embroidery and more...

Hello Grange Family and Friends, I hope you are all well and have survived the long, cold winter. I think I can safely say that like me, you are ready for winter to be over and Spring to have sprung. The weather today is balmy and warm and I am trying to spend a little time each day outside soaking up the sun, reading a book or crocheting.

My home Grange is busy getting ready for our annual Awards Night Oyster Soup and Potluck Dinner. That organizing the Subordinate, Pomona and State Grange activities and contests are keeping me on my toes.

On that note, have the Family Activities chairpersons in your local Grange received their Family Activities packets? This packet contains: contest descriptions and rules, the quilt block pattern with instructions, a picture of the PA State Grange quilt with raffle tickets, and other goodies. If you do not have a Family Activities packet, please check with Subordinate or Pomona Secretary. In addition, feel free to make copies and distribute to your local members.

Thank you to all the Granges that have bought, sold and returned your quilt raffle ticket stubs. The quilt raffle is a major fundraiser for the Family Activities Committee. With this money we are able to purchase award ribbons, develop next year's quilt and quilt block contests, as well as support all other contests and miscellaneous committee activities.

One of those contests is the 2022 Baking Contest. We encourage you to put on your apron, get out your mixing bowls, and whip up your favorite recipe. We are all looking forward to tasting your culinary creations at State Grange in York. This year, the baking categories are: Apple Dumplings (1 whole dumpling), Snickerdoodle Cookies (4 cookies), and No-Bake Cookies (6 cookies).

Our 2022 quilt block is pieced and is entitled "Lights and Shadows". The finished square should measure 12 1/2" X 12 1/2" which includes a 1/4" seam allowance. Please note that in a previous post, I neglected to mention the 1/2" square finish and I apologize for any inconvenience this might cause. The quilt block color scheme is: pink print, pink solid, white solid, light gray solid, aqua solid, and aqua print.

It certainly looks like the rest of 2022 is going to be a busy one for our bakers, quilters, and crafters. Hopefully, you are all working on your contest entries . . . it would be wonderful to see our display tables at State Grange overflowing with all your creations. Please call me (814-360-7058) if you have any concerns or questions.

I look forward to seeing you at Family Fest 2022. The theme is "Winter Wonderland" and there are some great Christmas-themed craft activities.

Have a wonderful summer and see you all later.

## *My Dad the Teacher...*

My dad had an 8th grade education, he served in the Navy during WWII, and he worked for 27 years at Letterkenny Army Depot till the day he retired. I can count on one hand the times I ever heard him grumble about anything. His possessions were few, but love was plentiful. He enjoyed the outdoors and at every opportunity we headed out to the woods and local creeks for adventures.

My appreciation for nature can be attributed to him. I remember countless fishing trips up and down the Aughwick Creek in Pogue, going to Saddleback in hopes of catching carp, and trudging across the field from our house to fish at the Spring Creek for trout. And oh, how I remember his treasured bait bucket! It wasn't as if the old round tin bait bucket itself was valuable, it was the contents...not just worms, they were night crawlers!

He taught me the "art" of hunting night crawlers in the evenings before our fishing trips. Best time to hunt crawlers was at dusk, right after a rainstorm. Both of us armed with our flashlights and an old tin can filled with dirt, we would be hunched over, delicately tip-toeing

across the lawn with our flashlights shining on every blade of grass. We were looking for movement for us to swoop in and grab them. I remember vividly how slimy night crawlers were and they would stretch out several inches, because when you grab them, they are retreating to the safety of their little holes they had burrowed in the ground. My priceless reward at the end of this adventure was my dad's beaming smile when we had our can filled with night crawlers.

It is funny when I sit here and think about it, dad taught me many things while hunting night crawlers; recognize opportunities, come prepared to do the job, have patience, stay focused, don't be afraid to get dirty, and be proud of a job well done!

I'm not sure, but hunting night crawlers may be a "lost art" even though we sure had fun searching for them! What I wouldn't give for one more night to hunt crawlers with my dad.

When I sit here and ponder, I realize I am making the same kind of memories with all my Grange family. You teach me things every time we are together. Just like growing up at home, I walk away with some very heartwarming moments and stories. This is a reason that I enjoy being a Grange member.

Remember this when you have visitors and new members at your Grange. A simple little activity could be a very heartwarming moment for visitors that will bring them back again to your Grange.

Happy May Flowers! Thank you to all who have sent in appeal donations as well as sponsored a Youth Officer vest! We greatly appreciate your support and hope to make you proud of our PA Youth and Young Adults!

I hope you are able to invite your local Youth and Young Adults or our State Youth Ambassadors and Young Patron royalty to your Grange month meeting or event. If you were not able to have a youth visit you during Grange month, you are still welcome to invite them to speak or visit your meeting or event anytime. Please contact me at the info below to schedule a royalty visit.

As noted in other articles in this PGN issue, we want to make sure our youth are safe whenever they participate in a Grange event. If you are interested in volunteering with any Grangers under the age of 18, get registered on the State Grange Volunteer database and send in your required paperwork. By following these guidelines, we can help keep our future Grange Leaders protected.

We have several exciting events/contests planned for this year. Here are highlights of a few:

**April 30 - DON'T FORGET:** Combined Youth and Junior Meet-Up is taking place at Virginville Grange and Hookstown Grange from 1-4 pm! And did I say FREE?! Join in the fun on your half of the state or travel across to a new location and meet new friends!

**June 17-19 - Combined Mid Atlantic and Eastern Regional Leaders Conference - "A Monumental Experience in the Nation's Capital".** This conference is open to ALL including Youth and Juniors! The conference will be held in Washington DC this year. More info and registration is available on the National Grange website or at

<http://form.jotform.com/2207358>

Registration and hotel deadline is June 1st. Please contact me if you are interested in sharing a room with other youth.

**June 24-26 - Our annual PA State Grange Youth Camp will be held.** The theme is **H2O22 - It's Just Water**. Registration is available online at:

<https://form.jotform.com/220255>

**July 14-17 - PA State Grange Family Festival.** The youth and young adults will have several new contests and events at Family Festival this year! Both contests below are open to all ages.

*Continue to do good deeds!*

Happy Summer Friends,

It's the dog days of Summer and I hope everyone is getting their fill of long sunny days, cookouts, vacations, and fairs. There will be many ways to show off this summer's hard work this Fall where I look forward to seeing everyone at State Session which is approaching fast!

The Deaf and Community Service Committee has been hard at work in restructuring the programs in which you all can participate. There are several ways to do so and be competitively awarded for your hard work! For the full list of projects and competitions, please refer to the guide to contests packet in which all of the contests have been updated since previous years for Deaf and Community Service.

**Community Service Project of the Year:** Entry forms for this contest are available online and must be received by the DCS director no later than September 15th. This is your opportunity to put the spotlight on a special project that your Grange has worked extra hard on. The winning prize is \$100 for the subordinate or Pomona Grange.

**Sign-A-Song Contest:** Show off your ASL skills with the entire body at State Session. Please have three copies of lyrics and your music on a device or CD to be played while performing. Top performer will be awarded \$50.

**Deaf Awareness Poster:** Help us create awareness by educating others on people in our communities that are deaf or hard of hearing. Use your creativity to spread the message by creating a poster or display that can be used to highlight the importance of this issue. The winner of each division will be awarded \$100.

**Service Project:** This year at State Session, we are collecting items for **Just For Today Recovery and Veteran's Support Services (JFT)**. The program's director, Steven Barndt, is well connected to the community between Cumberland, York and other counties where their services are offered. During the pandemic when most recovery groups were shut down, JFT remained open and provided their services throughout the darkest days of lockdown. Their locations offer a safe space for those in recovery and fun, family friendly programming. Please consider making financial contributions made out to Pa State Grange DCS with JFT in the subject line. If you would like to

**James Simpson**

I am always so inspired by all of your personal and group efforts within the Grange. I want to take a moment to remember one of Madison Grange's members, James Simpson, who was known for living life to the fullest while mastering ASL after losing his hearing at a young age. His loss of hearing did not keep him from accomplishing things like building his own home, marrying the love of his life, Sara, and being a devoted servant with the Grange. James passed away January 19, 2022 at the age of 90 years old. His earthly presence will be greatly missed by all.

bring physical **donations to State Session**, JFT would appreciate: new socks and underwear, paper towels, toilet paper, cleaning products, personal care items like toothpaste, deodorant, toothbrushes, body wash, shampoo/conditioner, and other useful products pertaining to daily life.

Keep doing any and all acts of kindness! I look forward to seeing you all soon!

## *Mark Your Calendars!*

Greetings from South Central PA!

As we get nearer and nearer to summer, there are several events and activities on the horizon! Mark your calendars and plan to attend for fun, learning, and fellowship! Now is the perfect time to get a start on your entries for the Lecturer's Programs and Contests. Details can be found in the Guide to Contests and Programs found at: <https://www.pagrang.org/lecturers.html>.

### **Eastern Regional Leadership Conference** **June 17-19, 2022 - Washington D.C.**

This year's National Grange Eastern Leadership Conference will be held in Washington, DC at the National Grange Headquarters (note the change in location). This conference is for Grangers from Maine to Florida and will include workshops for all Grange leaders, including Lecturers. Plan to attend this conference, which is a great opportunity for leadership training and meeting Grangers from across the region.

Register online at:

<https://form.jotform.com/220735869225159>

Registration is due by June 1st.

Hotel: Quality Inn Tysons Corner, 1587 Spring Hill Rd., Vienna, VA 22182

Make reservations at: (703) 344-8020

### **Family Festival**

#### **July 14-17, 2022 - Centre County Fairgrounds**

The Lecturer's Committee and State Grange have several exciting activities planned for this year's Family Festival! We hope that you'll join us for the following:

- Guided Tour of the Penn State Arboretum - Friday, July 15 - Leave the fairgrounds at 9:15am - Cost: \$10/person
  - A docent will lead the group on a tour of the Arboretum at Penn State University, a beautiful living "museum" of a wide variety of plants, trees, and flowers.
  - Travel to the Arboretum is by carpool.
  - The cost includes a bagged lunch.
- Paint and Sip Workshop - Friday, July 15 - 3-4pm - Cost: \$10/person
  - An instructor will lead the group in completing a painting. This is a fun activity for both experienced and novice painters, alike!
  - The cost includes all needed materials.
- Family Movie Night - Friday July 15 - 7-9pm
  - Join us for a family-friendly movie and enjoy a popcorn bar!
- State Grange Talent Contest - Saturday, July 16 - 7pm
  - Prepare your entries for this year's Talent Contest. Information about rules and prizes is in the Guide to Contests and Programs found on the Lecturer's page of the State Grange website.
  - The evening will also include the naming of the Outstanding young Patron and a special presentation about the 2023 150th Anniversary Session.

Pennsylvania State Grange Regional Leadership Conferences  
September & October 2022

The Lecturer's Committee, in conjunction with some of the other State Grange departments, is hosting a series of Regional Leadership Conferences. These started in 2020 right before the start of the COVID pandemic. We are excited to hold another series this year and hope you will join us. These conferences are meant to provide meaningful leadership training for ALL Grange leaders, including Lecturers. There is a registration cost of \$15/person, which will include lunch and all materials. See the schedule and registration form on the next page. All conferences will run from 10am-3pm on the following dates:

- September 10, 2022 - Big Knob Grange Hall, Beaver County. Register by August 20th.
- September 17, 2022 - Progress Grange Hall, Centre County. Register by August 27th.
- October 1, 2022 - Kutztown Grange Hall, Berks County. Register by September 10th.

The conferences are being held across the state to allow all Grangers to participate without traveling a significant distance. Grangers are welcome to attend ANY conference, not just the one located in their geographical region!

**Program Ideas**

**May:**

**Foster Care Month** - Invite a Social Worker from a local foster care/adoption network to talk about the importance of these services. Open the program to the community as a forum for anyone interested in learning more or considering becoming foster parents.

**May 29 - Learn About Composting Day** - Plan a program about composting and teach members (and the community) how to start composting. Invite a Grange member or a community member who currently composts to lead the program.

**June:**

**Alzheimer's and Brain Awareness Month** - Many people are impacted by Alzheimer's, dementia, and other neurological events, like strokes, brain injuries, etc. Invite a medical professional (doctor, speech-language pathologist, nurse, etc.) to speak about this topic. Perhaps they can share early detection signs, how to help a loved one who has dementia or who has had a stroke or brain injury.

**June 30 - Meteor Watch Day** - Invite a local scientist (professor, science teacher, or other local expert) to lead a program on space. Hold part of your program outside to watch the night sky and have the expert point out what you are seeing!

Respectfully,

Jenn Nauss  
PA State Grange Lecturer

**COMING SOON - STATEWIDE INITIATIVE/THEME!**

At the 150th Anniversary Kick-Off last September, Dr. MeeCee Baker gave an inspiring keynote address, challenging the Grange to PIVOT and make some much needed changes. Among her suggestions was the adoption of a state-wide initiative or movement. On March 5th, the State Grange officers and department chairs met at the State Grange office to continue the discussion that was started at the kick-off. The department directors are currently working on plans for a new statewide initiative or theme to unite Grangers across the state to work toward this common goal. Look for more information about this in the near future!

**2023 State Session**

Plans are coming together for the 151st annual session of the PA State Grange to be held in Morgantown, Berks County, October 19-22, 2023. The city of Reading was originally envisioned as the location to culminate the celebration of 150 years of Grange history in Pennsylvania since the State Grange was organized there in 1873 and it was there the 75th, 100th, and 125th anniversaries were celebrated. However, lack of suitable facilities now available in Reading necessitated the move to Morgantown. Headquarters will be at the Holiday Inn Morgantown, adjacent to Exit 298 of the PA Turnpike. This facility has very adequate facilities for business sessions, display rooms, banquet service and lodging. Some special anniversary events, including the conferral of the Fifth & Sixth Degrees in full form and an anniversary historical pageant, will take place in the nearby Twin Valley High School auditorium.

The 2023 session is a collaborative project of all Granges in Pennsylvania rather than the responsibility of any one region of the state. In adopting this plan, voting delegates committed their Granges to support the initiative with

funding and volunteer help. The State Grange History Committee was appointed by the PA State Grange President as the coordinator of session arrangements. Fund raising continues with the "Light the Cake" project, sale of commemorative memorabilia and sponsor opportunities.

Call the History Committee to purchase a candle!

**Looking for: Sixth Degree Members for 50 or More Years**

If you received the Grange Sixth Degree in or before 1973, the 150th anniversary celebration will include a special recognition for you. It is planned to provide certificates and the traditional fresh rose to mark this milestone at the conferral of the Sixth Degree in Morgantown. But, help is needed to identify and locate current contact information for persons eligible to receive this recognition. Please provide the following information if you are one of these special persons:

- **Your first/last name** (women who received the degree under a different name, please also provide the name at the time the degree was received)
- **Year the Sixth Degree received** (if not sure of the date, the location where received will help)
- **Name, number (if known) and the county of the Grange** you belonged to when you received the Sixth Degree
- **Name, number and county of your current Grange membership**
- **Your current contact information:** Full mailing address, e-mail address and phone number with area code.

Please provide this information no later than December 31, 2022, to: Susan Tau, 14587 West Road, Saegertown, PA 16433-8720, (phone) 814-763-4831 or (email) [setau919@windstream.net](mailto:setau919@windstream.net). Upon receipt, the information will be verified in the annual Journals of Proceedings where degree initiates are recorded. More details about the recognition will be sent by e-mail (or mail) to individual honorees prior to October, 2023.

## Introducing.....the 2022 Commemorative Anniversary Tumbler

After immediate and outstanding success last fall with the sale of an insulated tumbler featuring the 150th anniversary logo, it has been decided that another and different commemorative item will be made available in 2022 and 2023. This year's item is a 10-ounce vacuum tumbler (shown above) suitable for beverages of all kinds. Just 50 of these tumblers will be available on a first come first serve basis at a cost of \$15 each. The tumblers will be sold in-person only at the Family Festival in July and the State Session in October; due to the logistics and cost of packaging and postage, no mugs will be shipped. Pre-orders will be accepted to reserve one or more tumblers prior to the events where they will be on sale. If you wish to place an order, please contact Doug Bonsall at PO Box 765, Dauphin, PA 17018, (phone) 717-921-1957 or (e-mail) [douglas.b@verizon.net](mailto:douglas.b@verizon.net).

## Historical Booklet

A special booklet for the 2023 session is being planned that will include pictures and narrative to tell the story of the Grange in Pennsylvania, in addition to the usual program for the convention. The book will include an opportunity for ads to be submitted; look for more information about this early next year.

## Sponsors

We are pleased to announce that some sponsorships have started to come in from Granges and individuals who wish to support the 150th anniversary at an amount larger than the purchase of \$1-\$150 birthday cake candles. The opportunity also exists for businesses to become a sponsor, with each level providing complimentary ad space in the 2023 historical booklet. Each of the six sponsor levels is designated by a precious gem, the color which related to one of the levels of the Grange. A big vote of thanks to each of the following sponsors received to date:

- Diamond (\$5,000 or more) - Perry Valley #1804
- Gold (\$3,000-\$4,999) - none to date
- Rose Quartz - (\$2,000-\$2,999) - none to date
- Emerald (\$1,000-\$1,999) - Anonymous (1); Crawford County Pomona #26

- Sapphire (\$500-\$999) - Mary Humpton in memory of loved ones from East Lynn Grange
- Ruby (\$250-\$499) - Harveys-Aleppo #1444, Mary Sproat, Greene County Pomona #63

## Acts of Service

Continue to report the many and unique ways that community, Pomona and Junior Granges are reaching out to serve their areas during the 150th anniversary celebration. Granges are encouraged to submit brief descriptions about any number of acts of service to Doug Bonsall ([douglas.b@verizon.net](mailto:douglas.b@verizon.net)) or Jenn Nauss ([jnauss89@gmail.com](mailto:jnauss89@gmail.com)) so they may be added to the on-line spreadsheet of projects on the State Grange website. Click on the Acts of Service dial found at: <https://www.pagrange.org/state-grange-150th-anniversary.html> to see the innovative things going on to serve local communities and spread the word about our State Grange sesquicentennial.

How is summer almost already here? There is so much to look forward to!

I hope you're making plans to join us for Junior Grange Camp (June 26-July 2) and Family Festival (July 14-17)! Camp registrations are due on June 1st, by visiting [www.tinyurl.com/jgcamp2022](http://www.tinyurl.com/jgcamp2022) or filling out the form on page 26. Family Festival registration is due June 15th!

There's going to be a ton of fun at camp - from celebrating the winter holidays, to a "snowball" fight, and the usual camp activities - fires, games, and a whole lot more!

We will also be picking our new **Junior Grange Ambassadors** at camp! As a reminder, the PAJG Ambassadors will be one male and one female, who have celebrated their 12th but not their 15th birthday by December 31st of the year they are competing at State Camp. (This means Junior Ambassador candidates may range in age from 11 to 14 during camp. Candidates are not limited to the number of times they may compete in these years.) The full rules can be found on the Junior page on [pagrange.org](http://pagrange.org).

The Ambassadors are the face of the Junior Grange Department and get to participate in several

fantastic opportunities, including National Grange, the PA Farm Show, Royalty Day in Harrisburg, and the DC Experience with the National Grange. Please go to page 30 to hear from Sadie and Harvey about their time in Washington DC - they were fantastic representatives of the Juniors across our state!

We are also seeking **Counselors and Helpers** to help us run Junior Grange Camp! Helpers must be between 15 and 18 as of the start of camp, and anyone over 18 will be a counselor. Email me ([pajuniorgrange@gmail.com](mailto:pajuniorgrange@gmail.com)) to get a copy of the Counselor/Helper application. Note that no staff will be able to come without current clearances. Submitting an application does not guarantee you will be able to attend camp.

#### **Clearances**

Speaking of clearances, this has become a very big issue for me and the whole State Grange, the National Junior Grange, and the National Grange. It is imperative that EVERY Junior Leader, Assistant Leader, and anyone else who is left in charge of children in your Grange have ALL of their clearances on file with the PA State Grange! This isn't meant to be any reflection on you as a leader, but rather a layer of protection that keeps our

children safe, as well as your home Grange all the way up through the National Grange. Please read the article from Barb Schroeder and the Executive Committee to learn more.

Information on clearances can be found at [pagrange.org/juniors.html](http://pagrange.org/juniors.html). They are FREE for volunteers, so there's really NO REASON to not get your clearances taken care of!

Finally, I want to say THANK YOU to every individual and Grange who has given our annual appeal so far! I am so grateful for the outpouring of support from every corner of the state. It means the world to each of our Juniors to know that they have such amazing Grange support!

#### **Contest Feature**

Coming up in July is Family Festival - and one of the highlights is the Talent Show! I want to encourage you all to enter!

Categories:

1. **Vocal** - individual and group acts
2. **Instrumental** - individual and group acts
3. **Other Acts** - any performance of a group or individual that involves dancing, gymnastics, etc. Any performances portraying an entertainment act using dexterity

and gracefulness. This class also includes any performance that involves an oral presentation, such as skits, readings, etc.

**Rules:**

1. There are two age categories- 5-9 and 10-14.
2. Acts have five minutes from the time the contestants enter the stage until they exit the stage
3. First-prize winners from the previous year may not enter the same category, unless they have moved to a new age category.
4. Group and individual acts are judged against one another. A contestant may enter both as an individual and as a part of a group.
5. Any act deemed inappropriate will be disqualified from competition.
6. Groups - minimum of 2 members, maximum of 6 - will be judged based on the age of the oldest member of the group. All members of the group must be of Junior age.

**Judging Guidelines:**

1. Stage presence 15 pts
2. Appropriate dress 5 pts
3. Skill of presentation 60 pts
4. Suitability of the act 15 pts
5. Audience appeal 5 pts

**Awards for Talent Contest:**

These are given in each category in each age division (5-9 and 10-14)

1st - \$20.00

2nd - \$15.00

3rd - \$10.00

Note: Groups will receive one check to be split among all members.

You can check out the **National Junior Grange Digital Talent Show**, which ALSO offers cash prizes! Learn about it in the National Junior Grange Program Guide here; <https://www.nationaljuniorgrangecontent/uploads/2021/12/2022-Junior-Program-Guide.pdf>

**GOVERNMENT MATTERS**

It is hard to believe that we will be headed towards summer when you read this while, I write, outside it is 29 degrees with gusty snow squalls. However, there are glimpses of light in the darkest of times and I predict bright and warm days ahead.

I am looking forward to getting out to see many of you as I speak to your Granges this spring. My deepest gratitude to those of you who extended an invitation and I hope to get out to speak to as many of you as possible. I sincerely want to hear what is on your mind so I can better represent you and your concerns at the Capitol.

In addition to the formal speaking engagements, I have been delighted by the attendance on my monthly “Legislative Zooms”. We have had two Zooms to date and I am looking forward to continuing these meetings. I am inviting all of you to join when you can. They are held the second Thursday of the month at 7:00pm. Lizzie has graciously agreed to send out email blasts with the log on information. These interactive Zooms are a chance for us to informally discuss legislative issues and priorities. Most importantly, I gain invaluable feedback on where the Grange should go legislatively. It also gives me a chance to get to know our membership better. If you

have any questions or need more information please reach out at [carrie@nsallc.com](mailto:carrie@nsallc.com) or 717-424-5832. Looking forward to talking with you all.

**Legislative Meetings**  
**Broadband**

On Monday, March 7th, Pennsylvania State Grange President Wayne Campbell, Jeanne Shearer of Windstream and I met to discuss Windstream’s advancements in deploying fiber lines in rural Pennsylvania. Broadband deployment in rural Pennsylvania has been a top priority for the Pennsylvania State Grange for many years and it was great to hear from a company that is putting boots on the ground working to deploy durable fiber lines. We also discussed the federal funding given to Pennsylvania and how it is instrumental in getting unserved areas of Pennsylvania the broadband they so desperately need.

Jeanne invited the Grange to speak at the opening of one of their projects in Crawford County. Vice President Dick Mangel represented the Grange at the event.

**Solar Policy Discussion in the Capitol**

The Pennsylvania State Grange has been increasingly involved in shaping policy around Solar Development. Specifically, how it

affects the food supply when Class 1 and Class 2 farmland are taken out of production. It was a focus of our Farm Show Panel this year.

In early March, Senator Chris Gebhard’s staff requested a meeting with Wayne and I to discuss the Pennsylvania State Grange’s concerns over the loss of this farmland. The Senator’s office read articles on our discussions on solar development and how it is affecting Grange members and wanted our insight. The Senator’s staff asked input as they put together draft legislation addressing the issue.

**Farmers Breakfasts**

Recently, many members held Farmers Breakfasts and the Grange was pleased to be able to attend many of them.

On **February 24th**, Rep. Torren Ecker held his farmers breakfast in Arendtsville, PA and I was honored to be a guest speaker along with three other women in agriculture. I spoke on my love of the agriculture community and the goals and priorities of the Grange.

On **March 11th**, Nace, Campbell and Lizzie Bailey traveled to Rep. Perry Stambaugh’s farmers breakfast in Perry County. We had the opportunity to discuss Grange issues and priorities with Congressman G.T. Thompson who was a guest speaker and the Republican Chairman of the Federal House Agriculture Committee.

On **March 18th**, we attended Rep.

Johnathan Hershey's Farmers Breakfast at Walker Grange #786, in Juniata County, where Secretary Russell Redding spoke. Hershey is a member of both the House Agriculture Committee and the Appropriations Committee.

### **Secretary Russell Redding and Pennsylvania Department of Agriculture**

On **Monday, March 21st** the Grange met with Secretary Russell Redding of the Pennsylvania Department of Agriculture and his entire administrative team at the request of the department to discuss the Pennsylvania State Grange's legislative priorities. Broadband, Solar and the Over Order Premium were among the topics of conversation in the hour and a half long meeting. We were honored to discuss our priorities with the department and we look forward to working together to move Pennsylvania agriculture forward.

### **Milk Bills Passed by House Agriculture Committee**

The Pennsylvania Senate and House of Representatives returned to session after a six week break for budget hearings the week of March 28th. The House Agriculture Committee went to work and passed a series of bills dealing with Dairy. Bills passed by the committee include: **HB2397 (Lawrence)**: The Whole Milk in Pennsylvania Schools Act authorizes the provision or sale of Pennsylvania milk in Pennsylvania schools: Provides Pennsylvania

milk that is offered for sale shall be deemed as intrastate commerce: and Provides the school board or other governing entity of a Pennsylvania school may elect to utilize funds from state or local sources to obtain whole Pennsylvania milk or reduced fat Pennsylvania milk to provide or sell at the Pennsylvania school. Passed unanimously.

**HB223 (Lawrence)**: The Keystone Opportunity Dairy Zone Act provides for the creation of keystone opportunity dairy zones to facilitate the economic development of the dairy industry; authorizes expenditures; provides exemptions, tax deductions, tax abatements and tax credits; creates additional obligations of the commonwealth and local governmental units; and prescribes the powers and duties of certain state and local departments, agencies and officials. Passed unanimously.

**HB1847 (Sappey)**: Amends Milk Marketing Law, renaming the Milk Marketing Board to the Pennsylvania Milk Board.

**HB224 (Lawrence)**: Amends the Milk Marketing Law, in general powers of the board, providing for board established premiums; and in prices of milk, providing for board established premiums, further providing for cooperatives, and further providing for the Milk Marketing Fund.

### **Telehealth**

In addition to the above mentioned bills, the House Insurance Committee passed a bill to allow more access to telehealth, an issue the Pennsylvania State Grange supports.

**HB2419 (Pickett)**: removes a statutory barrier giving the Department of Human Services more flexibility to issue waivers to accommodate individual clinics in providing mental health services. The legislation will allow licensed prescribing professionals to work within their scope of practice as is the case in the physical health care arena.

I hope each and everyone of you has an amazing spring and summer and I look forward to connecting with as many of you as possible. As always reach out anytime at [carrie@nsallc.com](mailto:carrie@nsallc.com) or 717-424-5832.

## My Time at the Washington DC Experience

In March, I had the opportunity to participate in the National Grange's Washington DC Experience. While I was in Washington, I learned about several different things, such as several of the different ways that the government operates. I learned what grassroots advocating is. I also learned the most effective ways to get Representatives to listen to the issues you have and how to get them to push a solution for this problem.

This weekend of learning started on Saturday March 12, however I did not arrive until Sunday the 13th. The trip started out when we traveled from our hotel to the National Grange headquarters on the Metro. Once we arrived at the Grange office, we were given a presentation on "What the government is, grassroots advocating, and Grange policy" by Sean O'Neal, who is the Legislative Assistant for the National Grange. Later that day, we toured the Smithsonian Museum of American History, toured the Grange building, and took a night time trolley tour of the city later that night.

The next day, we headed back to the Grange headquarters for more workshops that consisted of; a virtual tour of the National Postal Museum, a presentation on rural broadband - what it is and what the Grange's goals for it are, a presentation on rural healthcare problems, a presentation on the importance of rural aviation, and also a presentation on the mental health crisis in America. After the presentations we had pretend interviews to practice for the meeting with our representatives the next day, then we had activities led by Cole Settle and Amber Corll, the National Grange Youth Ambassadors, and Cade Howerton, one of the National Junior Ambassadors.

On Tuesday, we had meetings with our senators and got a private tour of the US Capital building (my favorite part). For the rest of the

day we all had free time so my family walked around the capital some more and saw the White House and the Washington Monument. The meetings with our senators were the last of the trip so later that day after supper we left for home.

One of my favorite parts of this trip was the personal tour of the US Capital Building because I liked to be able to have the tour in a small group with all people I knew and not need headphones. I also enjoyed being able to see the tunnels and subways that the congressmen use, and the way things work from the inside. Another one of my favorite parts about this trip was the National Grange building because of the placement, the view, having a home base, and learning more history of the Grange. I really enjoyed this trip and would definitely recommend it to other people because I learned a lot about the Grange and the US Government. Also on this trip I got to meet new people, and also got to spend time with my friends from other states that I otherwise wouldn't have gotten to see for a very long time.

Harvey Reyburn,  
PA Junior Ambassador

From March 12-15th, I attended the National Grange Washington DC Experience. For me this trip was a very good learning experience. I learned about issues rural communities are experiencing that I did not know about. One example is rural broadband, where many communities are experiencing no internet which can hinder kids' abilities to learn remotely. Some of the other topics discussed were the challenges with Rural Aviation and the cost of fuel, Rural Healthcare was about the lack of medical providers in the less populated areas, and finally Rural Mental Health that dealt with the lack of specialists available in rural America.

While listening to all of our speakers talk about these topics, it opened my eyes to the actual issues that are going on in rural communities right now.

After learning about these issues, we had the opportunity to meet with representatives from Pennsylvania Senator Pat Toomey and Senator Bob Casey's offices. While we were in these meetings, we brought up many of the topics we had learned about and some of our very own personal experiences since I also live in a rural community.

We didn't only learn about important issues, we also got to explore Washington DC and have some fun. We took a moonlight monument trolley tour and explored the Smithsonian Museum of American History where we got to see some really cool things. We were also honored to receive a private tour of the United States Capitol building even though it was closed to the public.

My favorite thing about the experience would be meeting fellow Grangers from across the USA. My overall experience of the DC Experience was amazing because I went out of my comfort zone and talked about issues that affected me and other Grangers in rural communities.

Sadie Johnson  
PA Junior Ambassador

## WINDFALL #257

Windfall #257 honored their 50, 60, and 70th year members with a dinner and a program afterwards. Rev. Garry Zuber of Troy, PA gave an interesting program on gratitude and gave each of us a "thank you" card that his granddaughter had made to send to someone who had blessed you in some way.

Rev. Zuber presented 70 year membership certificates to Ellen Foust and Paul Brackman, 60 year membership certificates to Kay Saxton and Jim Denkenberger, and 50 year Golden Sheaf booklets to Lynn and Betty Shedden.

## STONY POINT #1694

Stony Point Grange members prepared and served Presidents Day meals on February 22 to 191 clients of The Good Shepard Center in Greenville. Left to right in the photo are: Ruth Gruber, Jason Gruber, Stanley Gruber, Kathy Ammann, Nick Ammann, Martha Gruber, and Ken Ammann. Missing are Tom and Hazel Harpst and Pat and Marlene Boyd.

## Walker #786

Walker Grange #786, located in Mifflintown, Juniata County prepared Representative John Hershey's Farmers' Breakfast on March 18, 2022.

Grange members served up pancakes, sausage, fruit, and sweet breakfast treats for the event attendees. The annex was filled with attendees who came to hear Rep. Hershey, Secretary Redding, and David Swartz retired PSU analyst who talked about risks and threats for farmers.

Wayne Campbell, Rep. John Hershey, Art Hershey, and Secretary Russell Redding.

## Pennsylvania State Grange

Pennsylvania State Grange was invited by Secretary Russell Redding to meet with PA Department of Agriculture staff to discuss current Grange legislative policies.

## GOUGLERSVILLE #1743

The Gouglersville Grange Tractor Engine Show for 2021 was a huge success. The Grange was blessed with wonderful weather, great food, and a nice turnout. Special features last year were "milking the cow" with an International, tractor games and fun rides for the kids. The high point of the weekend featured a memorial to the late Wilbur Lutz, a long-time Grange member. An avid collector of Cletrac tractors, the memorial features one of Wilbur's favorites. This year's upcoming event will take place on September 24th & 25th 2022. Join us for two days of community fun, a celebration of the agricultural lifestyle, and as always, good food.

## BIG KNOB #2008

Big Knob Grange #2008 held a Benefit Pancake, Buckwheat Cake and Sausage Dinner on March 1. The dinner was to help with the medical expenses for two local women. We served 490 dinners, had a basket raffle and a bake sale. Our proceeds totaled \$11,000! We were able to present a check in the amount of \$5,500 to each of the families.

## HICKORY #1285

## MARION #223

In January, Marion Grange #223 gathered over 200 items to be donated to the Centre County Child Access Center located in Bellefonte. The Child Access Center works to promote the physical and emotional security of children and their families and provides a safe, supportive environment for monitored custody exchanges and supervised visitations.

At their February meeting Marion Grange #223 put together 40 Jared boxes for boys and girls that will be donated to local hospitals. The mission of the Jared Box Project is to entertain and put a smile on the faces of children in the hospital. It was started in 2001 by the children at Our Lady of Victory School in State College, PA to honor their classmate and friend, Jared. He was a brave little boy who battled cancer with courage and faith. His story continues to inspire people across the United States. Since its inception, more than 986,000 boxes have been delivered to over 400 hospitals across the country.

### Ontelaunee Grange Community Night Program.

Community Service is a big part of the Ontelaunee Grange and tonight three programs were highlighted. The Ontelaunee Grange donated \$1,500 to the Schuylkill Valley Community Library Building Fund and \$1,000 to the Hope Rescue Mission for a stair chairlift. The money raised for these programs come from fundraisers and the Ontelaunee Grange Breakfasts tips.

The Ontelaunee Junior Grange presented \$8,000 to Bailey Unterkofler and family from their spaghetti dinner fundraiser. The money was raised to help with medical cost for Bailey's Hodgkin's Lymphoma cancer treatments. The Ontelaunee Grange also recognized their Grange members with membership awards. Recognized for 75 years - Ruth Rausch, 65 years - Ray Davis, Nettie Kauffman and Ruth Steinhauer, 60 years - Marvin Heck, Frances Merkel, May Blatt, 55 years - Allen Davis, Larry Glesinger, 50 years - Clyde Kramer, Linda Kramer and Miriam Manwiller, 45 years - Lynn Kauffman, 40 years - Richard Schanaman, 35 years - Michael Davis, 30 years - Angela Davis, 20 years - Dennis Campbell and Karl Engle, 15 years - Pam Shealer, 10 years - Richard Henry, Darlene Savage, Dennis Savage

Entertainment was provided by Rev. Nancy Clark, entitled "Humor for the Health of it". Thank you for everyone's support of the Ontelaunee Grange and all our programs.

# HISTORY OF THE YOUTH AND JUNIOR CAMPS

The idea of Youth and Junior Camps, now one of the most popular summer events for the Grange's younger members, was so new and almost revolutionary that many concerns were raised by leaders when first proposed in the 1940's. Elizabeth Millard (later Norris), Pennsylvania's Juvenile Grange Superintendent at this time, spent many hours in consultation with National Master Albert S. Goss who pointed out the problems that might occur that could disrupt the stability of the State Grange but, nonetheless, gave words of encouragement to proceed with plans for a Pennsylvania Juvenile Grange camp. The first camp was held for a full week at Camp Brule in Forksville, Sullivan County, in 1947. The first PA State Grange Youth Camp was a weekend event held in August 1953 at Seven Mountains Boy Scout Camp north of Lewistown.

## Spanish Rice

1 lb. ground beef	1/2 cup ketchup
1 small onion, chopped	3 Tbsp sugar
1 small green pepper, chopped	salt to taste
1 cup cooked rice	pepper to taste
1 (10.75 oz) can tomato soup	

Preheat oven to 350 degrees. Brown ground beef with onion and green pepper. Drain. Mix meat mixture with all other ingredients. Put in a greased casserole dish. (I usually double the recipe. A double batch fits in an 8" x 11" casserole pan.) Bake until hot and bubbly.

## Beef Nacho Casserole

1 lb. ground beef	2 cups tortilla chips, crushed
1 cup frozen corn, thawed	2 cups shredded cheese
1 (12 oz) jar salsa	optional toppings: shredded lettuce,
3/4 cup mayonnaise	tomato, sour cream
1 Tbsp chili powder	

Preheat oven to 350 degrees. Brown ground beef and drain. Stir in corn, salsa, mayonnaise and chili powder. Layer 1/2 each of mixture, chips and cheese in a 9" x 13" or larger pan. Repeat. Heat until cheese melts, between 10 and 20 minutes. Top with shredded lettuce, tomato and sour cream if desired.
